## ANGIOLILLO SENTENCED.

Spanish Premier's Murderer to Die by the Garrote.

TALKS ANAROHY TO THE COURT,

But His Harangue Is Cut Short by the Adjoursment of the Court Martial-Declared He Had No Accomplices in the Crime.

Madrid, Aug. 17,-Michel Angiolillo. the anarchist assessin of Premier Can-avas del Castillo, was tried by court martial yesterday at Corgara, and was found guilty and sentenced to death. ipon bearing the sentence Angiolitic turned deathly pale, and had to be as sisted from the court room. Angiolillo will be garroted within the prison.

About 200 persons were present at the trial. The vicinity of the prison was almost deserted, in view of the cerfollow the court martial.

Angiolillo, heavily manacled, sat between two gendarmes, and immediately in front of him the judges. On other material evidence of the crime. The president of the court read the declarations of eye witnesses, after which the written statement of the prisoner was read by the clerk of the Art Studio. court. Angioillio, in the course of the statement, said that he left Foggia in October, 1885, and went to Marseille and Barcelona, where he took the name of Jose Santos. At first he had no thought of becoming an anarchist, but while at Coronina he began to be interested in anarchist doctrines. He then returned to Marseilles, and after his expulsion from that city he went to Belgium and London, where he passed most of his time in the society of anarchists.

When the execution took place at Barcelona, on May 4, of five of the an-archists convicted of participation in the bomb outrage at the feast of Corpus Christi he conceived the idea of assassinating Canovas. Without seeking an accomplice he proceeded to Spain and carried out the resolution. Angiolillo went on to say that the pas-sion for vengeance led him to commit the crime. As he was unacquainted with the manufacture of explosives he

used the revolver.

The public prosecutor described the crime as "premeditated murder," and asked the court to impose the death

He thanked Lieutenant Corria for his efforts and denied that he had accomplices, or that he was an accomplice of those who amitted the bomb throwing outrage at Barcelons, or that he had participated in secret gatherings of anarchists.
