WYLER is still fighting women and old men in Cuba but does not meet Gomez.

THE Schuykill Democracy are a cheap lot. They prefer a 40 cent dollar to a 100 cent one.

His friends are working energetically to make Seth Low the first Mayor of Greater New York.

THE Schuykill Democracy will be placed in an unenviable position should the state refuse to adopt the Chicago platform.

A SHENANDOAH woman is of the opinion that every lodge or society should be called Klondike, because when a man starts to go there, there's no telling when he will be back.

THE representatives of the Taxpayers Association continue their search after data in the court house offices. What line of inquiry is being pursued could not be ascertained.

A NEAT Yankee trick is reported of a Maine farmer who wanted to get stumps off his land. He builds a temporary fence around the stump and after poking some corn under it in holes made by a crow bar, turns two hungry hogs into the enclosure. The hogs soon root the dirt from the stumps so thoroughly that they are easily dragged out.

AT THE G. A. R. encampment in Buffalo the contest for Commander-in-Chief has waxed hot, with Col. Mack of Sandusky, Ohio, in the lead. Gen. Gobin, of Pennsylvania, is also an aspirant for the honor but one of his opponents, a New Hampshire man, thinks that as the General wants to be governor of the Keystone state he does not need G. A. R. honors—rather a peculiar argument to try to kill a candidate with.

IN Boston the Police Commissioners have inaugurated a system of vacation for the horses as well as their riders. The animals are to have two, and in some instances three weeks in a fine pasture lot. Their shoes are taken off and they are permitted to run at will around the lots which are large and well covered with excellent pasture. The horses are said to enjoy it immensely and return to duty in a much improved condition.

IT apparently, to quote an old song, is so everywhere. A newspaper in New York state says "after a successful candidate has paid his election expenses, met all 'benevolent' demands, and paid his Albany bills, he can not have very much of his original \$1500 remaining." Substitute Harrisburg for Albany and it will fit Pennsylvania legislators very well, unless the legislator knows how to run up "expense" bills.

GRADUALLY the old wooden vessels in the United States navy are disappearing from the service. The old flag ship Lancaster, one of the few remaining, is ordered home from the South Atlantic station for inspection and retirement from active service, and possibly, if the cost of repairs needed will exceed the 30 per cent. limit fixed by the law, from the navy entirely. If she can be repaired for less than the limit she will be used as a training ship.

SENATOR QUAY accepts the gauntlet thrown down by the Business Men's League and will submit his candidacy for re-election to popular vote in all counties which have not held their primaries yet. "It is a pity the announcement was not made two weeks earlier so that the voters of Schuykill could have expressed their sentiments. Had this been done we doubt whether any newspaper would have claimed the last convention as an anti-Quay one when Quay was not an issue and the contests were purely local.

ON Saturday fifty aliens came before the court of Herk county seeking naturalization. A number of the applicants were so densely ignorant that the court stood them aside with the advice that they study up American institutions and learn a little English. In Northumberland county an election booth was placed in the court room and those applicants who

failed to correctly mark their ballots were refused naturalization papers by Judge Savage. In Schuykill there is little improvement over the old way, except increasing the cost of securing the papers for the benefit of the legal fraternity.

For Mayor of Greater New York. New York, Aug. 25.—The Citizens' union and the leaders of the independent movement in Brooklyn have determined to nominate President Seth Low, of Columbia college, for mayor of greater New York, and arrangements are being made for an early consummation of that purpose. An important conference was held yesterday at the office of Lawyer Joseph Laroque, on Wall street, between representatives of the Citizens' union and a committee appointed by the city of Brooklyn. The thorough harmony prevailed at this meeting, and it was the unanimous sentiment that all the forces desiring the election of President Low should proceed at once to make his nomination independent of any party.

Advised His Daughter's Honor. Atlanta, Ga., Aug. 25.—In Talbot county E. L. Low was discovered by C. B. Womble in a compromising position with his daughter. Womble fired on Low, but missed. Low ran, but Womble caught him and beat his brains out with a stone, killing him instantly. He then went to the police headquarters and surrounded. Both men were prominent farmers.

WILKESBARRE TALK. About the Little Eremes to Backache—What Home People think About It.

Mr. John Gibbon is a citizen of Wilkesbarre. Our representative found him at his place of residence, No. 237 Hazle street. Mr. Gibbon has been for a long time the victim of a bad back and kidney troubles. The following conversation held with him will interest many: "Mr. Gibbon," said our representative, "How long have you been troubled with kidney ailments?" "For ten years it has bothered me more or less, being very bad at times." "What did you do for it?" "I tried everything I heard of for which merit was claimed." Here Mr. Gibbon named numerous well-known kidney medicines, and one in particular, a high priced article that he had taken many bottles of, all to no purpose.

"How did you come to take Doan's Kidney Pills?" "Just as so many others have. I saw them advertised and got a box at the drug store of Truck & Co. I thought they might help me a little, and to my surprise they proved the best thing I had ever taken. Nothing has helped me like Doan's Kidney Pills, and I have not been slow to tell my friends of their genuine merit."

"How did your disorder effect you?" "Exactly as you describe kidney complaint in your advertising, and my suffering with pain in the back at times was beyond description. I most emphatically endorse Doan's Kidney Pills and shall do all I can to recommend them to others, for they are worthy of it, and above all, I shall use them myself."

Doan's Kidney Pills are for sale by all dealers, price 50 cents, mailed by Foster-Milburn Co., Buffalo, N. Y. Sole agents for the U. S.

NIAGARA FALLS. THE PRUSSIAN RAILROADS. Our Consul Points Out the Advantages of State Ownership.

Washington, Aug. 25.—Consul Monaghan, at Chemnitz, Germany, has sent to the state department a report on Prussian railroads. "State ownership of railroads," he says, "plays an important part in Prussia's finances. Earning enormous sums, serving commerce and manufactures in times of peace and all strategic purposes in times of war, they have more than justified the arguments that urged the government to own them and the liberal policies that have put them down and pushed them out into all parts of the empire."

The receipts for 1896-97 have gone beyond the estimate of the budget of 1,020,592,490 marks, and the estimate for 1897-98 is 1,119,210,336 marks, while the total income of the kingdom is only slightly more than 2,000,000,000 marks. After giving statistics in some detail the consul continues: "No other branch of public property pays so surely and so well. The certainty of the receipts, their size, the ease with which they are obtained, their cash character, render them the most useful of all the monies turned into the public treasury. How successfully they are run in other respects, whether better than they would have been under private ownership, it is hard to say. The tendency all over the empire is toward state and city ownership of all kinds of transportation facilities, as well as of telegraphs, telephones and other means of communication.

STOCK AND PRODUCE MARKETS. A Lively Reawakening of Outside Interest. New York, Aug. 24.—The opening of the stock market this morning showed a lively awakening of outside interest, as indicated by a large volume of commission house orders which had come into the brokers' offices over night, and which kept up an animated tone in the dealings during most of the morning. There was also heavy buying of stocks, bonds, interests, and prices of some stocks tipped the year's record. The preferred stocks of reorganized companies were quite prominent, and shares of southern railroad bonds were notably strong and continued firm all day. The strangers were leaders in point of activity and strength, but realizing sales were heavy at a given point in their operations, forming a barrier. Closing bids: Baltimore, 45; L. J. Valley, 20; Chesapeake, 27 1/2; N. Y. Central, 101; Del. & Hudson, 110; N. Y. Central, 101; Del. & Hudson, 110; Pennsylvania, 101; Erie, 101; Reading, 51; Lake Erie & W. 101; St. Paul, 101.

THE DROP IN WHEAT. Eight Cents a Bushel Lower Than the Year's Top Notch. New York, Aug. 25.—The disastrous record of operation by eleven hour bulls was demonstrated in the actions of the wheat market yesterday. Falling to secure the necessary assortment of bull bulls, their belated holders punctured the bull bubble, and prices fell with a crash to a point over eight cents a bushel below the top notch for the year. At the outset, although signs of collapse were manifest in the uncertain wavering of prices and freedom of offerings, the bull leaders endeavored to arrest the threatened deluge by pointing out the comparative steadiness of Liverpool quotations and the frosty weather in the northwest.

For a time these influences had some effect, but the market was unwisely pushed to heavy, and soon broke through all restraints, reaching the lowest figure in the early afternoon, when December, after having opened at \$1.00, sold at 95¢.
