SOME OF THE COMMITTEE REPORTS

The Grand Army Urges a Readjust ment of Widows' Pensions and the Establishment of National Parks at Battlefields-Textbooks Orificized.

Buffalo, N. Y., Aug. 28 .- The Grand Army has elected its officers for the ensuing year and the encampment of 897 has adjourned to meet at Cincinnoti next wear.

Vesterday's session insted from 9:15 o'clock in the morning until 3:45 in the afternoon, without intermining. Opening under the order of business, the encampment took up the electron of senior vice commander-in-chief Comrade Alfred Lyth, of Bidwell-Wil keson post, of this city, was placed in nomination by Major A. E. Smith, the commander of his post, and was elec-ted unanimously, there being no other romination

The election of a junior vice commander-in-chief was not accomplished until afternoon, there being four can didates and several interruptions to the proceedings of the encampment by speeches and the admission of a com mittee from the Women's Relief corps On the first ballot F. B. Allen, of Con

necticul, the candidate of the naval veterans, led, with G. W. Carpenter of South Dakota second, C. L. Knapp of Kansas third, D. E. Ross of Delaware fourth and J. B. Cummings of Oklahoma fifth.

There was evidently no desire to con-tost the election beyond the first bal-lot, as on the second the delegates began going over to Mr. Allen rapidly and before the roll call had been com-pleted the adjutant general was in structed to cast the vote of the en enupment for him. Dr. David Mack aye, of Dallas, Tex., was elected sur geon general unanimously, and Rev Frank C. Bruner, of the First Metho dist church of Chicago, was in like manner elected chaptain-in-chief.
