DISAPPOINTED STRIKERS

The Miners at De Armitt's Mines Will Not Oult Work.

NOT OVER SIX PER CENT. IDLE

Legal Proceedings Will be Taken Against Marchers Unless They Dishand and Go to Their Homes-Failure to Get West Virginians Out-

Pittsburg, July 31.-After a long and weary night of waiting to learn the resuits of the meetings of the miners of the New York and Cleveland Gas Coal ports exceed last year's, although the company, the camping strikers were a price has advanced to 32.87 cents, is disappointed lot of men, for the expected exodus from the Plum Creek, Sandy Creek and Oak Hill mines did not occur. The miners did not quit work, as they promised to do and all the mines were in operation yesterday. prices, the milis see ahead a large crop no more coal would be mined until the strike was over, but the dawn brought In the vicinity of the Sandy Creek

when vacations are common, and begin and Oak Hill mines anxious inquiry the new year on its own basis. was made about Plum Creek. At the two meetings Thursday night lenders announced that the Plum Creek miners would come out, and that no more coal would be dug until the strike was won. What reports their statements were based on could not be learned, but they must have been unfounded, for 200 strikers, after making a demonstration at the Pium Creek mines, went into the camp at Negly Postoffice, onehalf mile from the tipple, and left only when they learned that all the miner It was amended in the closing days of had gone in and that the day's work the legislature to provide revenue "by had been fruitless.

providing for the collection of said tax." is at the Oak Hill mine, about two "twin electric light" bill vetoed two thought that mine would close, but years ago by Governor Hastings. The yesterday the Oak Hill miners boardmeasure required municipalities before ed the company's train at Turtle Creek engaging in the electric light business as usual and started to work. A body of the strikers was camped along the railroad track, and as the train hauling the miners passed the camp four of the strikers jumped on the cars. Two of the miners, believing the strikers were about to make an attack, jumped from the cars and joined the atrikers. These two were the only Oak Hill miners who started from Turtle Creek for the mine and did not go to work. The mine officials say that, including these two men, not over 6 per cent of the Oak Hill miners are like and these the Oak Hill miners are kile, and their absence is caused by sickness or something other than the strike,...

Legal proceedings are to be taken against the marching coal miners, un-less they disband and go to their homes. This was decided on this afternoon, and Sheriff Harvey A. Lowry will be expected to see to it that the assemblages are disbanded. While the A most enjoyable birthday party was held marches on the mines of the New York at the residence of Mr. and Mrs. Edward and Cleveland Gas Coal company have marches on the mines of the New York not been as effective as the miners officials could wish, it is evident that the marches are making an impres sion on the employes of the company beautiful gifts. The following little folks Today there was posted in the vicinity were in attendance: Agnes and Sadis of the Turtle Creek, Sandy Creek and Plum Creek mines a proclamation is all persons shall refrain from assen bling or congregating on the public highways or thoroughfares of gheny county, or interfering with the

President Patrick Dolan said he did not care how many proclamations were issued so long as the peace was kept which, he said, he intended to do. He addressed a meeting vesterday, and said that all labor organizations in the country, with the exception of the Brotherhood of Locomotive Engineers were with them in their strike. He made an aftack on this order, saying that owing to the inroads of electric rallways and other means of rapid transit the wages of the engineers would drop sooner or later, and then they would be asking assistance from other organizations. In other portions of the district the strike matters are julet. The strikers are all awaiting with an anxious interest the result a the DeArmitt mines. The owners of the Castle Shannon mine have decided to close their plant until the differences in the coal trade are adjust
