### TUESDAY, JULY 27, 1897.

THE passage of the tariff bill has haw arrived yesterday with 165 cattle. confidence in business circles, and a new era of prosperity is before us.

PRNNSYLVANIA fared very well at the hands of Speaker Reed on Saturday in making up his committees. Congressman Brumm retains his old position as chairman of the coumittee on claims.

office-seekers who are on the ragged edge will receive this information with very little satisfaction.

GOVERNOR HASTINGS IS to day at work on the general appropriation bill, after which those members of the Legislature who have spent so Subastian, where she does not maintain much money on special committees a court in the usual sense of the term. for milrond fare, telegrams, carriage The veremony necessarily will be hire and sleeping berths will know Taylor's convenience was brought exactly how much they will receive. Tayor's convenience was brought The suspense, which is very trying, sider to offices of the Duke of Tetuan. will then be over.

Election of Teachers.

The annual election of teachers by the School Board is a source of much sense of delicary. Instant relief in Doan's concern by not only the applicants ()intment. It never fails. and their friends, but the people at large as well. The Freeland School London, July 27.-In the house of often by mistike attributed to female weaklarge as well. The Freeland School Board, to avoid all this, has set a precedent that can be profitably followed by boards in other towns and townships. They have elected teachers for a term of three years instead of considered of binding force by Great ment or setting indicates kidney or bladder one year, as is customary throughout Britain and the United States as bear trouble. The mild and the extmondinary the state. This plan has many features to commend it, and wherever tures to commond it, and wherever the latter, sold that the treaty con-adopted will no doubt be found to tained no agreement recognized by work satisfactory, provided it is not either power as affecting Hawali.

illegal. Commenting upon the action of the Freeland directors, the Hazleton Plain-Speaker contains the follow: ing: "Opinion is divided outside the borough as to the expediency of the move, which was made after due con-Maxwell, son of Captain D. E. Maxsideration by each one of the directors. If the interests of the schools are to be advanced, it is good for the the south end of the island with three people that their representatives on the School Board have had the acumen to place the teachers, or a the University of Pennsylvania basemajority of them, in their positions for more than the accustomed one year. Polities and the schools will year. Pollities and the solution with become more separated if teachers are elected as they have been in Free-land. Teachers will be certain of their places and can consequently do more effective work. In most townships and boroughs two months is re quired to insure election and half the term is consumed in worry and schem-ing how to remain "solid" with the directors. To insure the success of the common school system frequent changes are not desirable." What is true of Freeland is equally applicable to this town. Recent gis Schers, a disorderly woman, to the events in school affairs will go to rock pile for 30 days. The woman took strengthen the belief that a longer the sontence nonchalently. tenure in position will redown to the best interests of the schools and render the appointment of teachers less subject to political influences. A point in question is the reences. A point in question is the re-cent action of seven of the eight receiver of the Keystone National bank Demogratic members, in a caucus, favoring the dismissal of thirteen of the old corps of teachers and substitu. ting others in their places, as alleged, Grove, for political reasons only, without regard as to the qualifications of the applicants. Luckily for the local Monto, was hanged at Philadelphia unionity this morning. schools, one member of the majority party had the courage to stand up ugainst this proposed wholesale removal. This instance, however, goes St. Scharlian. to show what a partisan board, with eight Directors of the same mind. might do to the detriment of the might do to the detriment of the val, the papal delegate to Canada. Im-schools. Anything tending to avoid pertant results are expected. this will be welcomed by all true friends of the public schools, without regard to political beliefs. There are instances where removals may work advantageously, but thess | They are despondent and gloemy, cannot instances are very few and are found alsop, have no appetite, no energy, no only where teachers are not fitted for ambition. Hood's Sarsaparillasoon brings the positions they hold. But in cases. where the instructor has made his or her shosen profession a life study and has become proficient by many years | creased vigor to all the organs of the body. of experience, a teacher should not be removed merely to make room for some favorite of a Director. This has been the policy of the Shenandoah School Board, under both Democratic and Republican administrations, and the recent attempt to de- Fon SURRIPF, vinte irona inat established policy met with the condemnation of the great majority of our citizens, regardless of their political proclivities. It might be well for the members of the local board to give the subject some consideration. The election of FOR SURAIPP. teachers for a term of three years is only in line with the tenure in office. of superintendents. No one will question the advisability of electing the latter for three years, and the same principle is applicable in respect to other instructors. The course to other instructors. The course wanted-An Idea who can the adopted by the Freeland School Wanted-An Idea who can the Board will likely become general, Write Joint View they may bring your will be found to be legal, and will be of two hundred foremitions wanted.

under existing circumstances Shenandoah cannot follow suit too soon for the good of the schools.

Even in the most severe cases of sprain or stuise, cut or burn. Thomas' Effective Oil annexation treaty is conclusively shown hrnise, cut or burn. Thomas' Eclectric Oil gives almost instant relief. It is the ideal government under date of July 18 family lintment.
