plete possession. They sacked the place, and secured \$40,000 in gold, besides a large quantity of supplies that they could not carry away. Other passions or the place of the lives, leaving the insurgents in com- orders. sengers tell about the same story of the affair. Senor Calbajar says that the wildest terror reigns in Havana, and that the well-to-do inhabitants are leaving as fast as local laws will per-

SPANIARDS RAID A SCHOOL. Teachers Driven Out and Pupils

Grossly Insuited. Havana, Aug. 2.—A party of Spanish soldiers made a raid on a girls' school at Guanbacon, which was attended almost wholly by the daughters of well known Cuban insurgents. The teachera were driven out and the pupits were grossly treated. Late in the night eight girls attending the school were arrest ed at their homen and taken out by the soldlers without being given time to dress. They were grossly insulted on the streets. The soldlers were so openly gross that the officers had to For sale in Shenandoah, Pa., at A. Wasley's threaten them with arrest if they did not desist. A large crowd followed them threateningly, and were only dis-persed when additional troops were called out and ordered to fire on the mob if it did not withdraw. The Spanish officials allege that the women and girls were acting as spies for the insurgent cause, and that the school was merely a "blind."

All Havana is ringing with a trick played upon the major of Havana volunteers at Marianao, which has just become known. Marianao is a great summer resert, and has a garrison of 500 troops. Major Salas and four or five brother officers made up a party of friends, taking the ladies along. There were 24 in the party. After reaching the place they were warned to be on the lookout, as insurgents were in the neighborhood. Suddenly a hand of Cubans surrounded them and quickly disarmed the officers, so that not a shot was fired or any alarm given Then they compelled the men to arrange the tables for a feast, under pair of death. The officers were gagged and partly bound. When this was done they compelled the musicians to strike All Havana is ringing with a trick played upon the major of Havana volpartly bound. When this was done they compelled the musicians to strike up. The ladies were made to sit down up. The ladies were made to sit down with them and partake of food. After-

Governments Frotested.

HAD NO EFFECT ON THE BILL.

Italy, Denmark, Turkey, Switzerland, Beigium and Great Britain Each Mad Beigium and Great Britain Each Mad Their Protest to Make Against the Passage of the Dingley Bill.

Washington, Aug. 2.—The late number of the Congressional Record contains a speech on the tariff conference report by M. N. Johnson, of North Daketa, in which he makes a compliation of the protests received by the state department from the representatives of foreign governments against each was pending. Nearly all the communications reverted to the communications reversed to the communications reversed to the Dingley tariff bill while that measure was pending. Nearly all the communications reversed to the communications reversed to the communications are all those was gone. The dingsit whe claims to have something that will do just as well a unstructive reversed to the communications reversed countries. It is the great blood maker, itself builder, and nerve tonic. Thousands have testified to their recovery under the use affect their cases were given up by the doctors and all hope was gone. The dingsist when the communications are the countries of the digrestion of the product of the communications are the communications are the countries. The dingsist when the countries are the countries of the digrestion of the product of the countries of the digrestion of the product of the countries of the digrestion of the product of the countries of the digrestion of the product of the countries of the digrestion of the product of the countries of the digrestion of the product of the countries of the digrestion of the product of the countries of the digrestion of the product of the countries of the countries of the digrestion of the product of the countries of the digrestic of the countries of the digrestic of the countries of the digrestic of the countries of the countrie

American goods going into Denmark is very favorable, and that his govrument viewed with a great deal of pprebension the tariff bill and the ates especially. The Danish products od by the bill were: Heer, cement, white enthinges, hemp seed, percelain, hides and skins, wool, raps, pebbles, lime, chalk, gloves, leather, condensed milk, granite, monuments, dairy ma-chinery and doacker tents.

There were three communications from Baron Fava, the Italian ambasador. The first protests against the tuty on Italian oranges and lemons. The second communication was against the 50 per cent duty on candled fruits, and in the third note Baron Fava spoke of a letter of the secretary of agriculture; and he referred to a minis-terial degree relating to meats in the United States. This decree required a consular vise for certificates of origin saued by American authorities and acompanying shipments of meats. Baron companying shipments of meats. Barm Pava informed the state department that the question had been submitted for examination to the geotechnic and epizoetic board. His majesty's government, he says, "desires to perform a friendly act toward that of the United States by frankly forwarding it that t could in no case be induced to modify the provisions contained in the aforesaid decree in accordance with the dedre expressed by the department of urriculture."

The minister of Belgium protested against the discontinuance of exporta-tion of Belgian cement, which would result disastrously to grain exported from the United States, on account of the higher rates that would be charged because vessels would have to sail one way in ballast.

The Turkish government protested against the duty of \$1 per pound on crude optum, and said that the tariff cannot be for the purpose of protecting a home industry or secure increased

J. B. Pieda, minister of Switzerland. urged that the new tariff would be dis-astrous to three principal industries in Switzerland, Swiss embroidered goods, silks, watches and clocks. Sir Julian Pauncefote sent brief com-munications informing Mr. Olney that the fishery board of Scotland protested against the high rate on cured herrings and that the high rates which the Dingley bill imposes on sail mackerel and other cured fish would cause grave njury to the fishermen on the west
