A Loxbox paper says American Watkinson the return trip. improvements in the production of steel rails are calculated to make English manufacturers "gasp." It is New York 2017 (2017). Rate, 203 from New York 2017 (2017). an admission that the British steel mills are no longer in the running.

painted him. The Republican place hunters, however, look upon the "dark side" of the new order-

RETAIL liquor dealers will, next year, have to pay \$50 more for their licenses than they have paid heretofore. This means that a license in third class cities will be taxed \$550; in boroughs, \$200; in townships, \$125. The extra \$50 goes into the state

THE Harrishurg Patriot acknowledges the signs of returning prosperity, but declines to analyze the causes that brought it about. The people, however, realize very clearly what changed the prosperity of five years ago to disaster, and will not be of Eurique Nunes, an insurgent in-likely to forget it for some time to endiary, who has been under sentence

THE imprests are ripe and abundant," says Printers' Ink ; "money will sirgulate freely, and you have something which you ought to sell now." By selling that something now you help to keep the money in circulation and get a good start for the fall. And the way to sell now, of heavy duck for mall sacks. The as all the time, is to let all the people

As ingenious German invention toprevent premature burial most make night walks near cometerles exciting. On the slighest movement in the coffin a box on the surface flies open. black flag. Unfortunately the move- war with China. ment may be started from the outside by any sudden jar. It would be a good place to take a fellow to sober

DEMOCRATIC papers in all parts of the country are warning the Demoeratic leaders in Ohio, Iowa, and elsewhere that they are endangering not only their own prospects, but those of the party generally, by pushing the free-silver issue again to the front, The Macon "Telegraph," a time-honored Democratic paper, in a recent being, says: "The Democratic party will go to destruction surely if it does not reject the 16101 doctrine.

Though Americans are not popular at present in Spain, a native of this country, Mrs. Alice Freeman Palmer, was recently elected president of the National School for girls at San Sebastian. The school was established by Hostonians five years ago to cooperate with the American board of missions. Spain allows students to work where and how they please. provided they pass at the state school examinations,

This action of Governor Hastings in vetoing the many exorbitant expense bills has permanently settled the question of paying legislators and state employes in advance. No more will get their money until it is due, although for many years the emstern has been otherwise. Auditor General Mylin has refused to draw warrants for money until the general appropriation bill has been regularly cortified to him from the Becretary of the Commonwealth.
