JOYCE AGAIN ARRESTED.
Charged by Hon. Joseph Wyatt, of Town With Label, special to EVENING HERALD.
MAHANAY CITY, Sept. 24.—Thomas J. Joyce, editor of the Black Diamond, is again under arrest charged with libel, on oath of Hon. Joseph Wyatt, of Shenandoah, late Sergeant-at-Arms of the House.
Capt. R. J. Anderson, of Harrisburg, arrived here this morning, and served the warrant. Joyce waived a hearing before "Squire May, at 2 o'clock this afternoon, and entered bail in the sum of \$500 for his appearance before the Danphin county court. The charge is said to be based upon the same publications as that of the suit John J. Cayle brought against Joy on.

Ask your grocer for the "Royal Patent" flour, and take no other brand. It is the best flour made.
TO THE READERS OF THIS PAPER.
We owe the explanation to set your mind right, and to convince you that Mr. Humbug isn't dead yet. Fortunately, you are too enlightened as to believe such exaggerated talk which one of our competitors had the cheek to put in print.

It is no lie that we are Wholesale Manufacturers of Clothing, and none of our competitors can deny it, as they bought of us thousands of dollars worth of clothing. Well, why can't we sell a suit as cheap as the other man? We buy the goods and make a profit by it, then certainly we can save you the middleman's profit, and for a fact we do sell clothing cheaper than any other dealer in the vicinity.

We are buying the raw material in large quantities at our own figures, which enables us to put the clothing at a much lower figure than a great many other manufacturers.

Our competitors are sore on us because we do sell our clothing at a lower figure than they can afford to sell, and that is the reason why they holler and run us down, to try and chase us out of town, but they might just as well try to stop the flow of the ocean; their effort will have the same result. We are here, well established and to stay.
As a general rule, we don't boast of our wealth as some of our competitors are in the habit of doing, but to give you a point, we will say that our Button Department amounts to more than any other clothing house in this town, not mentioning our lining department, and furthermore that any one of our competitors knows that this is the truth, as they happen to be often at our well-known immense establishment in New York, therefore there is no reason why we should not be able to undersell anybody else.

We are receiving daily new goods, and are able to serve the people of Shenandoah and vicinity at prices far below others, and superior in make and fit.

In the short time since we have established the good name of being the Cheapest Clothing House in the County, and the talk of the town is the price of our ready-made garments, as well as our custom made suits.
We are ready to put up affidavits signed by any number of your best citizens, that we are no humbug, neither are we throat-cutters like others; we don't ask you \$15 for a suit or overcoat and sell you the same for \$8.00, but we give you full value for your money. Our motto is, "Satisfaction Guaranteed or Money Refunded." That is more than any of our so-called merchants are doing.
Give us a call and you will be convinced that we are the only fair and square dealers of clothing in this section of the county.
Yours most truly,
FAMOUS CLOTHIERS,
Main & Oak Streets,
Shenandoah, Pa.

Old, Young People.
People age quickly in this American life, and instances of premature death are pointed to as remarkable. We are educated to believe in early decay of physical beauty and strength, especially in our women, and permit the decline to continue with a passing sigh. Most women have a worn look in the early twenties; the figure loses its roundness, the face the glow of youth, and from that time on they age rapidly. All this is wrong and unnecessary. Let everybody to whom this world may come, men and women alike, consult Dr. Greene, and learn from his great experience the cause of your trouble, and secure its irrevocable relief. Dr. Greene, discoverer of the famous Serruval, and many other wonderful remedies, invites consultation at his office, 33 West 14th Street, New York City, either by personal call or by letter through the mail, and in either case he will give you advice absolutely free of all charge. This offer is for everybody, old and young, rich and poor, and thousands of happy people testify to-day to the practical nature of the experienced advice of this great specialist and the marvelous curative power of his remedies. Don't be satisfied to grow old prematurely when the advice of this famous physician is at your disposal for the asking, wholly free of charge.

THERE IS NOTHING
That will add to a man's appearance more than a good fitting stylish suit of clothing, and now we want to tell you something about the clothing we are going to sell this fall. We will guarantee every suit sold by us to be the best that can be bought for the price. If you get a
\$1.00 or a \$16.00
Suit we guarantee you get a better bargain than you can get anywhere in the state, and we also wish to inform the public that our line of \$5.00, \$6.00 and \$7.00 suits are better in material, make and workmanship than those \$10.00 and \$12.00 tailor-made suits that are being advertised by other dealers. We can prove that there is more wear in our suits than there is in those so-called tailor suits. Our suits are made to wear and give satisfaction to the wearer. That is the principal reason why we are the leading clothiers of this part of the state to-day. People like our clothing and are aware of the fact that in dealing at this store, which has an established reputation, they are assured of getting satisfaction. Our immense trade compels us to carry an immense stock, and in our large store room can be found more stock than all other clothiers in Shenandoah put together. Every inch of room is taken up and they are still coming in. We carry more stock in our store than any wholesale dealer in New York or Philadelphia and don't it stand to reason then that WE, in buying thousands of dollars worth of clothing, get better inducements than those other small stores. Why, sure, we do; we get every possible inducement that is offered, we take advantage of them and we therefore sell our goods cheaper than other dealers buy them. You can rest assured that we have everything in the line of stylish goods for this season in Plaids, Browns, Cheviots, Blacks, Blues and any other color you may wish. We give a perfect fit, it don't matter if you are thin, fat, short or tall. It is a pleasure for you to come and examine our Children's Suits, which take up a half block. Every mother that wants a stylish Blouse, Junior, or Reefer Suit, or a good warm Woolen Suit for her boy, knows that this is the place to buy them. We have everything stylish and good at prices in strict accordance with the times. Our Overcoat, Children's, Pants and Gents' Furnishing Departments, are over-crowded with stock and everything is being sold at their lowest prices; that is 40 per cent. cheaper than all other stores in this county.
