Elected Sherlff and Director of the Poor Respectively.

COUNTY DEMOCRATIC BY 1,000 !

"Little Jack" Toole, or Mineraville, Elected

Sheriff by 2,198 Majority, and Walborn the Minority Pear Directer by a Majority of 407. The Result Told

in Detail.

2,200, while Dr. Swallow, the Probibition candidate for State Treasurer, received as estimated vote of 2,500. This was one of the many surprises of the contest, and it is estimated that the ratio of the vote he received from the ranks of the Republican and Demofrom the former. In 1895 the Prohibition vote was 194 in the county.

Advices from Pottsville at noon to-day indicated Albright's defeat by 1,500 and Howe's It was a great slump. Such Republican

strongholds as Mahanoy City, Ashland, Mineraville, St. Clair and Trement gave Democratic majorities for the county ticket, while Pottaville gave a greatly reduced majority for the Republican candidates. In all of these places the vote was light, but was up to the usual "off year" vots. DEMOCRATIC ESTEMATE.

A telephone message to the HERALD this afternoon states that Chairman Marr, of the Democratic County Committee, estimates the majority for Tools to be 2,200, and that Walborn is elected by about 450 majority. The emocratic state ticket receives an estimated majority of 1,000 in the county. The chairman says Swallow's vote will not reach 3,000. LATER

A dispatch to the HERALD at 4 o'clock this afternoon, gives Toole's majority over Albright, for Sheriff, 2199 ; Walborn is elected Director of the Poor by a majority of 407. The result in the principal towns and town-

POTTSVILLE.

The result in Pottsville was a great sur-prise. The majority given for the Republi-can tisket just fall was reduced to a little over 400 yesterday. The total vots for State Treasurer was \$685; Beacom, Republican 1229; Brown, Democrat, 816; Swallow, Pro hibition, 640. Beacom has a majority of 413 over Brown. Bridegroom Defaulting.

Eight o'clock this morning was the hour fixed for a wedding scremony in the Ger-man Catholic church, on North Chestnut street, but the hour passed without the core-mony. This was due to the bridegroom definiting in appearance. Efforts have been made to ascertain the came, but nothing definite was learned up to the time the HEBALD went to press. The disappointed young lady was Miss Karle Nichter, of 228 West Coal street. She was almost prostrated by grief over the affair. The young man who failed to appear was William Scheider, a

Merts, a baker at Pottsville.
A HERALD reporter called at Miss Nichter's home at noon to-day and was informed, in answer to questions bearing upon the matter, that it was true the young lady had met one of the most bitter and distressing of disappointments, but the family express The Democrate have carried Schuylkill the ceremony would take place in a day or county by majorities ranging from 400 to two. It was stated that Mr. Scheider was expected to arrive from Pottsville early this norning. Everything was in readiness at Miss Nichter's heme for the journey to the Horatio B, Hackett (Rep.) for register church. When Mr. Scheider falled to arrive at of wills by majorities approximating the hour fixed there was an uneasiness, which grow as the delay continued into excitement. The bride and her friends concluded that the eratic parties was 4 to 1, the bulk coming bridegroom must have met with some accident on his way from Pottsville. Word was sent to the pastor of the church that an indefinite postponement of the wedding would be necessary and arrangements were made accordingly. A telegram was then sent to Pottsville and a reply received from baker Meriz stating that Mr. Scheider had started on his Pottsville delivery route at the usual hour this morning. There was little satisfaction in this and a sister-in-law of the bridegroom, Mrs. Scheider, of East Centre street, started at once for Pottsville to assertain the facts of the case. Miss Nichter and her friends are awaiting the return of Mrs. Scheider from Pottsville to-night.

> Philadelphia, Nov. 3.-Returns from one-half the wards of this city indicate the election of Colonel Clayton McMichael (Rep.) for city treasurer and Horatio B, Hackett (Rep.) for register 75,600. Judges Brogy, Wiltbank, Audenried and Ferguson were unanimously re-elected, they having been endorsed by both parties. The proposition to increase the indebtedness of the city \$17,200,000 for public improvements has debt could not be further increased except by the approving vote of the people. The vote is about 30 per cent under that of last year and will not quite equal the "off year" vote of 1895. Returns from the state indicate that Dr. S. C. Swallow, Prohibition candidate for state treasurer, known in politics as "the fighting parson," has received more than 125,000 votes. In the counties of Biair, Clinton, Cumberland, Dauphin, Huntingdon, Lycoming, Juniata, Montour and Northumberland the returns indicate that Swallow de-feated Beacom, the regular Republican candidate. In 1895 the Prohibition vote in the state was 20,773 and last year it

was 19,274. The result in Dauphin county caused a jubilation by the friends of Dr. Swallow in Harrisburg. The doctor's friends did not anticipate such a result, and paraded the streets with a band. In that county the Republicans carried everything but state treasurer.

The incomplete figures show an apparent plurality for Boacom, the head of the Republican ticket, of 145,000, as against Haywood's plurality of 174,-264 in 1895. The indications are that Mc-Cauley, the Republican candidate for auditor general, received about 170,

000 plurality.

4; Worcester, 4. Total, 60. The Republicans having 9 "hold over" senators, their total on joint bal-jot would be 66, while the Democrats would have but 63. The only chance then, apparently, left for the Democrats is to elect 9 out of the 14 new senators, in which event they will control the legislature and elect a United States senator by one vote.

The counties which elected senators yesterday are as follows: Garrett, Allegany, Montgomery, St. Mary's, Calvert, Charles, Prince George's, Harford, Cecil, Caroline, Talbot, Dorchester, Worcester and the Second legislative district of Baltimore city.

Of these Garrett, Allegany, Charles, Prince George's and the Second legis-lative district of Baltimore city have probably elected Republicans. ther nine are probably Democratic thus giving the requisite number to se cure the Democratic majority of one. Chairman Scott, of the Republican state committee, gave out the following

written statement at midnight:
"I am very well satisfied with the result, so far as heard from. We have carried Baltimore city, including the three legislative districts, by at least 8,000 majority, and our advices from the state indicate that the Republicans will send a successor to My, Gorman to the United States senate."

THE RESULT IN OHIO.

Both Democrats and Republicans Clair the State.

Columbus, O., Nov. E.-The Democratic state committee claim the elec-tion of their state ticket by from 8,000 to 10,000 piurality and a majority of the legislature on joint ballot for United States senator. No figures are given on the 36 state senators and 109 representatives, but it is claimed that the Republican loss of the members of the legislature in Hamilton county would insure Democratic control of the legislature. Democrata also claim the 12 members of the legislature from Cuyahoga county, which includes Cleveland, the home of Senator Hanna. Tim Republican state committee concedes the loss of Hamilton county, but claims that there are not sufficient returns from Cleveland on which to base any estimate. With the loss of 14 members of the legislature in Hamilton county and also the 13 members in Cuyahogo county, the Republicans do not expect

to carry the registature.

The Republican state committee claims confidently that they will carry Cuyahoga and make gains in other counties. They state that they had anticipated losses in the cities on account of local fleats on lessing and count of local fights on bossism and other factional troubles, but that they Pennsylvania Giyes Handsome Majorities

other factional troubles, but that they had the best reports from the rural districts. A heavy rain prevailed all day, and this no doubt affected the rural vote. The Republican gains seem to come from the rural Democratic counties and the Democratic gains from the Republican counties in which the large cities are located.

oss of their state or of the control of the legislature, but admit that the resuit will be very close on both. Owing to the condition of the roads the bicyole couriers are having trouble in rendering the prompt service that was expected from the rural precincts. Chairman Nash, at the Republican state headquarters, would not give out any statement, but his assistants, who

were tabulating the returns, announced that Bushnell was elected governor and the entire Republican state ticket was elected by from 5,000 to 10,000 plurality. The basis of Democratic gains has been reduced from 16 to 8 per cent. The first returns from the cities and the Re-publicans, claimed almost uniform equalled elsewhere, galos from the rural districts.

At Republican state headquarters they are more confident of having a majority in the legislature than of a \$12.200,000 for public improvements has decisive plurality on the state ticket, been carried by about 20,000. Under the They claim 18 of the 36 senators sure, provisions of the constitution the city's with 15 Democrats and 3 doubtful. They also claim a majority of the 189 representatives, but no definite figures are given.
This county (Franklin) gave McKin

ley a plurality of 2,200 last year. It gives the Democratic state ticket this year a plurality of 1,000 and elects the entire Democratic ticket, the only close yote being for sheriff.

THE REPUBLICAN CLAIMS.

Senator Hanna's Home Organ Declares His Re-Election Assured. Cleveland, Nov. 3.—The Leader, Senator Hanna's home organ, mays: "Gov-ernor Bushnell has carried Ohio by a majority of from 20,000 to 25,000. This insures the election of a Republican majority in the central assembly and the return of Marcus A. Hanna to the United States senate. In this city and Cuyahoga county, the Republican ticket has a majority of from 4,000 to 5.00, and three of the Republican sena-tors and nine Republican representa-

tives in the legislature are elected."

The Plain Dealer (Dem.) makes the following statement: "The Republican legislative ticket is running 10 per cent behind the state ticket and the stat dicket is losing in Cleveland an average of 22 per cent. This defection will reduce the Republican plurality to a close margin, though it is probable that that General McCauley, the candidate for auditor general, ran several thousand ahead of Beacom, the Republican state and legislative tickets will be elected.
