AND little "Marty" Whitaker was again given the cold shoulder at the School Board meeting Wednesday evening. Too bad, indeed!

THE English appear to have a revolt of considerable magnitude on their hands in northern Hindustan, and it looks as if some heavy military operations will be necessary before it is subdued.

THERE will be a large and varied assortment of gubernatorial aspirants on exhibition at Harrisburg next week, and yet the man who will head the ticket next year may not be there. Those advertised to be on hand are ex-Congressman Leisenring, Congressman Connell, Congressman Mahon, Congressman William A. Stone, Congressman Charles W. Stone and a lot more "too numerous to mention."

ENGLAND is replacing her war vessels on the North Atlantic and West India stations as their terms expire with more powerful and modern ones. Taken in connection with the almost impregnable fortifications she has erected on her lands adjoining this country it suggests that possibly she expects these passive menaces will facilitate the negotiation of arbitration treaties favorable to her interests.

THE government officials opened bids for 2,000,000,000 postal cards on Wednesday and the competition was so keen that the prices were brought down to a lower figure than ever before. [illegible] kind of the new cards will [illegible] of Jefferson, the same [illegible] the others will have a [illegible] John Quincy Adams. [illegible] never been put upon [illegible] the post office department before.

[illegible]SHOP IRELAND, of St. Paul, [illegible] who served throughout the war as chaplain of a Minnesota regiment and is highly esteemed by the old veterans of the war, will be the orator at a banquet to be given during the G. A. R. encampment at Buffalo next week. His Grace is one of the most forceful and eloquent speakers in the country and his oration on this occasion is likely to be a memorable one.

THE election of Miss Coughlin to fill the vacancy in the local corps of teachers, caused by the resignation of Miss Stack, is highly complimentary to Director Coughlin for the position he assumed in prohibiting the wholesale dismissal of Republican teachers by the other seven Democratic members of the Board. This is emphasized in view of the fact that the young lady received the votes of every member of the Board, an unusual procedure in that august body. And for this they are to be commended.

IN the August Forum Gen. O. O. Howard makes a strong plea for the increase of the army: enough, at least, to form the nucleus of an army in case of war. He raises the point that our army at present is not large enough to man the fortifications now under way or projected and that it should be increased so that it would form a skeleton large enough to be filled up quickly in case of war, which, in these days of fast steamers and faster railway trains, comes quickly, and the nation which in time of peace prepares for war has the advantage which Napoleon referred to when he said Providence was on the side of the army which had the most artillery.

"DOLLAR WHEAT" has come, it passed that mark in New York Wednesday, and it is not a fifty cent dollar either. "Dollar Wheat" was the slogan of the free silverites last year, but it was to be a silver dollar. Now that it has come, and in a gold dollar too, it disproves the claims made by them and strengthen's the contention of the Republican party that the low price of wheat was due to general trade conditions, and we are now profiting by the smallness of the crops elsewhere. The Democratic party, however, does not yet realize that silver is a dead issue in politics and will continue to talk of free silver for some time to come. Dollar wheat and the Dingley tariff are coincident.

LYNCHING NEAR CHICAGO.

Tramp Shot Dead by Farmers For Attempted Assault.

Chicago, Aug. 20.—Shortly after noon yesterday an unknown tramp attempted to assault Mrs. Paulina Fenske, the wife of a German farmer living in Schiller Park, a suburb of Chicago, and was shot to death by the enraged husband and a posse of farmers. After dinner Mr. Fenske left his home and went to a farm about two miles distant. Soon after he left a strange man walked into the house and asked Mrs. Fenske for something to eat. Seeing Mrs. Fenske and her four children were alone the tramp seized the woman, striking her over the head with the butt of this revolver. The terrified children fled from the house and alarmed the neighbors. A posse of farmers, headed by Mr. Fenske, secured weapons and hurried back just in time to see Mrs. Fenske's assailant emerging from the house.

Then began a chase, amid a fusillade of shots on both sides, that led through cornfields and woods for half an hour. Just as the tramp was going through another cornfield he was shot in the back and fell, but emptied his two revolvers at his pursuers as he lay on the ground. They were unhurt, and surrounding him, literally riddled him with bullets. No papers were found on his body to indicate who he was. Mrs. Fenske, being a muscular German woman, was almost a match for her assailant, and received but a few bruises in the struggle.

The second line will be over the same roads to Colorado Springs. From this point the route will be via the Missouri Pacific to St. Louis, and from St. Louis to Pittsburg via the Vandalia and Pan Handle lines of the Pennsylvania. Second class or tourist sleeping cars will be run through each way between Pittsburg and San Francisco twice a week.

An Echo of the Paris Holocaust.

Paris, Aug. 20.—Baron Mackau, one of the chief promoters of the charity bazaar of the Rue Jean Goujon, which was destroyed by fire on May 4 last, with a loss of over 100 lives, and two employes of the cinematographe establishment in the bazaar section, where the fire broke out, were placed on trial here yesterday charged with homicide through their imprudence upon that occasion. The baron was not only one of the chief promoters of the fair, but he presented the inflammable properties representing old Paris for the use of the fair, and also gave the use of the ground upon which it was erected. The judge, who examined Baron Mackau praised his honorable character, but reproached him for lack of precaution. The trial will last three days.

Foreign Selling Affects Wheat Deals.

New York, Aug. 20.—Wheat gained [illegible] in price at one time yesterday, establishing another record figure for the year, but lost many friends in so doing. Conservative traders felt that news from Europe did not warrant such sensational jumps as the market experienced yesterday, and withheld their support. The result was an irregular list of values all day, covering a wide range of prices. By putting forth all their efforts the bulls succeeded in running September up to 95¾c. In the late afternoon prices gave way suddenly. The close was very nervous, on the basis of 94c. for September and 92¾c. for December. One of the day's features was the abundance of foreign selling orders.

Battle With Border Bandits.

Silver City, N. M., Aug. 20.—The "Black Jack" gang of border bandits made an addition to their record of crime in this section yesterday. Early in the morning they rode up to the ranch of "Shorty" Miller, on Mule creek, about 60 miles west of here, and calling him to the door shot him, inflicting a wound which will likely prove fatal. A posse of cattlemen was at once organized to follow them, and unexpectedly came upon the bandits on Dry creek, about 25 miles distant from the Miller ranch. A fight ensued, in which Edward Moss was killed and Elgin Holt is reported missing. Officers from Grant and Socorro counties are in pursuit.

Notorious Criminal Located.

London, Aug. 20.—A burglar known as Edward Simpson, now serving a term at Wormwood Scrubs prison, has been identified as J. B. Ford, one of the most notorious criminals in the United States, and wanted in several American cities for a great variety of crimes. On application of the United States embassy an extradition warrant was issued for him at Bow street police station yesterday, charging him with forgery in Cincinnati, where he operated extensively under the name of Charles Fisher. Ford, alias Fisher, alias Simpson, will be extradited in November next, on the expiration of his present term of imprisonment.

HOW TO FIND OUT.

Fill a bottle or common glass with urine and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys. When urine stains linen it is positive evidence of kidney trouble. Too frequent desire to urinate or pain in the back, is also convincing proof that the kidneys and bladder are out of order.

WHAT TO DO.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in relieving pain in the back, kidneys, liver, bladder and every part of the urinary passages. It corrects inability to hold urine and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to get up many times during the night to urinate. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists, price fifty cents and one dollar. You may have a sample bottle and pamphlet both sent free by mail. Mention EVENING HERALD and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The proprietors of this paper guarantee the genuiness of this offer.

Reciprocity With France.

Washington, Aug. 20.—Secretary of State Sherman has acknowledged the recent overture of the French government, through Ambassador Patenotre, for negotiating a reciprocity treaty between the United States and France under the reciprocity clause of the new tariff law, and the secretary adds an assurance that he hopes to take up this important subject at an early day. Careful investigation is being made of the status of trade between France and the United States as a preliminary to negotiation. This has developed that the reciprocity clause will not permit an offer to France of much reduction of duties.

Samuel DeArmitt Arrested.

Pittsburg, Aug. 20.—Samuel DeArmitt, who has been very active in the interests of the New York and Cleveland Gas Coal company during the strike, was finally arrested yesterday afternoon upon the charges of assault, larceny and disorderly conduct, warrants on which were issued several days ago, but which could not be served because DeArmitt was under the protection of the sheriffs' deputies. The suits are brought by former employes of the company and their wives. Mr. DeArmitt was taken before an alderman and gave bail in $1,000.

McLaughlin Leads Kerkan.

New York, Aug. 20.—Hugo Kerkan, of Germany, and Edward McLaughlin, of Pennsylvania, played the fourth of [illegible] their series of six games at straight rail billiards last night at Daly's. Kerkan scored 964 points, making a total for the four nights' play of 3,908. His highest run was 448, and his average 82 9-11. McLaughlin ran 1,578 points, making a total of 4,000 for the four nights. His average was 142 5-11. His highest run was 320 points, which was claimed a record for straight rail billiards.

Another Massacre by Kurds.

London, Aug. 20.—A dispatch from Tabreez, capital of the province of Azerbaijan, Persia, says that the Kurds raided the district of Salmas, on the Turko-Persian frontier. They sacked and completely destroyed two Armenian villages and massacred 200 persons, Christians and Mussulmans, indiscriminately. The Persian government has decided to send more troops to the scene of the invasion.

JAPAN AND HAWAII.

Secretary Sherman's Friendly Reply to the Japanese Protest.

Washington, Aug. 20.—Secretary of State Sherman has submitted to the Japanese government an answer to Japan's last note relating to the annexation of Hawaii to the United States. The answer was delivered to Mr. Hoshi, the Japanese minister, last Saturday. It is in reply to Japan's note of July 10, which up to that time had not been acknowledged.

Mr. Sherman's answer is marked by its friendly expressions toward Japan, which give special satisfaction in view of the somewhat strained relations resulting from the previous correspondence. Two features are brought out by the answer. It reiterates the position heretofore taken by the secretary of state as to the right and propriety of annexing Hawaii to the United States. With this, however, is coupled an assurance that the interests of Japan in Hawaii will be fully safeguarded. It also expresses satisfaction at the plan of arbitration between Japan and Hawaii on the question of Japanese immigration to Hawaii.

The Japanese legation is reticent over the secretary's letter, although there is no effort to conceal the satisfaction felt over the friendly spirit displayed throughout Mr. Sherman's answer. The attention of the Tokio government has been particularly directed toward these expressions of good will.

STOCK AND PRODUCE MARKETS.

Selling For Foreign Account Robs the Market of Its Strength.

New York, Aug. 19.—The stock market today continued to show itself sensitive to unfavorable influences to a marked degree. At no time during the day did the course of price indicate any aggressiveness of strength. The liquidation at times was quite heavy, especially in the international stocks and the grangers. The principal factor in the situation was the heavy selling for foreign account of wheat, sales for that account being estimated at between 2,000,000 and 3,000,000 for the day. It was but natural that the depression should be caused by the disposition of foreigners to sell back to us the wheat they have purchased. This developed in the situation gave the greatest aid to the professional bears, who have been working so persistently for the reaction in the price of stocks. They were also assisted by the reactionary tendency in the London stock market. Closing bids:

British Seamen Court Martialled.

Portsmouth, Aug. 20.—The court martial of two seamen of the British battleship Royal Sovereign developed the fact that the complaints recently made by seamen were greatly exaggerated. The prisoners pleaded guilty of gross insubordination and of striking their officers. One of them was sentenced to a year's penal servitude and the other was condemned to receive twenty-four lashes and to undergo three months' penal servitude. Both of the seamen were dismissed from the service.

NOT A WHISPER

But the Trumpet's Clarion Note Sounded by a Scranton Citizen.

At first only the faintest echo reached to the coal regions. It came in the onward march through the State awakening echoes of good cheer to many of each triumphal step. Now 'tis here, and the trumpets notes of truth are daily sounded and doubt remains no more. This time 'tis in Scranton, the bustling cry of the miners. At 1120 Marion street resides Mrs. J. Fils and her evidence is added to that of many another in this region. This is how she tells it: "After being troubled six years with kidney disorders, I one day noticed an advertisement of Doan's Kidney Pills. My best efforts to get rid of my trouble had failed but I determined to try once more, and got a box of pills at Matthews Bros. Drug Store, and I am indeed glad of this determination, for Doan's Kidney Pills are all that is claimed for them. They are easy to take and leave no disagreeable after effect. My affection varied sometimes, worse than others, but I have never been free from the trouble in all these years. The warm weather seemed to affect me worse, and during that season the passage of urine was accompanied by severe pain. I had considerable pain in my back at night, and upon rising in the morning my limbs and back were stiff. I had stomach trouble, too, but that together with all the other ailments has vanished. I have told my friends about the great good Doan's Kidney Pills have done me, and I shall always praise them and use them myself when necessary, although I have no need of them at the present. Three boxes of Doan's Kidney Pills have made me feel strong and well."

YELLOWSTONE PARK.

A Complete Tour via the Pennsylvania Railroad.

The Yellowstone National Park is unquestionably the most interesting region on the globe, for within it is displayed the greatest collection of nature's manifold wonders. Indeed, this mountain-bound plateau, high up on the summit of the everlasting Rockies, is a veritable playground for the world's giant forces. To stand and gaze upon them in all their marvelous manifestations, the great geyser upheavals, the fierce steam blasts, the terrible leap of the river, and the awful canon, is a revelation, an experience to be had at no other point on the earth.

The personally-conducted tour of the Pennsylvania Railroad Company, which leaves New York on September 2, affords the most satisfactory means of visiting this wonderland and viewing its marvelous features. Tourists will travel by special train of Pullman smoking, dining, sleeping and observation cars in each direction. Eight days will be spent in the Park. Stops will also be made returning at St. Paul and Chicago. The round-trip rate, $235 from New York, Philadelphia, Baltimore, and Washington, $230 from Pittsburg, covers all necessary expenses.

For detailed itineraries and full information apply to ticket agents, Tourist Agent, 1196 Broadway, New York, or address Geo. W. Boyd, Assistant General Passenger Agent, Broad Street Station, Philadelphia.

WHEN a well known minister after suffering for years with heart disease, is cured, it is not surprising that he should publish the fact for the benefit of others. Rev. J. P Smith, 1015 Fulton St., Baltimore, Md., writes: "For years I suffered from a severe form of heart disease. I used Dr. Miles' New Heart Cure, and my heart is now in good condition. Recently, other afflictions came upon me. There was humming, painful sensations on top and back of my head. Fifteen minutes reading would make me almost wild; there were pulsings and drawing sensations in my legs all the time, so that I could not sit still. In this condition I began taking Dr. Miles' Restorative Nervine and its effect was simply wonderful. I heartily commend your remedies."
