DAVID MARTIN ACCEPTS.

He is Appointed Secretary of the Commonwealth To-day.
Special to EVENING HERALD.
PHILADELPHIA, Sept. 11.—During the past two or three days much speculation has been indulged in as to who would succeed General Reeder as Secretary of the Commonwealth. The position had been offered Col. James H. Lambert, but he declined. Yesterday Governor Hastings held a conference with prominent anti-Quay leaders, and this morning the announcement was made that David Martin had been tendered the position and the Philadelphia leader had accepted the portfolio. Both the Governor and Martin confirmed this report.

This appointment was followed by the announcement that Wilbur F. Reeder, of Bellefonte, a law partner of the Governor's, was named to succeed Deputy Attorney General Elkin. There is a rumor to the effect that a like fate awaits other Quay people at the state capital.
The decapitation of Senator Quay's friends by the Governor is looked upon as a plan on the part of the Governor to make Attorney General McCormick the Republican candidate for Governor, and that Hastings proposes to exert all his influence in a war against Senator Quay and his friends.

The Bicycle Contest.
"I wonder who will win the bicycle" is the remark frequently heard by pedestrians as they pass the Shenandoah drug store. This is the last day of the long but interesting contest. At 12 o'clock to-night it will come to a close, and all votes presented after that time will not be counted. The wheels are displayed in the large show windows and the winner will select his or her choice.
The contest is still between Miss Whitelock and Brose Toole. The admirers of the latter have been lacking in interest the past few days, while Miss Whitelock's friends are working hard in her behalf than anytime since the contest opened. The vote last evening was as follows: Miss Whitelock, 34,473; Brose Toole, 23,348, which leaves a majority of 11,125 votes for the former over her opponent. The total number of votes cast has reached 60,821.

To-night's Performance.
Hi Henry's new minstrel, with fifty bright stars, will appear at Ferguson's theatre this evening. This popular company opened the Ashland opera house last evening and was greeted with a large house, and scored a hit. Advice from that place state that it was a capital entertainment, and that laughter and applause was frequent. Hi Henry is no stranger to the theatre-goers of Shenandoah, and the reputation he has deservedly earned in this town in the past is sufficient to guarantee him a packed house this evening. His performance this year surpasses anything he has presented in the past.

South's Cafe.
Hot lunch to-night.
Another Assemblage.
The balloon ascension at Columbia park on Labor Day, under the auspices of the Independent Social Club, was missed by many owing to the lateness of the hour at which it took place and for that reason many requests have been made to the management to have the ascension repeated. A meeting for that purpose will be held to-morrow and it is quite likely another balloon ascension will be given at Columbia park within a few days.

The phenomenal alto, Harry Lighton, is with H. Henry and will sing to-night his big success entitled "The Mother of the Girl I Love."

ORDER IS RESTORED

TROOPS DISTRIBUTED ABOUT THE COLLIERIES IN THE HAZLETON REGION.

THREE MORE STRIKERS DIE.

IT IS EXPECTED EIGHT MORE WILL DIE BEFORE TO-NIGHT.

AUSTRIAN CONSUL ON THE SCENE

A Big Mass Meeting Is to Be Held This Evening to Institute Steps For a Prosecution of the Deputy Sheriffs—Fifty-Two Warrants Have Already Been Issued—Laying Foundation For a Claim of Indemnity By the Austrian Government.
Special to EVENING HERALD.
HAZLETON, Sept. 11, 2 p. m.—Everything has been quiet in this region to-day, so far as the strikers are concerned. The troops commenced to arrive here at 10 o'clock this morning and were distributed at the various collieries.
During the morning hours three more of the injured strikers died and eight more in the Hazleton hospital will probably die before night.
Great excitement prevails in this city, notwithstanding the presence of the troops, and the city is full of strangers.
The Austrian consul has arrived here from Philadelphia for the purpose of investigating the killing of the strikers and taking steps to institute claims for indemnity in behalf of his countrymen if the killing and wounding of them was, as stated in some quarters, unjustifiable and uncalled for.
A big mass meeting will be held at Hazle hall at 5 o'clock this evening to take steps to prosecute the deputies who were engaged in the shooting.
Preliminary steps for the arrest of the Deputy Sheriffs have already been instituted. This far 52 warrants have been issued and will be served after the mass meeting to be held this evening.
Companies E, of Mahanoy City, 67 men; B, of Tanquesha, 61 men, and F, of Girardville, 45 men, arrived here at 11:25 to-day.
The report that an attempt was made this morning to blow up by dynamite a breaker at Audenried is without foundation.
Last night rioter Jones entered the house of Superintendent Gomer Jones and overturned the furniture in every room in search of the Superintendent, but did no damage to the house or its contents. Jones could not be found. This morning, however, he appeared at Audenried and walked about the place with as much confidence as one who had not the least trouble of the kind he has on hand.
PEACE CONTINUES.
Special to EVENING HERALD.
HAZLETON, Sept. 11, 4 p. m.—Peace and good order continues here. The people, as well as the strikers, are gradually recovering from the shock occasioned by the massacre of yesterday, but are very much downcast over it. Outside of the operators and those who find it policy to coincide with their views none can be found here who are not in sympathy with the unfortunate. Each succeeding hour seems to emphasize the case against the Deputy Sheriff's and the feeling against them is intense.
None of the Deputy Sheriffs have been arrested thus far, although the names of all have been secured and the warrants have been issued.
Arrangements are now complete for the big mass meeting which is to be held at five o'clock. The citizens of the town are to cooperate with the strikers in it and it will be held on the common, instead of Hazle hall.
Supt. Lawall, this afternoon met a committee of the strikers and made the proposition for an increase of wages. The proposition will be submitted to the men this afternoon. The Lehigh Valley Coal Company officials have called a meeting of the representatives of all the companies in the region to decide upon a uniform scale of prices. The meeting will be held at Bethlehem at a time to be fixed later.
The Schuylkill county troops are located 15 miles from McAdoo, while the other troops are quartered near Hazleton.

SHOOTING CONTINUES.
Special to EVENING HERALD.
HAZLETON, Sept. 11, 4 p. m.—Peace and good order continues here. The people, as well as the strikers, are gradually recovering from the shock occasioned by the massacre of yesterday, but are very much downcast over it. Outside of the operators and those who find it policy to coincide with their views none can be found here who are not in sympathy with the unfortunate. Each succeeding hour seems to emphasize the case against the Deputy Sheriff's and the feeling against them is intense.
None of the Deputy Sheriffs have been arrested thus far, although the names of all have been secured and the warrants have been issued.

HIS REMAINS LAID AT REST.

Funeral of Ex-Councilman Gallagher Took Place This Morning.
THE CORTEGE A VERY LARGE ONE
County and Borough Officials and Many People From Adjoining Counties Pay Their Tribute of Respect to the Deceased Citizen.

The funeral of ex-Councilman Edward F. Gallagher took place at 9:30 this morning from the family residence on South Jardin street. The cortege was a very large one, in fact one of the largest seen in this town for some time. It included borough and county officials and relatives and friends from Summit Hill, Lansford, Coal Dale, March Chunk, Tanquesha and many parts of this county. The remains encoined in a handsome cloth-covered casket, were viewed by several hundred people before the cortege moved from the residence. The floral emblems were numerous and beautiful, among them being a design sent by the Master Plumbers Association of town, made of immortelles in red, white and purple and representing the National Association colors.

The cortege proceeded from the family residence to the Annunciation church on West Cherry street, where requiem high mass was celebrated, Rev. H. F. O'Reilly officiating. In his sermon the pastor referred impressively to the deceased and spoke of him as a citizen of excellent qualities and a loyal subject of the church. The remains were interred in the Annunciation cemetery. The pall bearers were Messrs. F. J. Gangan, L. J. Wilkinson, J. F. O'Hara, Joseph Manly, James H. Dougherty and M. J. Scanlan. Mr. T. J. Molloney was master of ceremonies and O'Neill Bros. the funeral director. The organizations in line were the Phoenix Fire Company, Knights of Annunciation and Master Plumbers Association, all of town, of which the deceased was a member. The fire bell was tolled while the cortege proceeded from the residence to the church and to the cemetery.

Rejection of the Operators' Offer By the Columbus Conference.
Special to EVENING HERALD.
COLUMBUS, O., Sept. 11.—The miners' conference here this morning rejected the proposition of 65 cents per ton made by the operators. The most important resolution yesterday provided for a 65-cent rate in the Pittsburgh district, all other fields in the competitive districts to be at the same rate. The resolution was tabled. It would have covered all the states. A substitute was offered to-day, providing for the 65-cent rate in the Pittsburgh district, pure and simple. This was defeated this morning.
