MORE MONUMENT FUNDS.

The Contributions Are Fast Nearing the \$1,500 Mark.

Another meeting of the Soldiers' Monument Association was held last evening and the movement was given another substantial boost. Mr. John A. Reilly sent in a letter stating that he has in his hands funds amounting to \$153.31, which are subject to demand at any time with four per cent. interest and Mr. T. J. James, of Gilberton, turned over to the committee a check for \$57 representing funds from sales of picnic tickets sold two years ago. Mr. James had previously given a check for the amount to a representative of the committee, but when the movement lagged the check became mislaid and the amount was never drawn from Mr. James' account. These two amounts increase the funds at hand for the monument to about \$1,500.

Hon. M. C. Watson made a report in behalf of the committee appointed at the last meeting to consult with the Girard Estate officials as to the feasibility of securing a site for the monument. Mr. Watson said the committee called upon Major Heber S. Thompson at Pottsville and he gave the subject considerable attention. He stated that the committee could not secure a site on the plot of ground on the north side of Line street, between Main and Jardin streets, as the Estate was not disposed to allow the place to be used for any purpose. He thought, however, there was a chance to secure a suitable place on the mountain, between the Old Fellows and Amputation cemeteries, under certain conditions.

After hearing the report the Association instructed the sub-committee and secretary of the general committee to open a correspondence with the Girard Estate officials concerning the matter. An adjournment was taken after Messrs. David Morgan, P. W. Bernstein and S. G. Acker, as members of the auditing committee, had been empowered to call upon townsmen who pledged financial support to the monument project some time ago. The amount outstanding on this list is over \$400 and should it be received the fund would be swelled to about \$1,700 by the time the committee meets again, which will be on the 23rd inst.

THE TABOR CASE.

A Long String of Witnesses to be Heard Next Tuesday.

The examination of witnesses in the Tabor and Szydowski attachment proceedings continued until a late hour yesterday afternoon with Mrs. Justyna Szydowski as the last witness. Her evidence was concluded and when the witness left the stand it was decided to postpone further proceedings until Tuesday. Before leaving the stand Mrs. Szydowski swore positively that there was no scheme between her and Tabor, or her husband, to have the safe from Tabor to herself take place in order to defeat the creditors of Tabor, or anybody else. The witness' evidence was similar to that given by her husband and there were no new developments. One of the counsel for the creditors stated after the adjournment that with next Tuesday's session the case will begin to move with more rapidity as a large number of witnesses will be called. The counsel in question expressed the belief that the examinations of Mr. Tabor and Mr. and Mrs. Szydowski, although appearing to develop a strong case towards dissolving the attachment the creditors have secured against the property Tabor turned over to Mrs. Szydowski, had really laid a foundation for many contradictions that will be made by witnesses, and after next Tuesday the appearance of the case will change considerably.

The Voters Association. Great interest was shown by the large attendance of young men at the meeting in the M. E. church last evening. Eight new names were added to the roll of members. The pastor is rendering every possible assistance to secure a suitable reading room. From the reports last evening success seems assured. This project merits the sympathy and hearty endorsement of the thoughtful people of the town.

Deputy Collector Selected. The appointment of a Deputy Revenue Collector for this district to succeed the Democratic incumbent, resigned, has caused much trouble because none of the applicants successfully passed the Civil Service examination. Congressman Brinn had but the one alternative, and that was to recommend the appointee under the Harrison administration, Harrison A. Keas, and he will very likely be selected.

A DEADLY ASSAULT!

Probable Fatal Shooting Takes Place at Mahanoy City.

VICTIM RECEIVES TWO BULLETS!

The Assailant Displays Coolness to an Extraordinary Extent - After the Shooting He Returns Home and Soon After is Found in Bed, Wrapped in Slumber.

MAHANOCY CITY, Oct. 15.—What will in all probability prove a fatal shooting affray occurred at about eleven o'clock last night at the corner of C and West Water streets. John Jinney, aged 22 years and unmarried, was shot twice. One bullet lodged in the right side of the neck and the other in the left groin. The man who did the shooting was Joseph Kosaris, better known as "Yellow Joe," to distinguish him from his cousin, who is also named Joseph Kosaris, and, in turn, is nicknamed "Black Joe."

Jinney, the victim, resides at 61 West Pine street and Kosaris, the assailant, resides at the rear of Jinney's house on West Water street. It appears the two men had been drinking together in (Geralt) Kosaris' saloon on West Centre street. The saloon-keeper, although hearing the same surname, is not related to the assailant. Kosaris left the saloon at about ten o'clock, after having had an exchange of words with Jinney, who left the place about three-quarters of an hour later. Instead of going home Jinney went to Kosaris' house. What transpired there has not been learned. The occupants refuse to make any statements. After remaining in the place a short time Jinney left and when he got outside six shots were fired in quick succession, but by whom has not been learned. It is presumed that they were fired at the house by Jinney. Nobody was hit by any of the shots. After the shooting Jinney walked towards the corner of Water and C streets. Kosaris, who had just left the house, followed. The latter was in his night clothes, having evidently been in bed. He carried a revolver. Jinney knew Kosaris was following him and occasionally turned and said something, but what the remarks were none of the parties have thus far disclosed. When Kosaris reached the corner he fired three shots, one missing and two taking effect as already stated.

After being shot Jinney ran to the corner of Pine and C streets, where he fell. He scrambled to his feet and went down Pine street, a distance of about ten yards, when he fell again from exhaustion. A citizen named George Yienst arrived upon the scene and picked up the wounded man. Jinney was able to walk home with Yienst's assistance. Dr. Dunn was called and pronounced the victim's condition very critical. He said the chances for recovery were one in ten. The ball that entered the neck was found buried to a depth of six inches. The bullet that entered the groin could not be located. It struck the hip and took an upward course, lodging in the intestines.

After firing the shots Kosaris coolly turned, walked back to his home and went to bed. At midnight officers arrested Kosaris and his cousin, "Black Joe," while both were sound in slumber. The men were taken before the victim. "Black Joe" was first presented. Jinney declared there was nothing against the prisoner, but when Joseph Kosaris, "Yellow Joe," was brought to the bedside the victim flew into a passion and it was with difficulty that he could be held down in bed. "That is the — who shot me," he exclaimed.

The accused was committed to the lockup until ten o'clock this morning, when he appeared before Justice May with his counsel, John F. Doherty, Esq., for a hearing, but owing to the absence of a material witness the case could not proceed and Kosaris was sent to the Pottsville jail. Jinney was sent to the Miners' hospital this morning. A message from that institution late this afternoon stated that there was no change in the victim's condition.

LYON-DUNN COURT.

Additional Witnesses From Shenandoah Heard Yesterday.

Judge Dunn, the respondent, continues his drag net in Shenandoah for illegal Lyon votes. The following were heard yesterday: Robert Gibson, second ward of Shenandoah, swore he did not vote at all in '95. John Prosser, of the same district, was found correct on taxes, and withdrawn.

H. W. Lawson, second ward, was not registered and made defective proofs. He voted for Mr. Lyon.

William Phillips, second ward, was also not registered and had paid no tax. He voted the Republican ticket.

George Carl, same district, swore positively he did not vote in '95, although his name appeared among those credited with having cast a ballot.

George M. Boyer and William Irvine, both of the second ward, were found assessed in another ward, and both were excused.

Harry Faust, second ward, voted on age, but made no proper proofs. He voted the Republican ticket.

C. A. Leitner, same district, had paid no tax which would have entitled him to vote. He voted the Republican ticket.

Mart Sheeler, second ward, had his '94 taxes paid by the campaign committee, and was counted a legal voter.

Wm. Link was called, but the wrong man of that name responded, and was at once excused.

John Skiverston, fourth ward, did not pay his '93 or '94 taxes until 1896. He could not tell how he voted, as he sometimes votes a split ticket.

Frank Moore, fourth ward, was found all right on taxes and withdrawn.

George Turner, fourth ward, paid taxes for '93 and '94, but was not assessed for those years. He voted the Republican ticket.

George Holvey was called relative to the vote of Joseph Holvey, who died since the election. He could not tell whether Joseph voted or not. J. J. Powell, judge of election, was called and swore Joseph Holvey voted in 1895. Tax Collector Scanlin said Joseph Holvey had paid him no taxes. His ballot will be ignored.

Wm. Epton, second ward, was assessed under the name of Epting, and had paid his taxes. He was withdrawn.

This was the last witness, when Court adjourned to 10 o'clock Tuesday morning next. Judge Dunn has thus far shown up 753 illegal Lyon voters. George Lyon claims to have found 800 illegal Dunn voters.

RAILROAD ACCIDENT.

John Mangham and John Farrell Run Down by a Passenger Train.

An accident occurred at the grade crossing near the Johns Run, St. Clair, last evening, by which two men were probably fatally injured. John Mangham and John Farrell, both of Mt. Laffee, were returning to their homes from St. Clair in a carriage, when the vehicle was struck by P. & R. passenger train due at Pottsville at 7:40 p. m. The horse was ground to pieces under the engine, and the carriage demolished and the occupants, at least one of them, Mangham, receiving fatal injuries. When they approached the crossing they had sufficient time to cross over the track, but just as they reached the middle of the track, the animal became frightened at the headlight of the engine, and before they fully realized their position the engine struck the horse with the result as stated above.

The unfortunate men were removed to the Pottsville hospital. Farrell has a slight chance of recovery. Mangham died this morning at about 5 o'clock. The latter was supervisor of New Castle township, 55 years old, and leaves a wife and six children. Farrell is 36 years of age, an old soldier, and has a wife and six children. The same engine and engineer in this accident ran over E. J. Freeman at Palo Alto last Sunday morning.

THE GAMDEN MURDER SOLVED

Ell Shaw Arrested For the Brutal Double Homicide.

THE CRIME FASTENED UPON HIM

The Police Forge the Last Link in the Fatal Chain of Circumstantial Evidence Against the Accused - Youth Admits His Guilt.

Camden, N. J., Oct. 16.—Ell Shaw was taken into custody by the police officials yesterday afternoon and formally charged with the murder of his mother, Mrs. Sarah Shaw, and grandmother, Mrs. Emma Kane, which occurred in this city Tuesday morning. The newly discovered evidence included the finding of a .32-caliber revolver, of which two chambers had been fired, at the bottom of the chimney. The pistol was thrown into the chimney through a stove hole in the room in the third story, which had been occupied by Shaw. The police also discovered upon close examination of the floor of Shaw's room several blood prints.

Shaw was found at the home of a cousin entertaining his sweetheart, whom he was to have married today. He was not told that he was suspected of the murders until he arrived at the city jail. Chief of Police Dodd then charged him with the crime, and showed him the revolver. Shaw protested his innocence, and in answer to the questions as to the contents of the revolver said it belonged to his father. He was then told of the blood spots on the floor of his room. He grew pale and reeled against the side of his cell. Prosecutor Jenkins declares he has the motive. The motive for the crime, he said, doubtless was a desire on the part of Shaw to inherit the property belonging to his grandmother in order to be married. His salary was small, and he had made arrangements to rent an expensive home.

A CONFERENCE WITH ENGLAND

On the Seal Question - Russia and Japan Are Not Included.

Washington, Oct. 15.—The state department confirms the report given out by the foreign office in London that Great Britain assents to a meeting of experts in Washington on the seal question, and Ambassador Hay cables that Professor Thompson, the British expert, sailed yesterday. It is expected that the conference of the delegates of Russia, Japan and the United States will hold its first meeting the last of next week, and the meeting of American and British experts will probably take place a week later.

A recent announcement from Ottawa was to the effect that Sir Louis Davies, minister of marine and fisheries, and Mr. Macdon, Professor Thompson's assistant in the Pribilof island investigation for two years, has been nominated by the Canadian cabinet.

Masons Excommunicated. Nogales, A. T., Oct. 15.—A sensation has been arising in the adjacent state of Sonora, Mexico, by an ecclesiastical edict from Archbishop Lopez, excommunicating all members of the Masonic fraternity. Nearly all of the highest officials of the state and many of the most prominent citizens are members of the Masonic order, and at the same time many of them are Catholics. The wires and the female members of their order are also. One of the most prominent expressed himself as determined to adhere to Masonry at all hazards.

DIAMOND DYES AHEAD.

Women Know by Practical Experience That it is Easy to Dye With Diamond Dyes.

It's the easiest matter in the world to dye with Diamond Dyes, as thousands of women know from practical experience. By using these simple home dyes, one can make old clothing look like new and save a great many dollars in the course of a year.

Do not accept imitations of the original Diamond Dyes from any dealer, no matter how strongly he may recommend them, for while he can make a larger profit on them they do not do as much as the Diamond, nor equal them in fastness of color. When poor dyes are used, both your money and labor are thrown away and the goods are spoiled forever. Use the Diamond Dyes only and get results that are equal to those of the professional dyer.
