Eighteen Cases Reported to the New Wealth Making Million-Orleans Health Board.

LEADING PHYSICIAN IN TROUBLE

Dr. Hott, Ex-President of the Board of Realth, Palls to Report Promptly a Number of Cases in His Own Practice, and May Be Prosecuted.

New Orleans, Sept. 21,-The largest number of cases reported on any day since yellow fever first made its apsince yellow fever first made its appearance in New Orleans, two weeks ago, was recorded on the books of the gases. Years ago Dr. Greene board of health last evening at 6 recognised the fact that the o'clock, although at that hour not a chief mental and physical single case had proven fatal during the ills peculiar to Ameriday. There were is cases in all. day. There were is cases in all.

The most sensational incident of the derangements of the nerves and blood. Dyspepsia, in-Joseph Holt, ex-president of the board of health, that he had discovered nine cases among his practice, the first of which had come under his observation on Friday. Dr. Holt wrote a letter to President Oliphant and entrusted it to the mail, and his letter reached the board of health yesterday. But fearing that the letter might not reach its destination in time Dr. Helt sent a special cific for nerve and blood messenger to the residence of Dr. Oli- complaints which has be phant Sunday midnight, giving this in-formation. At the board of health of-the world. fice, when the Holt letter was opened, there was first incredulity, and then criticism of Dr. Hoit because he had ndopted what the board considered an NERVURA irregular way in which to make known

Immediately upon receipt of the letter the machinery of the board was placed a simple vegetable in motion, and inspectors were sent to compound, which in In motion, and inspectors were sent to the various houses where Dr. Holt reported sickness to exist. The places were all disinfected and guards placed in front of them, but the board said it had very little hops of the effectiveness of these measures, since all those who desired were given an opportunity to escape from the infected houses. One of the houses, where are four of the patients, is a fashionable boarding house. Those living in the house, of whom there were quite a number, knew of the existence of fever number, knew of the existence of fever early Saturday morning, and therefore rot out as fast as possible.

ventigate the cases Dr. Holt entered an objection and refused them permission to examine any of his patients, taking the position that he had properly diagnosed, and that, being an expert himself, he had no occasion for further their report the board of health; went into executive session and discussed at length what was termed Dr. Holt's violation of a city ordinance which he himself had passed, and which pro-vides for fine or imprisonment of any physician who fails to report a posi-tive or suspicious case of yellow fever in a period like the present. The board decided to summon Dr. Holt to appear before them and explain his alleged negligence. The result of the meeting will decide whether or not there shall be a prosecution of Dr. Holt in the

Most of the patients in the city are reported as doing well. Trouble in two cases was reported in the effort to enforce quarantine regulations. One man managed to escape from the infected quarter and was chased and arrested. and after being arraigned in court and frightening everybody present, was sent back to his home. A report was re-ceived that a man had appeared in front of one of the infected houses armed with a shotgun and had torn down the yellow fever flag and had taken possession of the premises. A squad of police was sent to the scene

The board of health has sent an appeal to Governor Foster, asing him to supply the board \$25,000 from the sur-plus fund of the state to assist the pers, CHARLES A.
