THE Freeland School Board will in the future observe the semi-monthly pay law, and the teachers will receive their salaries twice a month.

VICAR GENERAL KOCH, PASTOR of St. Edwards Catholic church, Shamokin, in his sermon on Sunday dwelt at some length on the immorality in dances, and severely denounced the method in which some of them are conducted.

SILENCE is maintained by Senator Quay, at his Florida resort, in relation to the organizing of his friends from state offices and the appointment of David Martin as the successor of Gen. Reeder.

PERTINENT to the charge made that farmers in the Catawissa valley had combined to raise the price of produce, is the proposition made that a curbstone market be established in town whereby the farmers who are growing rich off this community be made to pay a share of its expenses.

THE Coal Trade. Everything points to a critical period in the anthracite coal trade, and some startling developments are expected in the near future.

TO CURS NERVOUS DYSPEPSIA. To Gain Flesh, to Sleep Well, to Know What Appetite and Good Digestion Mean, Make a Test of Stuart's Dyspepsia Tablets.

Interesting Experience of an Indianapolis Gentleman. No trouble is more common or more misunderstood than nervous dyspepsia.

During the past week representatives of coal dealers in Philadelphia, New York and Boston have been in the region looking after the interests of their respective firms, and they all give it as their opinion that the outlook for the trade is such as to assure full time at the collieries for the balance of the year.

There is an increased demand for anthracite coal, and prices will be advanced. While the anticipated advance has not yet taken place, it is a question of only a few days when it will not only warrant but to compel it.

Mr. A. W. Sharper, of No. 61 Prospect St., Indianapolis, Ind., writes as follows: "A motive of pure gratitude prompts me to write these few lines regarding the new and valuable medicine, Stuart's Dyspepsia Tablets."

There is another factor in the causes of the present status and that is speculators. Heretofore it has been customary for dealers and speculators to lay in stocks during the summer months and take advantage of the advancing prices in the winter.

The speculators, however, were not so safe this year as they have been formerly for the reason that there was not very much ready money on hand.

Had there been they would beyond a doubt have begun laying in stocks late in the summer of last month, when it was evident to them that the prices were going up in spite of all they could do.

It is safe to say that Stuart's Dyspepsia Tablets will cure any stomach weakness or disease except cancer of stomach. They cure sour stomach, gas, loss of flesh and appetite, sleeplessness, palpitation, heartburn, constipation and headache.

Send for valuable little book on stomach diseases by addressing Stuart Co., Marshall, Mich. All druggists sell full sized packages at 50 cents.

late in the summer of last month, when it was evident to them that the prices were going up in spite of all they could do. The advance price expected this month when it does come will be forced by the dealer, and not be an artificial increase made by the companies.

Inherited Blood Taint.

Here is a case of inherited blood taint which resulted in what threatened to be a complete wreck of an innocent young life. The most serious feature of being afflicted with a blood disease is the fact that innocent posterity must suffer.

No man or woman can enjoy life or accomplish much in this world while suffering from a blood taint. DeWitt's Little Early Kidney Pills, the pills that cleanse that organ.

Mr. W. A. Clayton, of Addie, N. C., believes S.S.S. is the only blood remedy which can have any effect whatever upon obstinate cases. He says: "My three-year-old boy had the worst case of Scrofula I ever heard of. He

was given many blood remedies without relief, and treated by the best doctors. He seemed to get worse all the while, however, and the disease finally resulted in curvature of the spine, making him utterly helpless.

S.S.S. is a real blood remedy, and promptly reaches all deep-seated and obstinate blood diseases, it matters not what other treatment has failed. It is the only remedy which acts on the correct principle of forcing the disease from the system and getting rid of it permanently.

S.S.S. is a sure cure for Scrofula, Cancer, Catarrh, Eczema, Rheumatism, Tetter, and all other blood diseases. It is purely vegetable and is the only remedy guaranteed to contain no poisons, mercury or other harmful mineral.

SCRANTON TALK.

About the Little Wonder-Worker—A Personal Interview of Interest. Our representative called on Mrs. T. Roberts at 434 Thirteenth street, and her conversation as given below is but a sample of the Scrofula talk that is going on about the little conqueror.

"Mrs. Roberts I am told you have been a sufferer from kidney complaint, how long did you have it?" "For ten years at least."

"Can you tell what brought it on?" "I can't just say how it came. I first noticed a slight pain in the small of my back which gradually grew worse."

"And of late years your trouble has increased?" "Yes it was very bad at times. I had a dull pain in the small of my back with an occasional pain in the abdomen and groin."

"Was the bladder affected?" "Yes I thought so as during passage of urine an awful stinging and burning sensation existed while there was a soreness in the abdomen as well."

"Was the passage of urine unnatural?" "Indeed it was sometimes excessive and sometimes scanty, if I caught cold I was always worse."

"Were there any other symptoms?" "My stomach constantly gave me trouble. I understand you are cured; what has brought this about?"

"I took Doan's Kidney Pills; they have cured my kidney complaint and the stomach trouble has disappeared as well. I have been relieved of my headache. I am truly happy to say I am entirely over it all now, and I will always find it a pleasure to recommend Doan's Kidney Pills to all who are victims of kidney troubles."

Colonel Ed Watkins, the Democrat, was elected by 995 majority. The Democrats elected six out of the eight aldermen. This city is normally Republican by from 400 to 500. There was a very light vote, only 1,600 being cast.

A GREAT SURPRISE IS IN STORE for those who will go to-day and get a package of GRAIN-O. It takes the place of coffee at about the same price. It is a food drink, full of health and can be given to the children as well as the adult with great benefit. It is made of pure grains and looks and tastes like the finest grades of Mocha or Java coffee. It satisfies everyone. A cup of Grain-O is better for the system than a tonic, because it builds it permanently. What coffee breaks down Grain-O builds up. Ask your grocer for Grain-O. 15c and 25c.

Violent Brigsands on Trial. Vienna, Oct. 12.—The trial of 200 brigands and receivers of stolen property is proceeding at Teichschau, in Servia. The evidence has revealed systematic plundering and murdering of members of the Liberal party at the instigation of Radicals. Deputy Rajitch, a well known Radical member of the assembly, was arraigned as an accomplice of the brigands and the Radical minister of justice procured his release, and it is expected that the same influence will secure the acquittal of the others. The trial has developed horrifying evidence of the torturing of victims with red hot irons before robbery.

For Pin Worms, Eczema, Hives, in fact, any of the various torturing, itchy diseases of the skin, Doan's Ointment is an instant and positive remedy. Get it from your dealer.

Sudden Friendship Ends in Crime. New York, Oct. 13.—Gottfried Tietz, aged 28 years, and Johannes Boysson, aged 28, sailors, met yesterday for the first time at a Washington street boarding house, and spent the afternoon and evening drinking and talking together. Boysson's conversation was mainly devoted to talking about a beautiful girl he had met somewhere on his travels. Finally Tietz said that the tale made him weary. This angered Boysson, and he shot Tietz in the breast, and then shot himself in the abdomen. Boysson soon afterwards died. Tietz's wound is a fatal one.

A Young Girl Attempts Murder. Cleveland, Oct. 13.—May C. Darling, 19 years old, entered the office of H. G. Powell, attorney, in the Cuyahoga building, yesterday, and pulling a revolver fired at him. She missed, and a desperate struggle then ensued between the man and woman. Occupants of the adjoining offices separated them. Miss Darling claims that Powell ruined her. He denies it. She was arrested.

WHAT DO THE CHILDREN DRINK? Don't give them tea or coffee. Have you tried the new food drink Grain-O? It is delicious and nourishing and takes the place of coffee. The more Grain-O you give the children the more health you distribute through their systems. Grain-O is made of pure grains, and when properly prepared tastes like the choicest grades of coffee but costs about 1/3 as much. All grocers sell it. 15c and 25c.

DOUBLE MURDER IN CAMDEN.

Mother and Daughter Killed by Burglars, Who Secured No Booty. Camden, N. J., Oct. 12.—Two women were killed by burglars at 232 Pine street early yesterday morning under circumstances of peculiar atrocity. They were Mrs. Emma Zane, 78 years old, and her daughter, Mrs. Sarah Shaw, 44 years old, both of whom had lived in this house for a number of years.

Mrs. Zane was probably struck on the head with some sharp instrument and was not killed outright, but died at the Cooper hospital a few hours later. Mrs. Shaw, who was shot in the head, died within 20 minutes after the shooting.

Ell Shaw, a son of the murdered woman, who had just arisen from a sick bed, was aroused by the burglars and narrowly escaped being shot himself. He was immediately transferred to the residence of relatives, but he will survive the fact that his mother and grandmother are dead.

It was well known that the woman had money in the house. Mrs. Shaw having collected a small sum of money to be utilized in the erection of a monument over the grave of her husband. It is supposed that this fact being known the burglars effected a quick entry through a window, were surprised while going through the house, committed the double crime to protect themselves, and made their escape without booty.

Murderous Burmah Driven Off. Mandalay, Burmah, Oct. 13.—A gang of 25 Burmese, armed with long knives, rushed through the south gate of Mandalay for Monday night and made for the residence of Major Doolittle, but they were driven off by the British officers and Sepoys on duty. Four of the Burmese were killed and four were wounded. Lieutenant Harrington of the British force, and three Sepoys were wounded.

Something to Depend On. Mr. James Jones, of the drug firm of Jones & Son, Camden, N. J., in speaking of Dr. King's New Discovery, says that last winter his wife was attacked with La Grippe, and her case grew so serious that physicians at Camden and Paris could do nothing for her. It seemed to develop into Hoop Consumption. Hearing Dr. King's New Discovery in store, and seeing lots of it, he took a bottle home, and to the surprise of all she began to get better from first dose, and half a dozen dollars had been earned by her sound and well. Dr. King's New Discovery for Consumption, Coughs and Colds is guaranteed to do this good work. Try it. Free trial bottles at A. Wadley's drug store.

is an old saying, as true as it ever was. But whether it is true or not there's no earthly use wasting money. Especially in shoe buying.

Some stores charge for name; some for style; some for greed.

Our School Shoes are good examples of our fair-pricing. Youths' shoes, 75c, \$1, \$1.25. Boys' shoes, 90c, \$1, \$1.25, \$1.50. Children's shoes, 50c, 75c, \$1, \$1.25. Misses' shoes, \$1, \$1.25, \$1.50.

Baltimore Wins the Temple Cup. Baltimore, Oct. 12.—The Temple cup will stay in Baltimore another year. It has been won twice in succession, for the first time in its history, and if the oracles take it again it is theirs absolutely. The former champions also take 60 per cent of the money paid in at the gates during the three games in Boston and the two played here, while the winners of the pennant will get but 40 per cent, unless, as is generally believed, the players have agreed among themselves to divide the spoils equally. Yesterday's game, like all the others of the series, save the first one, was an easy proposition for the Baltimoreans. The score: Baltimore, 9; Boston, 3.

Important License Decision. Pittsburgh, Oct. 12.—A petition for an appeal from the superior court decree reversing the lower court in refusing Jeremiah G. Donoghue a liquor license at Philadelphia was refused, and the petition dismissed. The case is an interesting one. Donoghue was granted a license one year by filing a stipulation with the court in which he pledged himself "in consideration of a license being granted me for the year to June 1, 1897, not to make application for a renewal of said license for the above property." In spite of the foregoing he duly appeared in court a year later. The stipulation was flouted before him. The court observed the pledge and refused him a license. The superior court held that the lower court in the first place had no right to make such terms, and the supreme court upholds the superior court.
