Railway Offices to Move.
Ever since the summer of 1888 when C. M. Lawler, then superintendent of the Shamokin division of the P. & B., removed them from Shamokin, the offices of the Division Engineer have been located at Williamsport, while the Superintendent's offices were at Shamokin. As this caused considerable inconvenience Superintendent Dice has arranged to have the engineers removed back to Shamokin so as to be in closer touch with them. Engineer Stackhouse and his force will therefore make Shamokin headquarters after November 1st. The change will affect seven men.

POLITICAL POINTS.

—Joseph J. Coughlin, the active young School Director from the First ward, is being urged by his friends to enter the contest for the Democratic nomination for the Legislature next year. Mr. Coughlin's conduct since he has been a member of the School Board has shown him to be a young man of more than ordinary ability, and if nominated will prove a strong candidate.

—Congressman Brumm has endorsed John F. Finney, of the Miners' Journal, for the position of Naval Officer at the Port of Philadelphia.

—This is a quiet campaign on the surface, but some effective work is being done by book parties.

—Judge Archibald has refused a new trial in the Joyce-Wyatt libel suit, and the defendant will appear at Harrisburg next Monday for sentence.

—There are a number of Democrats mentioned in connection with the nomination for the Senate in this district, among them being John A. Reilly, Jr., James J. Finney and John J. Toole, of Lewis; Hon. E. A. Griffith, Mahanoy City, and James I. Blakston, of Delano.

—The Borough Council will probably fill the vacancy on the police force next Thursday night, at the regular meeting.

—The more the court investigates the Lyon-Dunn contest, the more thoroughly convinced is the public that it is a farce.

—Colonel James Elverson, Jr., of Philadelphia, a stalwart supporter of Senator Quay, has resigned from Governor Hastings' staff.

—The firemen of Tamaqua have endorsed Hon. John D. Karschner as a candidate for the Republican nomination for the Senate in this district.

—Congressman Brumm, Editor John F. Finney and Hon. Elias Davis participated in a game of cricket yesterday. They make a strong combination, especially in the game of politics.

Special Message to Men.
When the desolating fact of impaired vigor comes home to men the force of the blow is crushing. They know themselves inferior to their fellows, and they shrink from companionship. Their ambition is gone, and hope with it. When hope vanishes despair takes its place. All this is without warrant, for these men can be cured. Dr. Greene's famous specialist in men's diseases, has found the remedies that restore vitality in men. These remedies build up and strengthen, and thousands of men walk the earth to-day who have been permanently restored to vigorous manhood by their use. Weakness vanishes, hope and ambition return, and the patient is truly a new man. Dr. Greene's glorious discoveries are the safeguard of many thousand homes to-day. His wonderful Nervum alone has made him famous. You may consult Dr. Greene at his office, 35 West 14th Street, New York City, or write to him, and there will be absolutely no charge for consultation or advice in either case, whether you call or write. The system of treatment by mail is perfect, and is absolutely confidential.
