THE CASE OF SANGULLY ITS WEIGHT IN GOLD.

Discussed by the Released Cuban Prisoner's Counsel.

CLEVELAND AND OLNEY PRAISED

Their Attitude in Ignoring the Belcase of Julio Sanguilly is presented in and common trouble.

Hannis Taylor. As a whole, the document upholds the course of President Cleveland and Secretary Olney, and points out that the agitation in Sanguilly's behalf in congress served only to prejudice his case.

and used both according to directions. I was a secondary and used both according to directions. I was and used both according to directions. I was a secondary and used both according to directions. I was a secondary and used both according to directions. I was a secondary and used both according to directions. I was a secondary and used both according to directions.

to prejudice his case.

Through an exuberant effusion of particle seal and most commendable humanitarian feelings on the part of certain members of the United States sentate; through anoble, aithough misguided sentiment of generous compassion, industriously worked up in their minds and in the minds of the Kind hearted people of this country by wilful misperseemation of the facts of the case, and by stories propagated by fafes friends and intruders about wrongs and sufferings and indignities perpetuated are attempted to be perpetuated at attempted to be perpetuated; through the desire of certain Cuban agritators, without authority to speak for the priseners, of posing as his friends urging extreme measures and precipitating, if possible, a conflict between the United States and Spain, aiming at no other end and specing no other things than the adseeking no other things than the ad-vance of the cause in the advocation

of which they were engaged; through the temptation into which many a distinguished public man of this country seemed to have been led of converting a case which involved the liberty and perhaps the life of a citizen of the

a case which involved the liberty and perhaps the life of a citizen of the United States of America into an instrument of opposition to the ideas and principles represented by Prosident Cleveland and his secretary of state.

Mr. Oiney: though the vociferation of certain part of the press, and through many other causes and circumstances, a condition of things which might have proved fatal was created at once.

"A measure of doubtful justice, and of more than questionable efficiency, calculated perhaps more to irritate Spain and embroif the United States of America in a war with that nation than to save Sanguilly, and grounded upon an imperfect knowledge of the facts of the case, was attempted to be runhed through the United States senate exactly at the same time in which the determination already reached by Spain to comply with the wishes of the United States of the United States of the United States senate exactly at the same time in which the determination already reached by Spain to comply with the wishes of the United States of the United States of America and set Julio Sanguilly at liberty was being curried into execution.

long as the Culan war should give the
slightest sign of existence. And as at
the same time he never thought that
in spite of undoubted Spanish determination to keep Sanguilly within
the walls of Fortress La Cabana more
for fear of what he might do if released than for anything else, there
was any reasonable possibility of turning Sanguilly's case into a casus belli
or of making it the subject of belligerent demonstrations or displays of

ent demonstrations or displays of Por this reason it was determined that diplomatic action toward a pardon would best serve Sanguilly's interests. Sanguilly himself approved this.

The Sanguilly case reveals the fact that all attempt, no matter how much accompanied by noise and alleged popular support to force upon the administration an undesired attitude, or to dictate to it the manner and the form in which its duty must be per-formed, is foolish to the extreme, and

fangerous, even if it is sincere.
"Had it not been for this giant who is called the American government, had it happened for its executive and diplomatic department to be entrusted to less faithful hands or to persons of less supreme manliness and political honesty than President Cleveland and
