> No need to fear the approach of croup if you have Dr. Thomas' Eelectric Oil in the count. Never was a case that it wouldn't ouro if used at the outset.

> > The Vermonies

To be seated in a comfortable theatre and e able to witness the scenes and incidents of a contest that took place some three thousand miles away, every little detail and action of which is as clearly reproduced as if one nit would have been posh-poshed by the oding scientists of fifteen years ago, and yet this is exactly what the Veriscope does to-day. Every little move undo by the principa's and seconds is clearly and ac-curactly shown. From the tipe the two contestants enter the ring, draped in the ladds of their long bath robes, through the entire foorteen rounds of the contest suffithe final blow is given and Corbett falls to the floor; the mod rush he makes for his opponent on his recovery a couple of second after the fatal ten seconds have been counted. and the final scenes where the crowd breaks into the ring, all are shown in a life-like manner that is most astenishing even in this programive ago of electrical mience. These pictures, which are the only original ones of ing up tracts of hard in that vicinity the its to-merrow evening. Sept. 30th on the strength of developments in the Price 25, 25 and 37 cents.
