WATCHMAN ASSAULTED.
Two Masked Men Attack the Lost Creek
Track Walker.
At about three o'clock this morning, while
Owen McDonald, the track walker and
watchman employed by the Lehigh Valley
Railroad Company at Lost Creek, was stroll-
ing along the track he was suddenly con-
fronted by two men who grabbed him by the
coat, took his lantern from him and threw it
down into a mine trench. The assailants
then gave the watchman a push that forced
him over an embankment. One of his legs
was severely bruised by the fall, but he sus-
tained no other injury. McDonald is
about 65 years of age. Several months
ago he was attacked in a similar manner by
Matt Judge, of Lost Creek, who is now in
the State Penitentiary for a robbery.
The watchman says the men who assaulted
him this morning were masked with handker-
chiefs, and he is unable to tell who they
were. It is the opinion of some people that
the assault was one of revenge by some of
Judge's friends. Others believe it was a
part of a persecution inaugurated with the
fact that McDonald will resign his position
and leave a vacancy for some friends of the
assailants. There was no attempt at robbery
in connection with the assault. A track
walker at Centralia was assaulted in a similar
manner about a week ago.

Delving for Fraud.
Efforts Being Made by Chief Burgess
Tabor's Creditors.
The taking of testimony under the rule to
dissolve the attachments of Armour & Co.
of Chicago, and E. E. Blinn's Sons, of Allentown,
against Adolph P. Tabor and Justus
Sollittowski continued in the office of M. M.
Burke, Esq., until a late hour yesterday af-
ternoon. It is approximately little satisfaction to
the creditors, Mr. Tabor was under exami-
nation during the entire session. His evi-
dence was given in a manner that impressed
those who listened with the belief that the
witness was frank and making no attempt at
concealment. During the close of the ses-
sion W. P. Ramsey, Esq., one of the counsel
for the creditors, said he would feel pre-
pared to hold an evening session, as he de-
sired to consult with P. B. Adams, Esq., of
New York city, the legal adviser of Armour &
Co., on the evidence taken during the afternoon.
Mr. Tabor added to his testimony as re-
ported in yesterday's Herald that the \$1,000
he received from the Sollittowskis on the day
of the sale, in addition to the \$1,500 he had
previously received from them, he used to
pay a note he had given to Andrew Meluskey
and Lewis Ambrose for the three months
dated May 20th, 1897. The
cancelled note was produced. On
further examination, Mr. Tabor said
the value of the fixtures in his Shenandoah

**COUNCILMEN
IN SESSION.**

Routine Business Occupied Their At-
tention Last Night.
SEWERAGE THE LEADING TOPIC!
Right Granted For a New Line on South
Main Street—Mr. Oakley Lodges Com-
plaint Against the Chief Burgess
and an Investigation Will
Follow.

A regular meeting of the Borough Council
was held last evening and the business
transacted was of a routine character, with
nothing of special importance having been
acted upon, or suggested. The Councilmen in
attendance were Messrs. McGuire, Lally,
Oakley, Boehm, Shoemaker, Straub,
Janice, Newenter, Galie, Brennan and
Hend.
Alexander Kontantowich appeared before
Council and stated, through Chief Burgess
Tabor, that Mr. Tierney, of South Main
street, was demanding \$65 from each property
owner for the privilege of connection with a
sewer that only cost about \$100. Mr. Kontan-
towich asked, in behalf of himself and Jerome
Shalawitz, John Waskawitz and Mrs. Nell
Neils, that permission be granted to connect
other sewerage with the borough sewer and
permission was granted on condition that
anybody else in the vicinity be allowed to
connect with the same line upon paying pro-
rata share of the cost.
Mr. Boehm, of the roads and highways
committee, stated that the borough sewer
line in the 5th ward was completed and the
Chief Burgess and Health Officer should en-
force the extension of the two private sewer
lines at Catherine street at once, so that the
street may be opened and the much talked of
business abated. Mr. Boehm also stated
that, after consultation with the Borough
Surveyor and measurements by the Chief
Burgess, it has been decided that the Sheu-
andoh Beef Company was not occupying any
part of Bowers street.
Mr. James recommended Mrs. Rose and
Mrs. Reeves, of South Main street, and Mrs.
Rennin and Mrs. Major, of the First ward,
for exoneration from taxes and Mr. Galie
recommended Mrs. Loftus. The cases were
referred to the finance committee.
Mr. James said there should be an electric
light at the corner of White and Cherry
streets, but no action was taken.
It was decided that Council attend the
funeral of Policeman Henry Goodman in a
body on Saturday, 9th inst., at 1 p. m., and
that the secretary prepare suitable resolutions.
This was done and the resolutions were
adopted.
Mr. Oakley stated that he had been in-
formed that the Chief Burgess had let out
from the borough a man plow the lot be-
hind a stable. A discussion was about to ensue,
but was cut off by Mr. Boehm's motion that
the matter be referred to the lamp and water
committee for investigation and report at
the next meeting.
Grades furnished by the surveyor for Straw-
berry alley, Myerson, Choutant and Catharine
streets, Catharine street, between Eastberry
and Strawberry alleys, and Lloyd street, be-
tween Gilbert and Catharine streets, were
adopted and the drafting of an ordinance
ordered.
It was decided to increase the street com-
mittee's appropriation \$1,000 and the com-
mittee to employ a man plow the lots be-
hind the appropriation for incidentals.
Mr. Newenter was appointed to Mr. Galie's
place on the Construction committee upon
the latter's request after Council had declined
to relieve Mr. Galie from the water com-
mittee. Mr. Newenter was also appointed to
relieve Mr. Boehm's place on the lamp and
water committee.
Mr. James said the Chief Burgess or High
Constable should notify the Lehigh Valley
Railroad Company to put in a gutter on South
Main street.
On motion of Mr. Conkley it was decided
that the Health Officer and Chief Burgess
have a plan of gutter on the flats on West Coast
street removed as nuisances.
During the discussion of affairs pertaining
to the water works Mr. Galie said the water
committee had reached the conclusion that
very little, if any, water escapes from the
Fowler's Run reservoir. The pipe for the
direct connection has been ordered. It has
been decided to raise the main valve a test.
If satisfactory it will probably supplant the
valves now in use.
A mandate has been issued by the court,
returnable on the second Monday of Novem-
ber, for the payment of the A. J. Womelsdorf
claim of \$1,013.34. On motion the law com-
missioner Solittow was instructed to make
the best settlement possible in the matter.
The report of the Chief Burgess for the
month of September showed: Fines col-
lected, \$22; theatre license, \$25; building
permits, \$1; total, \$48.
The Chief of Police report was as follows:
Arrests, 16; paid fines, 11; served time, 3;
logage furnished, 10; fines collected by
Burgess, \$22.
President Straub stated that Rev. Van
Fossen had complained of annoyances about
All Saints' church during services and the
attention of the police was directed to the
matter with instructions to make an example
of the offenders if necessary.

**MONSTROUS
OUTRAGE!**

Young Married Woman Assaulted by
Elyven Fiends.
MAY BE SENTENCED TO DEATH!
The Offense a Capital Crime in Kentucky,
Where the Assault Was Committed.
The Prisoners Removed From
Newport to Provest
Lynchings.

Newport, Ky., Oct. 3.—AN ANGRY
crowd gathered about the court house
and jail here yesterday upon the an-
nouncement of a most shocking assault by
11 men upon the young wife of a
switchman, recently married, Thomas
Gleason and his wife started out on
Wednesday night, when two men with
revolvers, and representing themselves
to be officers, separated husband and
wife and dragged the shrieking woman
into a field, where 11 men assaulted
her.
Yesterday the gang of ruffians were
brought to preliminary trial before
Judge Bennett, when, upon the testi-
mony, held them all to answer to the
grand jury without bail, the offense
being a capital one. The idea of a
special grand jury was abandoned, as
the regular jury meets Oct. 15. Mean-
time, owing to the excited state of feel-
ing and the insecurity of the Newport
jail the men were ordered to be taken
to Maysville yesterday afternoon for
safe keeping.
When the time came for the removal
of the ten prisoners (one being still
held for further identification) to the
Chesapeake and Ohio depot, the crowd
gathered about the station, a man with
a menacing crowd about the jail that the
sheriff called out the entire police force,
day and night, to preserve order. It
was with difficulty that the men were
taken to the two wagons which con-
veyed them to the depot, and the crowd
followed closely after. At the depot
and before the train arrived the situa-
tion grew more threatening. The crowd
jeered the prisoners and shouts of "Don't
let them get on the train," were
heard. The police force finally had to
charge the crowd and prevent a
rush at the prisoners. Fortunately the
train soon came and the men were safely
embarked.
The prisoners are aged from 19 to 30,
mostly without employment. Two or
three are street peddlers, and all are
of the profession of a gang going to-
gether and often found in trouble with
the law. Their names are "Dad" Meiner,
George Geer, Huber Miller, Edward
Hending, Frank Bushmiller, Harry
Bennett, John Shannon, John Du-
foss, Matt Meiner, and William Schorle.
In jail awaiting identification is
John Creston. He was later identified
by Mrs. Gleason. The other ten
were recognized by Mrs. Gleason in the
crowded court room. The men exhibited
the most reckless bravado, one or two
being drunk while in the court room.
They were very insolent and displayed
total indifference and unconcern.

SAYLOR MAY GET A PLACE

The Outlook for Ex-Senator Coyle Not So
Good, However.
WASHINGTON, Oct. 3.—The President, yester-
day received what will probably be his
last talking about the case of Senator Saylor,
of Montgomery, who wants a place in the
diplomatic service. To make this final ap-
pointment, Senator Patterson went with him to
the White House, accompanied by Congressman
Bingham, Wanger and Brumm.
The appointment of ex-Senator J. J. Coyle
to a consular place, preferably that at Rio de
Janeiro, was urged in addition to that of
Senator Saylor to a diplomatic mission.
Senator Patterson seems to have no doubt that
the President will take care of Senator
Saylor in a few days, possibly this week, by
giving him one of the few remaining foreign
missions. He does not talk so confidently
about the case of ex-Senator Coyle.
