**THE O'NEILL CASE.**  
The Label Suit Resumed Late This Afternoon at Pottsville.  
Special to EVENING HERALD.  
POTTSVILLE, Sept. 21, 4 p. m.—The libel case of the Commonwealth against J. Jerome O'Neill was resumed before Judge Savidge this afternoon at 3:05 o'clock. The case was fixed for nine o'clock this morning, but instead of being called a civil suit was tried which occupied the attention of the court until the hour stated. The principals and their small array of witnesses all put in an appearance this morning, and the calling of the civil case was a disappointment to a majority of them.

The first witness called to the stand was W. E. Cole, editor of the Miners' Journal. He was subpoenaed by the prosecution. The witness stated that he could not tell who the Libel Creek correspondent to the Journal was in June of the present year. He testified that he knew of the defendant, Mr. O'Neill, but did not know his first name nor his place of residence. He did not know whether the Journal had a correspondent at Lost Creek or not, as that branch did not come under his department. Mr. Foster attends to that department.

This was the last witness called when our report closed at 4:00 o'clock. There will likely be no further delay in the trial. The court has decided to hold day and night sessions, and immediately after a recess of an hour (probably at 5:30) the case will again resume this evening. Judge Savidge is determined to wind up these suits this week at as early a day as possible.

**Kendrick House Free Lunch.**  
Purée of pea soup will be served, free, to all patrons to-night.

**Heinicke-Trountman Nuptials.**  
At the residence of the bride's parents, Mr. and Mrs. Emanuel Troutman, on West Cherry street, a pretty home wedding was solemnized last evening at 8 o'clock. The contracting parties were their daughter, Miss Sue Troutman, and David Heinicke, of Mt. Carmel, a former resident of town. The wedding took place in the parlor of the residence and was witnessed by only the intimate friends of the bride and groom, and was performed by Rev. Robert O'Boyle, pastor of the Trinity Reformed church. Mr. Heinicke and his bride were attended by Miss Hattie Morris and her brother, Alexander. After congratulations had been rendered a wedding feast was partaken of. Numerous presents were presented to the happy couple. They left for Mt. Carmel to-day where a neatly furnished home awaits them. Last night the Grand Band tendered them a serenade.

**Birthday Surprises.**  
Quite an enjoyable time was had at the residence of Mr. and Mrs. William Flaherty last evening, near the Turkey Run colliery, it being the thirteenth birthday of their daughter, Gertrude. The young lady was greatly surprised when her Sunday school class, accompanied by some of their friends and family, walked to the home where Miss Lizzie Jans, Nellie Bangs, Annie Timmins, Minnie Dabb, Lizzie Lemm, Marcella Davis, Bertha Swindt, Lily Hotsner, Jane Markel, Gertrude Fishburn, Mrs. Mary A. Lewis, and Masters Romeo Blaker, Joseph Powell, Charles, William and James R. Flaherty, Games, singing and other amusements were indulged in, after which refreshments were served, when all retired to their homes greatly pleased with Miss Gertrude as a hostess.

**Balloon Ascensions Come High.**  
Mons. Roberto, of balloon ascension and parachute fame, now seeks prominence by resorting to law. Through the refusal of the management of the Independent Social Club to pay him the stipulated contract price for two ascensions at Columbia park last Saturday, which he failed to fulfill, he has brought a charge against some of the members for violating the laws of Pennsylvania, as they were in violation of the laws of that State. The warrant was sworn out before Justice Toomey yesterday. The club members waived a hearing and entered \$800 bail for their appearance at court.

**Found by the Police.**  
At an early hour this morning the police found a man lying in a semi-conscious condition near the Reading passenger station. An investigation showed that he was considerably bruised and cut about the head and face. The man is unable to give an account of himself and does not know how he received the injuries. He was taken into custody by the officers and taken to the hospital, where he was made comfortable. This morning he was sent to the Miners' hospital. It is the opinion of the police that he fell from a moving train or a trolley car. His name or residence is not known.

**Miner Badly Injured.**  
An accident, which may result fatally, occurred at the Shenandoah City colliery this afternoon. William Wollankas, in company with several other workmen, had fired a blast and was returning to note the results when, without a moment's warning, he was buried under a fall of coal. Both of his legs were broken and his skull fractured. He also sustained internal injuries. Wollankas was sent to the Miners' hospital.

**Death of Mrs. Castle.**  
Mrs. William Castle, one of the oldest residents of Mahanoy Place, died at her home at that place at 9:00 o'clock this morning. The deceased was the mother of Baggan Master William W. Castle, of the Shenandoah branch of the P. & E. railroad. She leaves a large family.

**An Amusing Incident.**  
An amusing incident occurred on the mountain road leading to the cemetery yesterday afternoon. A farmer seated in a carriage was striking a horse in the rear, and when half way up the mountains the rear horse refused to proceed further and pulled the man from the carriage. The horse attached to the carriage proceeded up the hill on a run, while the other animal took an opposite direction, leaving the farmer to ponder over his laughable predicament.

**Designations by the Archbishop.**  
Rev. Charles Cavannah, who since his ordination last May has been curate at St. Vincent de Paul's church, Minersville, and Rev. Corrigan, of the Overbrook Seminary, have been designated by Archbishop Ryan to take the post graduate course at the Catholic University, Washington, from this week on. The term commences October 1st.

**The Vacant Judgeship.**  
A delegation of members of the Bar and others left Pottsville this morning for Harrisburg, where they will appear before Governor Hastings and urge the appointment of R. H. Koch, Esq., to the vacancy on the Bench caused by the death of Judge Weidman.

**THE PAVING DEFERRED.**  
Council Decided a Better Water Supply is of Greater Necessity.

**A SHORT BUT IMPORTANT SESSION**  
The Solicitor and Chief Burgess Are Instructed to Secure an Injunction Against the Lakeside Railway For Failing to Lower the Tracks.

The Borough Council held a special meeting last night and, while it was a brief one, it was one of the most important of the year. The result of the session settles the fate of street paving. There will be none this year. About a score of paving contractors were in attendance at the meeting, prepared to expound the virtues of their respective methods for providing better roads, but Council decided that, under existing circumstances, it would be of more general benefit to devote its energies and resources to an improvement of the water works than to street paving.

The following members of Council were in attendance: Messrs. McGuire, Cookley, Lally, Boehm, Magargle, Shoemaker, Struheim, James, Niswenter, Gable, Brennan, Hand and Murphy.

After roll call President Straugh stated that the meeting had been called for the purpose of considering the paving project and receiving bids, and any other business that would be called to the attention of Council.

There was a momentary silence followed by a motion by Mr. James that Council go into executive session to consider the water question. The motion prevailed and all except the members and secretary of Council retired, among those in retreat being the score or more of contractors seeking the paving contract.

After the executive session the door was again opened and the excited again resumed their work at the rear of the Council chamber. When order was restored President Straugh announced that "I will state, for the benefit of the gentlemen in the rear, that Council has decided to defer the paving question, for the reason that they are about to build another reservoir and the demand for water seems to be greater than paving at this time. We are sorry to put the bidders to the inconvenience, but it is something that cannot be avoided."

A brief silence followed the remarks. There was a drawing out of watches (evidently to see what time the earliest train left for more congenial climates) and the result of the contractors left the chamber posthaste, while others tarried to listen for other remarks.

Mr. Boehm was the first to speak and he spoke on the condition of East Centre street. He was followed by the Chief Burgess, who stated that the ten-day notice had been served on the Lakeside Electric Railway Company to lower its track between Bowers and Union streets.

Finally Mr. Lally moved that the Chief Burgess and Borough Solicitor be empowered to get an injunction to restrain the railway company from running its cars into the borough after three days additional notice to lower its tracks. This motion prevailed and Council adjourned.

**Auspicious Opening.**  
We believe the members of the Cameron Clemens Company will agree with us when we say that the opening of its one-week engagement at Ferguson's theatre last night far exceeded the most sanguine expectations. When all parts of a house become so packed that standing room becomes almost as much in demand as a Klondike stake claim it is time to sit down and, like Napoleon, reflect over the conquerable possibilities. But the success attained was not wholly with the patrons. The vast audience left the theatre as well pleased as any that ever left the hall after witnessing a performance given by any company that can be named at star prices. It can be truthfully stated that no company has given performances at popular prices with equal satisfaction. Louise Arnold always crowded the theatre at matinee and evening hours in the language of the day, she would not be in it with the present combination. It is the strongest that has ever visited the town and we predict a patronage it merits. Mr. Clemens is a brilliant actor and has excellent support in Mr. Willard Lee, Miss Katherine Crogo and, in fact, the entire company. The selection of the support has been judicious and in perfect harmony with the expectations of the patrons of the theatre. One fact should be emphasized—the management strictly adheres to its announcements. Its stage equipments are complete, in fact superior to the facilities afforded by the home management, and all scenic productions may be looked for in metropolitan style so far as the company is concerned. To-night "All the Comforts of Home" will be produced. It is in line with the repertoire of standard plays by first-class companies. There is a rich harvest of entertainments at popular prices while the Cameron Clemens company remains here and we would not be surprised to hear of an early re-engagement.

**The Lamp Still Causing Trouble.**  
The explosion of the lamp in a shanty on East Raspberry alley on Sunday, which called on the fire department, is still causing trouble. The second act took place in the office of Justice Toomey last night when Joe and Agnes Paulinski were sworn out a warrant for the arrest of Lizzie and William Paulinski. Agnes charged the defendants with assault and battery. After hearing both sides of the story Justice Toomey discharged William and held Lizzie in \$300 bail for her appearance at court. A cross suit then followed by which Joe Paulinski was held in \$300 bail on each of William Paulinski, for hitting the plaintiff on the head with an axe. The throwing of an oil can about the floor and the explosion of the lamp were the causes of the fire.

**District Jurors.**  
Messrs. Samuel A. Beddell, of Tanogus; Peter German, of Mahanoy City, and H. L. Daddow, of St. Clair, are drawn to do duty as jurors of the U. S. District Court for the week commencing October 18th. As P. Blaklee, of Mauch Chunk, was also drawn.

**TROLLEY CAR STRUCK.**  
A Lehigh Valley Engine Crashes Into a Car at Ashland East Evening.  
Special to EVENING HERALD.

ASHLAND, Sept. 21.—At the intersection of the tracks of the Schuylkill Traction Company and the Lehigh Valley railroad at this place an accident occurred last evening in which fifteen passengers and the crew of the trolley car had a very narrow escape. The scene of the accident is near the railway station at this place.

Trolley car No. 41 of the Ashland branch, due at this place at 7:45 p. m., was gliding over the rails at a moderate speed, in charge of Motorman John Carey and Conductor Thomas Gaughan. It is not customary at this crossing for the conductor to run to the railway tracks in search of approaching trains, as they have a wide berth of the tracks on either side. But it seems that this time two passengers, carelessly obstructed the view, and unaware to the crew, just as the car reached the railway tracks, an empty engine approached and struck the front platform of the trolley car, throwing it over on one side and smashing it. The motorman jumped in the nick of time. Of the 15 passengers the majority were women, and for some time excitement ran high. Many of them fainted and shrieked at the top of their voices while others suffered more or less from the sudden shock. One of the passengers, John Moran, of Lost Creek, had one of his ankles dislocated. He was immediately sent to the Miners' Hospital. Two of the lady passengers, Miss Mary Lally, of Gilberton, and Miss Brechony, of Mahanoy Place, suffered more from the shock and had to be removed to the Locust Mountain House and medical assistance summoned. Dr. Basler was called in and after administering restoratives they were relieved.

The escape of the passengers and the crew was miraculous, and many of them thought their doom had come.

**MR. SWALM'S LOSS.**  
A Former Townsman's Financial Loss Through Fire.

Fire destroyed the extensive works of the Mayer & Landis File Company, at Twentieth street and Allegheny avenue, Philadelphia, early yesterday morning, and within a few minutes thereafter A. Lincoln Landis, the treasurer of the company, was arrested, charged with starting the fire. The loss occasioned by the blaze is estimated at \$20,000. The plant was to have been sold yesterday under foreclosure, but was postponed.

The Mayer & Landis File Company was organized about two years ago with A. B. Fritz, a Spring City banker, as the president; Harry Mayer, of Philadelphia, vice president; A. Lincoln Landis as treasurer, and H. A. Swalm as secretary. The latter is well known to the readers of the HERALD, as a former resident of Shenandoah for a number of years. He removed to Philadelphia about two years ago, and his loss by the fire of yesterday will be received with much regret by his many friends here.

The burned building was insured for \$30,000 and the stock for \$7,000.

**Injured in a Runaway.**  
An exciting runaway occurred at Jackson's this morning, in which Charles New, the West Centre street butcher, received injuries about the shoulder blade, cut and bruises about the face. Mr. New was engaged in serving a customer with meat when the horse took a sudden fright and made a dash for liberty. By the jarring he was thrown over his head and cramped the reins. At a point on the way to Mr. New's barn, the destination of the runaway horse, he turned suddenly and broke one of the front wheels. This threw the driver out who held on to the reins, after being dragged a distance of fifteen yards, when he was compelled to let go. As the horse reached the barn it ceased running. The wagon was completely wrecked.

**Frisky Horse.**  
A horse tied to a post in front of O'Hara's residence this morning at an approaching team. The animal made a dash for the pavement and freed itself from the post by tearing the bridle. Before it could be gotten under control it was running down White street to Coal, where it was afterwards captured. The damage done was slight.

**Ready For Business.**  
This was the opening day of the New York Bargain store, at 23 South Main street. A glance at the stock will convince everybody that it is an entirely new one, and contains no shelf-worn goods. The new store is headquarters for ladies, conducted on a metropolitan system where you can purchase almost everything.

**Delegates to State Council.**

**FOR SHOOTING DOWN STRIKERS.**  
The Great Strike in the Anthracite Coal Region is Practically Indefinite in Defeat For Strikers, and the Troops May be Soon Withdrawn.

Hazleton, Pa., Sept. 21.—Unless unforeseen developments occur the anthracite coal strike in this region is ended. Yesterday 1,200 men, half of the full complement, returned to work at the Honey Brook collieries of the Lehigh and Wilkesbarre company, as did 500 of 1,200 at Earle's Lattimer mines, while the Cranberry, Crystal Ridge and Harwood collieries of the same company and Cox's collieries in the Drift-on district remained at work. The latter were to have settled the question of strike yesterday, but at the request of the operators held off until next Thursday. The Hazel mines of the Lehigh Valley company are considering the question of returning to work, and will probably do so. Nearly 3,000 strikers have returned or will do so today, and a little less than that number are still out, with indications in favor of their joining the workers.

The only incidents of yesterday were small outbreaks at Lattimer and Eckley, both of which were quickly subdued, and the serving of warrants of arrest upon Sheriff Martin and a number of his deputies. At Lattimer a band of women attempted to drive out the 500 Italians who returned to work. They were armed with clubs and stones, and moved on the engine house and the company store. The raid looked forbidding for a time, and was not ended until three companies of the Thirtieth regiment, with fixed bayonets, had pressed back and dispersed the crowd. A number of Butler valley miners who wanted to return to work at Lattimer were driven back by a body of armed strikers who met them as they came over the mountain, a mile or more from camp. The disturbance at Eckley was an attempt by strikers to intimidate the men who wanted to work, and it, too, was quieted down by the troops without violence.

The break of the strike is practically a victory for the operators, as in only one or two instances have the demands of the strikers been granted, although several companies have consented to consider the grievances.

The warrants for the arrest of Sheriff Martin and his deputies were issued by Judges Lynch and Bennett at Wilkesbarre. They were served here last night, and no resistance was made. The writs contain 78 names, including the sheriff, and the latter has agreed to deliver all the deputies for a hearing this afternoon. A company of the Ninth regiment will escort them to Wilkesbarre.

The information upon the strength of which the warrants were issued was made by Isaac G. Eckert, of Wilkesbarre, and declares that "on or about Sept. 10 James Martin and 78 others did then and there, at the village of Lattimer, feloniously, wilfully and of their malice aforethought, kill and murder 24 men."

General Gobin permitted the service of the writs because he thinks the civil authorities are now able to handle the situation. The gradual withdrawal of the troops is now being considered.

**Lehigh Valley Men on Strike.**  
Scranton, Pa., Sept. 21.—Four hundred men and boys employed at the Heidelberg colliery No. 1, of the Lehigh Valley company, at Avoca, quit work yesterday. They have several grievances, but the principal one is said to be excessive demands. Superintendent Connors and Assistant Superintendent Owens refuse to concede the demands of the men. The strikers are mostly Poles and Hungarians, and at a meeting last night were addressed by orators in their native tongue. They were reminded of the fate of their countrymen at Lattimer and urged to stand firm for their rights, but keep within the law. The men at No. 2 colliery also refused to go to work today, making the total number of workmen out about 550.

**Ohio Miners Resume Work.**  
Baltimore, O., Sept. 21.—All the large coal mines located on the Baltimore and Ohio, Cleveland, Lorain and Wheeling, Piddling banks in Belmont county, were started yesterday, operators paying the 56 cent rate. Two thousand miners returned to work.

Englishart Hummel, of the Fourth ward in Minersville, was appointed together to fill a vacancy.

O. D. Petery was recommended for the appointment of Chief Burgess of Onondago, to fill the vacancy caused by the resignation of P. L. Honing, who moved to Philadelphia. It was endorsed by the Town Council.

John Potts, of Onondago, was appointed a committee in the estate of his son, James Potts, who was declared a lunatic last week. The estate amounts to \$1,000.

John W. Woodward, of Minersville, was appointed tax collector of that borough, to fill the vacancy caused by Ivor Jones' qualifying.

**Backwell Opens.**  
Backwell University opened last Thursday with a very large attendance.
