A Railroad Promoter Who Worked Off Bogus Checks,

STEALINGS AGGREGATE \$400,000.

Among His Victims Are Henry Clews. the Banker, and John Wansmaker, Ex-Postmaster General-He Swinaled Hotels Right and Loft.

New York, Oct. 8.-Emmat B. Gibson, alias George B. Sherin, a railroad pro-moter, who claims that he was at one time a holes in Ohio and who was once president of the Akron (O.) Street Railway company, and is now vice presi-dent of the company, was arrested yesterday afternoon charged with laying down bogue cheeks, beating hotels out of board bills and carrying on swindling operations of various kinds, amounting to almost \$400,000.

The police say that Gibson is the most accomplished bogus check and hotel swindler in the country. Gibson, arroading to the police, has succeeded, by means of forgery, bogus checks and dealings in stocks and bonds and playing his wiles upon first class hotel-keepers during the last four years, in getting and spending in the neighbor-hood of \$400,000. Among his victims, according to Police Captain McClusky, are Henry Clews and John Wansmaker.

The police had been getting com-plaints from different first class hotels in this city for many days back. Boin payment for board bills. The checks were honored in simost every case, their worthlesseness only coming to light when he had made himself scarce. Complaints reached headquar-ters from the police of cities both in the east and the west, and the police recognized Gibson's bandiwork,

The specific complaint entered on the auditor of the Imperial hotel. He alleges that Gibson was a guest at the hotel on Aug. 6 of last year, and presented a worthless check for \$50 in payment of a \$56 hourd bill. payment of a \$265 board bill. Gibson "put down" the check and went away

Mr. Charles Glenn, of 1563 Dudley St., Cincinnati, is one of the many who constantly praise S S.S. for giving him back his health. He says:

"From childhood I was afflicted with a terrible blood disease, and have taken almost every blood remedy on the market, but my case was deepsented, and one by one they failed. The large, red blotches increased in size and number, and soon covered my entire body.

"My parents had me treated by a mumber of physicians, but the disease was too much for them, and after their temporary relief was over, I found myself growing steadily worse. This I grew into manhood, handicapped by a terrible disease and having tried so many reme-
