A MUSICAL.
Brilliant Event At the Newwenter Residence Saturday Evening.

The musicals given by Mrs. W. N. Ehrhart's pupils in the parlors of the Newwenter residence, on North Main street Saturday evening was a brilliant event, a lengthy programme consisting of solos and duets being beautifully rendered. All the music was of a high order and rendered under Mrs. Ehrhart's direct supervision. It called forth hearty plaudits from the large audience. The playing of those in the advanced grade was especially fine. At the close of the program refreshments were served and all went away well pleased, vowing Mrs. Newwenter a delightful hostess. There were present: Misses Mame Cleary, Ella Cleary, Bessie Greve, Nancy Bowman and Mabel Dennis, of Mahanoy City; Misses Helen Price, Maggie Beldall, Mary Klumel, Ida Kehler, Hattie Mansell, Annie Radziewicz, Emma Zimmerman, Ella Franey, Mattie Franey, Millie Zimmerman, Blanche Bohlen, Ella Metcalnis, Ida Williams, Gertrude Neiswender, Yvonne Kehler, Millie Schmidt, Mrs. Ehrhart, Mrs. Price, Mrs. Helen Price, Mrs. Kehler and Mrs. Newwenter, of town; Mrs. Smith, of the Millersville State Normal school; Miss Barker, of Philadelphia; and Miss Glenwright, of Minersville.

Joyce Slugged Graham.
Saturday's Mt. Carmel News published the following story of an encounter between David Graham, of the Mahanoy City Black Diamond, in which the editor of the Mt. Carmel paper shows up Graham in very unflattering light. 'While the editor of this paper was seated at the door of his residence on South Main street, last evening, in pleasant conversation with a neighbor, he was approached by David Graham, of the American, who, after abusing the neighbor in a shameful manner, turned his batteries of abuse and slander upon us. Up to this time, city for the night, and the influence of liquor and acrobatic responsibility for his utterances, was the uppermost feeling, but it reached a point at last when only the interference of friends prevented an encounter. The most charitable construction that can be placed upon the whole affair is that David was under the influence of liquor and acrobatic responsibility for the actions of David Graham. A few minutes afterward T. J. Joyce, who had seen Graham come up the street, divining his purpose, followed, an exchange of words occurred between him and Graham, a fight occurred, and Graham was badly beaten.'

Slight Fire.
Shortly after five o'clock Saturday evening fire was discovered in the home at the corner of Oak street and Market alley owned by druggist P. P. D. Kirlin and occupied by Wolf Levine's family. The fire department was called out, but its services were not required, as the flames were extinguished with water by neighbors who hurried to the place. The damage to the building amounted to about \$75. The fire was started by a plumber's furnace, but there are different theories as to the manner. The occupants of the house say the furnace must have been left lighted behind the door of the bathroom, where the plumber worked during the day. The latter claim the furnace was not in use on Saturday and they took home the one that was used. Mrs. Levine was prostrated by shock occasioned by the fire and remained unconscious for about six hours. Dr. Stein was in attendance. The patient has since recovered. Mr. Levine says about \$100 worth of clothing belonging to himself and family was destroyed.

STRUCK BY A BRIDGE!

A Freight Train Conductor's Narrow Escape From Death.

FELL UNCONSCIOUS UPON A CAR

He Had Failed to See the Bridge, or Hear the Warning Cries of One of His Brakemen—His Scalp Was Badly Torn.

Samuel Derr, conductor of the Shenandoah freight train No. 8351 of the Pennsylvania Railroad, narrowly escaped being killed while on his train enroute to town at 8:30 o'clock this morning. The train was on top of the third car to the rear of the one Derr was standing on when the train approached the bridge. He saw that the conductor was not aware of the approaching danger and tried to warn him, but without effect. The rumbling of the cars drove the brakeman's cries and the conductor did not see his features. The brakeman's arrival prevented Derr from rolling from the train, which would probably have had a fatal effect.

Derr remained in an unconscious condition until he brought to by the train. Dr. D. J. Langton was summoned and after a hurried examination said he did not think the victim was fatally injured. He found that the scalp had been cut across the head almost from ear to ear and there was a large lump on the back of the head, but no fracture of the skull.

During the examination Derr recovered consciousness to some extent. He was temporarily dressed and he was taken to the 9:10 train to Pottsville. Upon arrival there Derr had very much recovered and it was decided to take him to his home instead of the hospital.

Derr resides at Pottsville. He is a married man and about 45 years of age. Railroaders say he had a remarkable escape from death.

SUDDEN DEATH.
Due to Exhaustion Brought on by Cholera Morbus.

Miss Mary A. Conners, 20 years of age, died at 2 p. m. on Saturday at the home of her sister, Mrs. Michael Martin, on West Centre street. Death was due to exhaustion superinduced by an attack of cholera morbus, and was quite unexpected. Miss Conners was first taken ill, on Monday, last, and suffered frequent attacks during the week, but the attending physician did not suspect that the result would be fatal. The patient went about the house everyday. On Saturday, however, she remained in her bedroom, but was not in bed. She sat in a chair and her condition was weak, but occasioned no alarm. A sudden collapse seemed to set in. Miss Conners arose from a chair to lie on the bed, but before she could reach it fell to the floor and expired. The funeral will take place to-morrow. High Mass will be celebrated at 9:30 a. m. in the Annunciation church and the remains will be taken to Pottsville for interment in No. 3 cemetery.

The Hobo Escaped.
Special to Evening Herald.

SHOCKINGLY, Aug. 2.—When a Pennsylvania train of ten flat cars loaded with bridge work was passing through this place at 6:45 o'clock this morning, bound for Nanticoke, a drawhead pulled out at a switch. The first car continued on the main track and the second went off a siding. Both tracks were pulled up for a considerable distance and the cars piled up over the embankment. The bridge work was badly twisted. No person was injured. A tramp who was sitting on one of the cars jumped from the train in time to escape injury. Traffic on the line was delayed for two hours, when a transfer system was perfected.

Shot in a Struggle.
Frank Gotshall, 18 years old and residing at Mahanoy Place, was shot in the hip at Lakeside Saturday night by George Daubert, of Grier City. Gotshall was trying to break in beneath the pavilion where beer was stored and was interrupted by Daubert. There was an exchange of blows and Daubert drew his revolver. The latter claims the weapon was accidentally discharged. Gotshall was removed to his home. He is not dangerously injured.

Fractious Horses.
A buggy belonging to Dr. Longacre was badly damaged this morning by the horse running away on North Jardin street.

THE NATIONAL GAME.
Scores of the Various Games That Were Played Yesterday.

The strong Cherry street team proved an easy victim for the Frackville team yesterday, by being defeated in the time of 12 to 6. At the Trotting park yesterday afternoon the Lincoln club defeated the Silver Leaf team, of Mt. Carmel, with ease. The home team luted like fends. This is the second game of a series of three which was won by the home team, the score being 23 to 10. The first game is credited to the visitors. Quite a delegation of rosters accompanied Louis Loust Dale won a fine game from Honesville yesterday, on the latter's grounds. It was a hard hitting contest and required 10 innings for the visitors to claim victory. The score was 19 to 10.

The game between Jackson's and Conner's broke up in a struggle in the eighth inning. The game at that time stood 8 to 12 in favor of Jackson's.

GLASSWORKERS' STATE ADJUSTED.
Philadelphia, Aug. 2.—The wage committee of the Window Glass Workers' association held but a short session Saturday. Two hours sufficed to complete the adjustment of the new wage scale as between the strikers and cutters on the one hand and the blowers and gatherers on the other, and it is believed that the sentiment of this vexed question has solved the difficulty in a manner satisfactory to the different branches of the trade. The wage of uniformity in the rates paid caused considerable friction among the glassworkers themselves, and urgently called for the solution which has now been reached.

ATTEMPTS TO MURDER AND SWEETHEART.
Mt. Holly Springs, Pa., Aug. 2.—Rusell Swords, while walking with Miss Leight last evening, attempted to murder her by firing two shots at her from a revolver, both taking effect in the young lady's arm. He fled to the mountains and is believed he committed suicide, as two pistol reports were shortly afterward. Jealousy is said to be the cause of the shooting.

MURDEROUS ITALIAN.
George Lamberti, of town, who is employed as underboss by Contractor P. J. Cleary at the new Mt. Carmel reservoir, had an unpleasant encounter with an Italian at the works Saturday morning. The Italian asked for his time and upon being refused the request, drew a stiletto from his belt and made several lunges at Lamberti, but failed to pierce him. Afterward the villain was chased to Mt. Carmel by Lamberti, who had a loaded revolver in his hand, but the fellow escaped.

MINERSON THE MARCH.

Big Meeting To-day at De Armit's Mine at Turtle Creek.

WEST VIRGINIA MEN CONFIDENT!

The Miners' Camp at De Armit's Mines visited by the President and Secretary of the Ohio State Board of Arbitration.

Pittsburg, Aug. 2.—All roads lead to Turtle Creek today. Marching miners from all over the district are converging toward Camp Determination, and if all three reported as being on the march reach the scene there will be at least 6,000 diggers present at the big meeting which is scheduled for noon at McCree's school house. The miners expect 8,000 to be on hand.

The borough of Turtle Creek experienced the liveliest Sunday in its history, with its large transient population of miners and curious visitors, but the day passed without trouble of any kind. Burgess Teats, of the borough, visited the miners' camp, and said he had no reason to order the crowd to disperse, as long as peace prevailed he will not disturb them.

There was a complete shift in the makeup of the campers. The men from the Wheeling division of the Baltimore & Ohio, who have been on guard ever since the big movement against the De Armit mines was inaugurated, left during the night for their homes at Fairview, Gantersville, Snowden, Whitehall and Banksville. These same men, after reaching home and recuperating somewhat, have formed new divisions and are returning to the seat of war in order to attend the big meeting. While the night guard was filling during the night, new men were taking their places, and took charge of the watch that is to be kept up until all of the New York and Cleveland men quit work.

Saturday's guard was noticeable for the absence of foreigners. The gathering on watch yesterday in just the reverse, and is composed almost entirely of the foreign element, which is much more excitable than the others and much harder to control. This phase gives to the situation a more serious aspect.

Among the most prominent visitors at the miners' Turtle Creek camp were General John Little, president, and Joseph Bishop, secretary of the Ohio state board of arbitration. They are ready to solicit signatures to the uniformity agreement, and were present to get the status of affairs among the strikers. General Little expressed surprise at the demonstration. He said he had often seen miners on strike in the buckeye state, but never had seen them assembled under such circumstances. He said he was pleased with the apparent manifestations of peace. Sheriff Harvey A. Lowrey, upon the afternoon in Turtle Creek consulting with his deputies. Deputy James Richards was in the district all night. Sheriff Lowrey said that he would not interfere with the strikers in holding meetings if they acted orderly. He will not allow them to go on the property of the New York and Cleveland coal company, nor will he allow them to act disorderly while marching on the road.

T. B. DeArmit, manager of the Oak Hill mine, said yesterday that he had been importuned by men for positions in the mines. He said he had given 35 of them places and they would get two more this morning. He added that two men had offered to supply him with 50 good miners to go to work Thursday. He was receiving letters in every mail from miners in various portions of the district asking for places in the New York and Cleveland mines. Concerning the action of some of his men, he said they had come to him saying that they would be glad to go to work as soon as the excitement is over.

Secretary Warner says the miners' officials have decided to bring action in equity against Sheriff Harvey A. Lowrey, asking for an injunction restraining that official from executing the provisions of the proclamation. He said the proclamation was in violation of law, and they would go into court to have that point settled.

Pittsburg, Aug. 2.—At 1:15 this morning the strikers at Camp Determination were aroused and 300 men ordered to march to Sandy Creek and 200 to Pine Creek mines. The marches began with President Patrick Dolan heading the forces going to Sandy Creek. After proceeding a short distance, Dolan was served with a writ charging him with riot and unlawful assembly, at the instance of Thomas P. DeArmit. For a time great excitement prevailed among the marchers, but Dolan quieted them by saying that he would be all right and soon join them.

West Virginia Men Sent to Prison.
Fairmont, W. Va., Aug. 2.—There is a surprise in store for the operators of this region," said Sheriff Ross last night. "Inside of 48 hours there will be several additions to the men already out." There is more in Ross's words than many people think. He has been here since last Wednesday, and has two or three meetings each day. Not in the usual way, but has gone to some school houses or public hall, and the miners have gathered there as if by magic. Yesterday afternoon, at Monongah, the meeting was a repetition of the success at Valentine Saturday night. Today four more organizers will join Mr. Ross and Ed Davis his aid. Ross says he is highly elated over the prospects, and thinks West Virginia will come out. Mahon telegraphs from Charleston that the Kanawha and New River men had struck for 50 cents a ton and a check weightman. They are now more signs of a general laying down of picks than there has been since the strike began. None of the operators have contracts of more than 10 days in length.
