DOAN'S STATEMENT.

He Replies to the Aspirations of the Mine Owners.

CHARGES VIOLATED PLEDGES.

He Declares That Operators Agree to Pay the Rate Demanded Under Certain Conditions Which Had Been Fulfilled by the Miners.

Pittsburg, Aug. 20.—Before going to the St. Louis convention last night Patrick Dolan, district president of the United Mine Workers, expressed himself very freely concerning the statement of the press committee of the coal operators. The statement charges M. D. Hatchford, the national president, with making certain assertions that are untrue. It gives the details of the offers made by the operators, and shifts the burden of the blame to Hatchford.

"It is unfair to the miners and their officials to have such statements go before the public for they are misleading and in the main untrue," said Dolan. "Let me tell something concerning what passed between us at that convention. When Hatchford had given his ultimatum and the operators were excited, and some of them very much out of humor, I took the floor. I told them that I looked into the faces of many operators who had repeatedly told me that if the miners' officials succeeded in bringing about a suspension in certain mines that were paying the rate demanded, they would not pay 60 cents, but \$1 a ton. I told them that we had brought about the suspension they asked for, and they knew I referred to the New York and Cleveland Gas Coal company's mines. It seemed absurd to them to accept our proposition to go to work at the rate pending arbitration. I explained to them that we had brought about a suspension of the mines that seemed to bother them so much, and wanted them to keep their promises.

"Of course, it is well known that they would not listen to our proposition. I then appealed to them to use their effort to bring about a conference of operators and miners in all the states involved. I told them that every one present should make an honest effort to bring about such a conference and assured them that the miners' officials would do all in their power to bring the parties interested together. If after every other effort had been exhausted to bring about such a conference had failed, I told them that I would be willing to let loose and act independently for the Pittsburg district and have the support of the local organization. Now, if this was not fair, I would like to know of an argument against it. They refused to be so good as their word on the first proposition and on the second did not even exhibit a desire to bring about a conference of the various states, as I suggested. We are in favor of bringing the question to an honorable and fair settlement and on a just basis. This effort to put the odium on the miners is as unfair as it is unjust, and the public should know it."

It has been decided to start a campaign among the miners of the Wheeling division of the Baltimore and Ohio railroad.

It was learned today that the Gaston district miners who were served by an official of the Pittsburgh and Chicago Gas Coal company with notices to vacate their houses, will resist the eviction. Nearly all of them forfeited wages aggregating \$5,000 when they went out on strike, under conditions imposed upon them by the ironclad contract they had signed. They claim the money is due them and they intend to remain in the houses until the accounts are squared.

Incidents around the camps at the De Armit mines were not exciting yesterday. The strikers entertained the usual church and social gatherings. Preparations for the week's work, which is expected to be full of active operations. This morning Captain Bellingham, with 25 men, went to the Peterson mine where the men at work, the strikers say, are filling New York and Cleveland Gas Coal company contracts. The other members of the camp made the usual morning demonstration against the Plum Creek miners.

The World's Light Harvest.

Duda Peath, Aug. 20.—The ministry of agriculture has issued its annual estimates, in which it describes the world's harvest as extraordinarily light. The total yield of wheat is placed at 575,700,000 metric hundredweight, while the present annual requirements are estimated at 655,150,000 metric hundredweight. It is calculated that for 1897 and 1898 there will be a shortage of 50,800,000 hundredweight. The stocks remaining on hand from 1896 are approximately estimated at somewhere between 38,000,000 and 45,000,000. The total supply for the year, including both the present stocks and the harvest, is estimated at from 610,000,000 to 621,000,000 metric hundredweight.

Certainly you don't want to suffer with dyspepsia, constipation, sick headache, yellow skin and loss of appetite. You have never tried Dr. Witz's Little Early Risers for those complaints or you would have been cured. They are sure pills, but great regulators. C. H. Hagenbuch.

THIRTY YEARS STRUGGLE.

And the Little Conqueror Appears.

The Experience of a Wilkes-Barre Citizen.

Thirty years, in a long time to struggle against an unseen foe, and this has been the experience of Mr. J. J. Miller, a citizen of Wilkes-Barre, residing at 45 Church street. Much could be told about the circumstances surrounding Mr. Miller's case, how he suffered during the war with the small pox. Voluntarily, the exposure and hardships of the campaign, etc., right through to the receipt of his honorable discharge, a lifetime in itself, but this is not the object of this short story of human existence, and we will let Mr. Miller give the facts as he told them to our representative. Said he: "I have suffered for over thirty years from my kidneys. Exposure during the war added to my complaint until it became a confirmed disease. As for remedies recommended and prescribed by physicians, I have used too many to mention. Doctors have had my back thoroughly massaged and I have used in many ways without any relief at all. I used to get up as often as twelve times in a night to pass urine, and it was a high red color, containing sediment. The urine burned in passage. I could not bend or stoop, and it hurt me to turn over in bed. I had a stinging pain in the back and neck every day. I got some Doan's Kidney Pills at Tuck's drug store and began taking them. They helped me the second day of use, and I went at them for keeps. I found I had a genuine kidney cure. I took nearly three boxes, and I feel like a young man. I am as good in my back as a new born child, and thank God I am cured. I have not had a headache since. I got some Doan's Kidney Pills at Tuck's drug store and began taking them.
