Although General Acaragua has tendered his resignation and the queen regent has requested him to remain in office until she has had time to consult the various political leaders, yet it is known that he is anxious to remain in power, and hopes to be in the end entrusted by the queen regent with the construction of a new Conservative cabinet.

A special from Havana says that General Weyler has resigned.

CENTRAL AMERICAN WARFARE.

Incidents of the Recent Abortive Revolution in Guatemala. San Francisco, Oct. 1.—The steamer Sanabria arrived from Central America ports yesterday with the following details of the revolution in Guatemala.

On Sept. 5 J. L. Castillo, aide to Morales, arrived on the scene with an immense force of reinforcements from neighboring provinces, and after a sharp engagement took the city of Quetzaltenango.

Meantime Barrios was carrying matters with a high hand among the rebels within the citadel. Nestling money he applied to Don Juan Arriola, a well known capitalist, through the medium of General Roque Morales, who is noted for his cruelty.

THE MUNICIPAL LEAGUE.

Mayors Perfect an Organization Under Not Flattering Circumstances. Columbus, Oct. 1.—By its action yesterday afternoon in the election of a permanent executive secretary the conference of mayors struck the rock which, in the opinion of many members, seriously threatens its possibilities for usefulness and success.

John McVickar, of Des Moines, Ia., was elected president; Mayor Collier, of Atlanta, vice president; Mayor Black, of Columbus, treasurer, and a board of trustees.

It was decided to hold annual conventions for the discussion of contemporary municipal affairs. Any municipality in the United States or Canada may become a member.

Every city holding membership shall be entitled to send its mayor and as many members of its general council and its board of aldermen as it may desire as delegates to the annual meeting.

Detroit, Mich., was chosen as the next place of meeting, the other candidates being St. Paul, Niagara Falls, Birmingham, N. Y., and Atlantic City.

After the adjournment Mayor Josiah Quincy, of Boston, said that Boston could not join an organization of this sort, already weakened by an embarrassing and an embarrassing alliance with a private business enterprise, and many other cities would feel the same way.

Other delegates predict the failure of the Municipal League if it is to be run as a side show to a monthly publication. There are some of course, who are enthusiastic over the outlook.

Mutineers Promptly Subdued. St. Johns, N. F., Oct. 1.—The Dutch tank steamer Rotterdam sailed at noon yesterday, twenty days the crew had mutinied, and the captain and officers of the vessel armed themselves and tried to arrest the ringleaders.

The police assisted, and finally the British warship Pelican sent a boat crew to the help of the captain. In the face of these odds the mutineers weakened, and agreed to do their duty. The failure of the Labrador fishery is complete.

Bele Panchob bank Robbers Caught. Deadwood, S. D., Oct. 1.—Officers have arrived from the Hole-in-the-Wall country, having in their custody the three missing Belle Panchob bank robbers.

Their capture was effected only after a lively fight, in which one of the robbers, Frank Jones, was wounded in the arm. The men, who give their names as Frank Jones, Tom Jones and Walt Patner, deny any connection with the robbery of the Belle Panchob bank, or that they are members of the Curry gang, so badly wanted in the northwest for various crimes.

One of the posse which arrested them was a witness to the holdup, and is positive that they are the right men.

Certainly you don't want to suffer with dyspepsia, constipation, sick headache, sallow skin and loss of appetite. You have never tried Dr. Williams' Pink Pills for Pale People, have you? You would have been cured. They are small pills but great regulators.
