DEATH OF DR. MATTER.
Succumbed This Morning After an Illness of Several Weeks.

George F. Matter, M. D., died at about three o'clock this morning at his home on East Oak street. His demise was not unexpected. Mr. Matter had been ill since last June, but his condition did not cause apprehension until about five weeks ago, when he went to Ocean Grove, N. J., expecting to spend two weeks there in recuperation, but grew rapidly worse after an absence of a few days and returned to town. Upon arrival home he went to bed and remained there until he died. Cerebro-spinal meningitis is the assigned cause of death. The patient was under the care of Drs. J. S. Challen and D. J. Langston, and Dr. Carpenter was called in consultation last Tuesday, when it became evident that the chances of recovery were very slight.

Dr. Matter was born in Gratz, Dauphin county, on August 13, 1840. When a young man he became a recruiting officer in the Pennsylvania Volunteers and subsequently accepted a hospital stewardship in the 20th Regiment. After considerable service in that capacity during the war he entered the Jefferson Medical College at Philadelphia and graduated from that institution in 1866. He settled in Liverpool, Pa., and finally in Williamsport, where he remained 17 years. He then went to Virginia, but after a residence of about a year and a half here returned temporarily to Harrisburg and in May, 1888, moved to Shenandoah to succeed in the practice of Dr. J. B. Davis. Upon taking up his residence here Dr. Matter at once identified himself with the Methodist Episcopal church and became one of the most zealous and consistent workers in the interest of the congregation and Sunday school. He was devotedly attached to the work and the practice of his profession. The deceased is survived by his wife, two sons and two daughters. The oldest child is seventeen years old and the youngest about eleven. The funeral will take place on Monday, 29th inst., at 1 p. m., from the family residence at No. 35 East Oak street. Services will be held in the Methodist Episcopal church, and interment will take place in the Odd Fellows' cemetery.

CAPITOL DESIGN SELECTED

The Commission selects the Architect and Work Will Proceed.

HARRISBURG, Oct. 22.—The Capitol Commission held another meeting here this morning and selected Henry Ives Cobb of Chicago, as the architect for the new Capitol building. His design of the new state building was adopted. The fourteen Capitol plans have been open to public inspection for the past two days. Several Philadelphia architects explained their respective plans to the commission yesterday, but none of the members were favorably impressed. The plan adopted provides for more light than any of the other plans, and with the proposed department buildings, occupy less ground, and consequently will not cut up the park so much. The adoption of this design, however, will cost more than the prescribed \$500,000. This is admitted by the author, who proposes that it shall not be surmounted with a dome until a subsequent legislature shall make an appropriation for the addition of this ornamental feature. Mr. Cobb's plan provides for a legislative building with a front of 112 feet and a depth of about 330 feet. The design contemplates ultimately but one building, with a frontage of about 480 feet, which would extend about forty feet farther than the two buildings occupied by the department of internal affairs and the adjutant general's and other offices.

THRILLING EXPERIENCE.

Visitors to the Fair Narrowly Escape Death.

A party of town excursionists who were returning from the Lavelle fair last evening had a miraculous escape from death. The party consisted of Mr. and Mrs. Charles Blaker and their five children, of South Jardin street, and their guests, Joseph Syrd and wife, of Philadelphia. They were about to cross the P. & R. tracks at the Hammock crossing, when Mr. Blaker heard the noise of an engine. He leaped ahead, but falling to see any headlight, drove on, thinking the sound came from the Lehigh road. Just as he drove on the track the left front wheel of his carriage got caught in the rail and snapped off. As the driver was about to jump out to save the headlights of an approaching P. & R. engine drawing rapidly night. He called to his friend, Mr. Syrd, and both jumped to the front of the carriage and reached the horses. At the same time they caused the horses to make a leap. The fortunate occupants just cleared the tracks as the train passed. The train was stopped and the crowd quickly returned expecting to see a more serious situation of affairs than resulted. Another exciting incident was the saving of one of the boys' life by his oldest brother. The former was about to jump directly in front of the engine, but was held back. All in the party escaped injury and the damage done to the carriage was slight. The excursionists returned to town on a trolley car.

Musical Event Under Way.

A musical event which will out rival any ever given in town is being arranged by Rev. G. W. Van Fossen, rector of All Saint's P. E. church. It is the rendition of the oratorio, "The Last Judgment." If the arrangements can be completed it will be given by the choir of the Church of the Nativity of South Bethlehem. This organization is comprised of 40 male voices, boys singing soprano, and is a part of the congregation of which the Rt. Reverend Nelson Somerville Rutson, deceased, was the pastor. It is hoped that Mr. Van Fossen's attempt will be a successful one and that he will receive abundant support from our town people.

Miss Ferguson Entertained.

A pleasant surprise party was tendered Miss Tessie Ferguson, at the home of Mrs. Tobin, on East Centre street, last evening. About thirty of her friends were in attendance, and all spent an enjoyable evening. Among the guests were a number of musical artists who entertained those present with vocal and instrumental selections. Dancing was a prominent feature of the event and the serving of luncheon at midnight was heartily enjoyed.

May Succeed Bishop Rutson.

Rev. Dr. William Bodine, of the Church of the Saviour, Thirty-eighth street, above Chestnut, Philadelphia, is being strongly mentioned as a candidate to succeed the late Bishop Rutson, of the Diocese of Central Pennsylvania, the Episcopal Church. The election will take place in South Bethlehem on November 9. Several other names are mentioned in connection with the Bishopric.

LUETGERT TESTIFIES.

The Sausage Maker Under Oath After His Jury Disagrees.

SOLENNY ASSERTS INNOCENCE!

The Expensive Trial Will Now Have to Be Gone All Over Again—Luetgert's Counsel Will Urge His Admission to Bail.

Chicago, Oct. 22.—The jury in the Luetgert trial came into court yesterday and reported their inability to agree, after having been out 38 hours, and were promptly discharged. The jury stood as follows: For conviction and the death penalty; Heckel, Body, Bibby, Mahoney, Dehmiller, Homer, Shaw, Frazen and Fowler. For acquittal; Harvey, Zandorff and Barber. Standing last night in the gloomy jail adjoining the grim-looking grey stone court building in which his remarkable trial had at last been brought to a finish, the burly sausage manufacturer capped the climax of the extraordinary series of events which began with his sensational bankruptcy and the alleged frightful diabolism of killing his wife to death at midnight in a vat in his factory cellar. Luetgert made, under oath, a statement for the press concerning the fearful crime charged against him, the first sworn statement yet made by him. The affidavit was put in writing in the legal form and is verified by a notary. Ex-Judge William A. Vincent, the leading counsel for the defendant in this celebrated case, the man to whose brains, skill and energy Luetgert beyond all doubt owes his great legal victory, gave consent to the affidavit being made.

The scene in the jail when Luetgert took the oath was as dramatic as the circumstance was unique. In the dimly lighted jail corridor Luetgert, standing erect and grasping the iron bars that still kept him from liberty, lifted his right hand and solemnly asserted as the notary administered the binding form. Luetgert made the affidavit without hesitation and signed it in ink with the hand that is alleged to have committed one of the most fiendish crimes on record. The affidavit explicitly declares Luetgert's innocence. The document in full is as follows:

"The result of my trial, ending today, is a victory for me. I stand clear of the charge against me, but I am very much disappointed and very much surprised that the jury did not bring in a verdict of not guilty. I did not kill my wife, and do not know where she is, but I am sure that it is only a question of time until she comes home. I did not go upon the witness stand because my lawyer, Judge Vincent, was bitterly opposed to my doing so and because he advised me it was not necessary. I am grateful for the tremendous change in public sentiment in my favor, and time will demonstrate that I am not only an innocent but a very righteous wronged man."

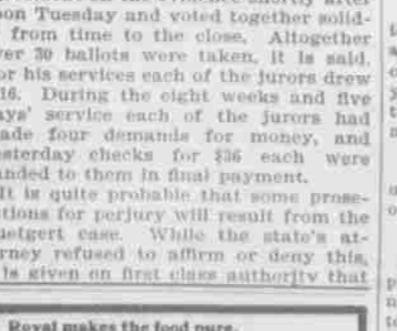

Yesterday afternoon counsel for Luetgert gave State's Attorney Densen formal application before Judge Tutthill for the admission of the prisoner to bail. Judge Tutthill will be asked to fix the amount of bail at \$15,000, but Luetgert will enter court prepared to give bonds of \$50,000 if necessary. State's Attorney Densen was not prepared to say whether or not he would resist the application. The admission of the prisoner to bail is discretionary with the court," he said. "After the application is made in court I may express my views upon the matter if the court desires to hear them."

When the jurors had received their vouchers they were taken down to the basement in an elevator and left the principal court building by way of a rear entrance to the jail yard. The jurors left in squads of four. It was reluctantly admitted by several of the binders that disagreement was brought about by a wide difference of opinion regarding the rings found in the vat, the testimony of Emma and Gottlieb Schimpke and the testimony of Kenosha witnesses, who positively testified that they saw Mrs. Louise Luetgert alive in the Wisconsin town on May 3, 4 and 5. Juror Harvey did not believe the rings found in the middle vat of Luetgert's factory were Mrs. Luetgert's rings. Heibold was inclined to believe the story of the Kenosha witnesses, despite the impeaching evidence introduced, and Barber would not believe the strong evidence given by the Schimpke sisters.

The other nine jurors reached an agreement on the evidence shortly after noon Tuesday and voted together solidly from time to time. Altogether over 30 ballots were taken. It is said, for his services each of the jurors drew \$116. During the eight weeks and five days service each of the jurors had made four demands for money, and yesterday checks for \$16 each were handed to them in final payment.

It is quite probable that some prosecutions for perjury will result from the Luetgert case. While the state's attorney refused to affirm or deny this, it is given in first class authority that

Royal makes the food pure, wholesome and delicious.

ROYAL BAKING POWDER
Absolutely Pure

A ball was held in Robbins' opera house last night for the benefit of Michael Kerrigan, who had one of his legs through injury sustained at Plank Hill washery. The affair was very successful.

The celebrated remedy Salvation Oil, is recommended by experienced veterinary surgeons as just the thing for the stable and cattle yards.

COUNCILMEN IN SESSION!

A Proposition Received From the Old Water Company.

IT WILL SELL OUT OR LEASE.

Referred to the Water Committee For Consideration—Increased Fire Company Appropriation Again Under Consideration.

A regular and interesting meeting of the Borough Council was held last evening with the following members in attendance: Messrs. McGuire, Cookley, Lally, Shoemaker, Newlander, Straughn, Englert, Reese, Hand, Brennan, Murphy, James and Gable.

The roads and highways committee made a report on the grading of Catherine street and again urged the chief Burgess see that the two private sewer lines are extended across the street and that guttering and paving in that locality is enforced.

Mr. McGuire recommended Mrs. Rofly, of South Bowers street, be excused from taxes and Mr. James recommended Mrs. Coughlin, of West Cherry street.

The finance committee was instructed to get \$5,000 Tax Collector Scanlan has promised and make arrangements to redeem through bonds to the same amount.

Mr. H. W. Lawson, who served as Borough Electrician the past year, sent in a communication asking for a salary of \$125, instead of \$90. He asked for the increase because he intended to buy a residence and go over the entire fire alarm system and put it in order. After some discussion Council decided to raise the salary to \$100, but Mr. Lawson said he would not accept it, whereupon the fire apparatus committee was instructed to procure bids for the position, and Mr. Lawson will be paid \$11 per month pending the election of his successor.

It was decided to locate six electric lights at the corner of White and Cherry and Emerick and Coal streets, and also corner of Catherine street and Raspberry alley. The latter action was taken on motion of Mr. Reese.

The lamp and watch committees was instructed to have arranged the are light at the corner of Centre and Vine streets. It is claimed the light hangs too low.

The use of cells in the lockup was discussed, after which Council decided that two cells be designated for use by special police and constables, the remaining three to be at the disposal of the paid police only, but the latter will have the right to use all the cells should occasion demand it.

Mr. Hand said he visited the Grant and Purcell properties on East Centre street and found the fences in them in satisfactory condition, contrary to the complaint made.

The law committee was instructed to get the bill of A. W. Schneck, Esq., of Pottsville, in full as date for legal services.

Mr. Gable, of the water committee, stated that the pipe ordered for the direct connection from the Fowler's run reservoir had not arrived and added that he believed the water supply would soon be put on a full schedule.

The following communication was read: Proposition made to the Borough of Shenandoah, this day of October, 1897.

First.—The Shenandoah Water & Gas Co. proposes to sell to the Borough their plants known as the Shenandoah Water & Gas Co. for one hundred and twenty-five thousand dollars (\$125,000.00); or the Shenandoah Water & Gas Co., will lease to the Borough their entire plant for a term of ten years at \$12,500.00 per year; to be paid semi-annually; or the Shenandoah Water & Gas Co. will lease the Borough's plant for a period of ten years at \$10,000.00 per year, to be paid semi-annually.

Should the Borough think favorable of either of these propositions, I am ready to meet them at any time and talk this over more fully.

Yours respectfully,
SHENANDOAH WATER & GAS CO.
PERC E. TITMAN.

Shenandoah, Pa., Oct. 21st, 1897.
The communication was referred to the water committee for consideration.

Mr. McGuire stated that Mr. Titman had also made a verbal proposition to the water committee with the understanding that it should be given to the Councilmen in confidence, or in executive session.

Mr. James stated that the Water Superintendent says he has good reason for believing that there are a good many conscientious with the public water works that do not appear on the duplicate and suggested that a man be employed to look up the matter. Mr. Gable said he understood from indications made that some of the connections referred to have been in force since the public water works started.

Council decided to leave the matter in the hands of water committee with power to act.

The lamp and watch committee reported that Constable Thomas Dole was doing duty on the regular police force in the place of the late Henry Goodman. No attempt to elect an officer was made by Council.

Mr. Reese moved that the Resene Hook & Ladder Company receive an additional appropriation of \$250.

Mr. Cookley offered an amendment that the Phoenix Fire Company receive a similar increase.

Mr. Englert moved as an amendment to the amendment that a \$100 additional appropriation be given to the Defender Hose Company of Turkey Run.

Mr. Gable wanted to offer another amendment, but the chair ruled that not more than two could be asserted.

There was a lengthy and spirited debate which ultimately resulted in Council deciding, on motion of Mr. Reese, that the matter be referred back to the fire apparatus committee with the understanding that a report be sent in to Council at the next meeting.

Get one of those pretty all cloth rugs for under your heating stove, at Fricke's carpet store. 10-15-97

Retiring From Business.
I will positively retire from business on or about January 1st, 1898. The entire stock of clothing for men, boys and children, and furnishing goods must be sold before that date. This great sale will commence at once, and continue until every garment and article in the store is turned into cash. The \$30,000 stock consists of new, clean, stylish garments, and all of this season's productions. We are selling Overcoats 25 per cent. below cost. This is a bona fide sale, as I will embark in another business on January 1st. Call now, while the bargains are going.
