THE BOARD OF HEALTH

Proceedings at the Regular Meeting Held Last Night.

REPORTS OF DEATHS AND CAUSES

Proposed Change Concerning the Placarding of Typhoid Fever Cases—A Special Meeting to be Held Next Wednesday to Appoint a Vaccine Physician.

A regular monthly meeting of the Board of Health was held last evening with three of the five members, Messrs. Spalding, Morrison and Malone, in attendance.

The committee on typhoid fever made a report showing that for the month to date of meeting there were six cases of communicable diseases, as follows: Diphtheria, 3; diphtheritic croup, 1; scarlatina, 1; typhoid fever, 1; total, 6.

The committee on necrology made the following report: During the month there were 28 deaths and one still-born in the borough.

The following communication was read by the secretary: To the Board of Health, Shenandoah, Pa. GENTLEMEN:—Pursuant to a resolution of the Borough Council I forward a copy of a motion adopted by that body as follows:

"Moved that the secretary be instructed to draw the attention of the Board of Health to the nuisances complained of, namely: At the extreme western end of West Coal street, extreme southern end of South Jardin street, extreme southern end of South West street, Centre street (near the Greek church), western end of Strawberry alley, coal pool corner Strawberry alley and Centre street, and request the Board to instruct the Health Officer to abate them at once."

Health Officer Coary stated that some of these nuisances were abated before the last meeting of Council.

The nuisance at the Greek church, he said, is something similar to the Flynn case and the nuisance on Strawberry alley is abated. In the next case application has been made by the parties for sewerage connection.

The secretary was instructed to send an answer to the communication to the Borough Council.

The question of vaccination was brought up. It was stated that Superintendent Cooper insists that school children must have certificates of vaccination.

TO START THE MINES

Quietly Perfecting Arrangements in the Pittsburgh District.

RAILROADS WILL CO-OPERATE!

They Will Bear Their Portion of the Expense of Getting Imported Labor into the District—One Employer's "Generous" Proposition.

Pittsburg, Aug. 23.—It has been definitely decided to start several mines along the Wheeling division of the Baltimore and Ohio railroad.

The preliminaries were all completed last night, and a decisive move may be expected. It was given out that the Cleveland operators had gone to their homes for the ostensible purpose of awaiting the result of the St. Louis convention.

Some of them went, but others did not. Those remaining behind were members of the newly appointed committee whose duty it is to perfect the arrangements for starting some of the mines, and in the end break the strike.

The officials of the railroads at once agreed to co-operate with the operators in bringing about, if possible, an era of activity in the coal producing industry of the Pittsburgh district.
