THEIR NAMES VARY,

Bestaurant Waiters Who Are Addressed

Differently Morning and Evening. Some people have names which they re-selved in the ordinary way, and some have

names thrust upon them, and many waiters who are employed in different parts of the city have several names, none of which was given to them by the persons who are usually vested with authority on that

NUGGETS OF NEWS. point. Ludicrons situations and compli-cations have resulted from this cause. There are a number of down town res-

by French. They do speak that language after a fashion and understand what is said to them when addressed in French, although they are for the most part Alsa-tians and Swiss and speak a patets which is known in some parts of Europe as "Plats-Deutsch Franzosisch." Many of The Tucklish forces on the Persian Abirows are anjoying the collery thing to address the waiters as 'garcon' and to ventilate their had French to be strongthened, owing a that the proper thing to address the waiters as 'garcon' and to ventilate their had French to be strongthened, owing a three condition of anarchy prevailing the collery and the condition of anarchy prevailing the collery and the strong the collery to the strong the collery and the condition of anarchy prevailing the collery and the condition of anarchy prevailing the collery to the strong the collery the strong the collery to the strong the collery the strong the strong the collery the strong the strong the collery the strong the strong the collery the s when they give their orders, and the walt- there. er, with an eye to business, never smiles, Charles Harrell has sued a New York Scrancharies Harrell has said a New York. Long before the wholesale bouses and offices close their doors for business the offices close their dears for business the day's work is over in these restaurants. The waiters go to their homes for a little rest, and toward evening the same men may be seen in up town beerhouses, clubs and wein stuben, where they meet another class of people. There the waiter serves beer and all sorts of German delication, from Frankfurter and smerkraut to kalter aufschnitt, and a French name would not aufschnits, and a French name would not be in harmony with the surroundings. There are Pauls and Herrmanns and Fritzes in these places who would be surprised to be addressed by any other name, although a few hours before they were Pierro, Henri or Francois. For ye, these men have a morning and an avening name. One waiter said recently that he had been called Felix in his down town place for years, and that no one thinks of calling him anything but Herrmann in the kneipe where he serves beer at night. "But the Isamy part of 15 is," he said, "my name is Julius. I am Felix among the French people and Herrmann in the German waiters" sofity, and I have hard work keeping by right name in my family."—New York Tribune.
