Brutal Texas Matrickte. Galvesion, Tex., Aug. 17.-Mrs. Kets In this city, who lived with her 20-year old son, Virgit, at Thirteenth and K streets, was found yesterday with her throat out from ear to our and the budy charred beyond recognition. After bed. Virgil, the son of the murdered feeses he committed the crime to get money to spend on a variety actress. The crime was deliberately planned and executed. The young man had the furniture insured, and with the money expected to leave Texas as soon as the fire insurance could be adjusted, but the fire was discovered in time to prevent the destruction of the house.

Cut His Way to Seler Liberty. fought his way out of No. 2 police station house by slashing five policemen with a razor. One of the officers, Goorge McIntyre, is harribly out on the one wound extending from the ear to the thorax, taking part of the His condition is serious. The others are badly out, but not seriously Elbert, after cutting his way through the guard of 15 policemen, made his escape from the station by jumping 30 feet from a rear window, helly pursued by the others, while blood poured from their wounds. After a chase of several squares Eilbert was shot in the right arm, and he was then captured. The man fought desperately, and had to be clubbed into insensibility before he could be taken back to the station.

The man fought desperately, and had to be clubbed into insensibility before he could be taken back to the station. He now lies in the jail hospital in a precurious condition.

Drowned While Intaxicated. Lebanon, Pa., Aug. 16.—James Schooler was drowned Saturday night at Forney's dam, near this city, Schoolor and a number of companions, all iron workers, had two kegs of beer, and were drinking hard. Some one proposed a swim, and Schooler dived into the water. He called for help, but his companions, thinking he was fooling, paid no attention to him, and he sank and disappeared. The body was not recovered until after midnight. He was 23 years old, and married.

it quickly.

The HERALD pestorlay published an article denouncing a scene made upon the streets Sunday evening by several young men in a covered wagon who had returned from a trip to Bingtown. To-day Joseph Bickert, the restavateur, called at this office and demanded a retraction of the article, on the ground that it reflected upon a party he entertained at a class bake in the Valley on the same day. Mr. Bickert said that the never been subdued by white men, and the changes are that the conflict article was more particularly taken as a re-dection upon his party because some of them cannot home in a covered wagon. It is but and Guatemaia. The boundary line be-just to Mr. Bickert to may that the party tween the two countries has never clam bake, nor was the wagon referred to the one used by his party. The most complaint was made by several residents of be brought in martial array against South Jardin structured the acts referred to each other. took place on that street. The parties making the complaint say they would have furnished unmes in the case, but did not know all of them and considered that it would be unfair to east edium upon only those whose names they did know.

The last execution to Southern New Jersey ushers points via Pennsylvania Railrond Thursday, August 19th, will no dorbt be well patronized. The rafes are extremely liberal considering the accommodations offered.

Potrsville's Chumical Engine. The new chemical engine for the Pottsville fire department was given a thorough test last evening. A frame building had been constructed for the purpose, saturated with all and filled with inflammable materials. It ook just 41 seconds to extinguish the flames The machine generated 180 pounds pressure in two seconds. A large delegation of Shenshock firemen witnessed the test.
