WEDNESDAY, NOVEMBER 3, 1897.

THANK our stars, we Republicans still have prosperity.

THINGS are not by any means all bright this third day of November.

TAMMANY rules the roost in Greater New York, while Seth is lower in his own estimation.

WHO is responsible for the slump in Schuylkill county? We think the vast pocket voter had much to do with it.

SEATTLE is looking for a rush of 100,000 pilgrims to Alaska next spring. The prejudice in that locality against gold bugs is dying out.

SPAIN has found no ally in Europe for its proposed war with this country, but it is not unlikely that some of the European powers will diminish Spain not to rush into an idiotic conflict.

OUR annual crop of poultry, that makes its appearance about this time, had been fed upon "dollar wheat" and were in a "prosperous" condition for public exhibition up to last evening, but a sudden attack of "billiousness" prevents their appearance. They will appear, however, one year hence, if—

SENATOR QUAY comes out of the contest with flying colors, while "things are different" for his friend Platt in New York state. Perhaps Schuylkill might have been in line had not the red flag been flaunted in the face of the Beaver statesman's friends in this county by the "Business Men's" organ.

SHENANDOAH, in view of the personal appeals made on behalf of the Democratic candidate for Sheriff and the great slump in other towns, made excellent showing for the Republican ticket, and the local party leaders have much cause for congratulation. It's a little comfort in the "wilderness," but a drowning man catches at straws.

THE vote in Schuylkill county is full of warnings to the Republican leaders, and it might be well for some of them to ponder well the returns during their idle moments. Schuylkill county is Republican, but it must be under more favorable conditions than those that existed during the campaign just closed. Heed the warning.

THE report of the Director of the Mint shows that the United States produced last year nearly a third of the silver output of the world, and that she contributed over a third of the gold coinage of the world. The silver production amounted to \$215,000,000, while the gold production was \$304,000,000.

PRESIDENT WM. MCKINLEY'S first Thanksgiving proclamation finds our country in a far more prosperous condition than similar proclamations for many years back. Peace with foreign countries, bountiful harvests, and reviving industries all call for most hearty thanksgiving and grateful recognition of the goodness of Providence to us as a nation.

AMERICAN machines of many kinds are making their appearance in England. A London trade journal says they are found in the English factories devoted to boots and shoes, soap, rubber, bicycles and paper boxes. American printing presses, typewriters and typewriters are common in England, and steel rails are going forward by ship loads. Our agricultural machinery also is admitted to be superior to any other, though the decline of agriculture in Great Britain limits its application in that quarter.

In the sale of the Union Pacific Railroad the government will get the full amount of its lien. This is a great triumph for the McKinley administration. When the road was started a third of a century ago nobody supposed the government would get back in direct cash any of the money which it put into the work. It was a great military as well as economic enterprise, and it was expected to pay the people, by uniting the Pacific coast with the Atlantic and in developing the West, many times for the money expended, which the government made. This, of course, it has done. It will do more than this, however, for the government obtained the full amount of its claim. The administration's desire has been to protect the people's interests in this matter to the greatest possible extent, and it has achieved a larger measure of success than anybody a month ago expected.

Mr. Metdakis' New Hostel. This new hostel is now almost completed, and by the time of the opening, next Wednesday evening, November 2nd, it will rank among the foremost of its kind in town. The Lithuanian land and orchestra will be an excellent concert of musical selections. In addition to the bar which will contain the choicest of beverages, a fully equipped dining bar has been attached. The most fastidious will be supplied with the delicacies of the season to the Queen's taste. The basement has been fitted out with pool and billiard tables which is entirely separate from the eating and drinking department. An invitation is extended to the public to be present. 10-29-97

Attention. At the next regular meeting of Washington Camp No. 266, to be held on Nov. 11th, the question of adopting new laws and also the consideration of the manner in which we will celebrate the 50th anniversary of our order will be brought up. All members are strongly requested to be present at this meeting for their own benefit as well as the camp's. By order of THOS. H. SWIDLER, Pres. Attest—J. H. DANKS, Sec'y. 11-2-97

Trailing Piles. Night's horrid plagues, is instantly relieved and permanently cured by Dan's Ointment. Your dealer ought to keep it.

Minstrel Performance Postponed. Owing to the late arrival of two comedians, Messrs. Wertz and Scallan, of Minnesota, the minstrel performance by the Nonpariel Social Club for the benefit of the mother of William Butler, a deceased member, has been postponed. The date has been changed from this evening, Nov. 3, to Friday, Nov. 5th. The Scheppe orchestra has been engaged to furnish music for the event. Seats are now on sale at Kirlin's drug store. Prices, 15, 25, 35 and 50 cents. 10-28-97

SETH LOW'S LAMENT. "Better to Have Fought and Lost Than Not to Have Fought at All." New York, Nov. 3.—The following statement was given out by Seth Low shortly before midnight: "The year has been a heavy Democratic year everywhere. Tammany has felt the advantage of this strong tendency. I think this circumstance shows the absolute necessity, if it also shows the difficulty, of separating municipal from state and national issues. If the cities are ever to be governed on their merits, in the light of the events it is clear that the citizens' Union has made a gallant fight for principles that are vital. It is better to have fought and lost in such a cause than not to have fought at all. "There is no need to despair of good government in the cities where such a struggle could be made against such odds. The returns show that there was no possibility of Republican success on a contest on party lines, nor is it easy to imagine a time when in this city there will be. "For the sake of the city I greatly deplore the result, and yet I would urge all when my voice may influence not to lose heart. We have laid the foundation, it may well be hoped, for future success, and ours is not the first cause that has suffered at the outset. "I bespeak for the new mayor and his associates the co-operation of all my supporters, as I pledge my own, in any effort they may make to administer the government of the city in the interest of the people."

A cough is a danger signal of worse troubles to come. Cure the cough and prevent its results by using Dr. Wood's Norway Pine Syrup.

IN MASSACHUSETTS. Boston Goes Republican for the Second Time in Two Years. Boston, Nov. 3.—For the second time in two years this city, ordinarily strongly Democratic, gave a substantial majority to Roger Wolcott, the Republican candidate for governor, at the state election yesterday. There was, however, a decided falling off in the vote of both candidates and in the Wolcott suffered more than Williams. With a lead of 17,000 over his opponent last year, the governor this year had a trifling over 5,000 in a total vote of about 88,000. Wolcott's vote of 21,000 this year shows a decrease of 30 per cent from that given him last year, while Williams' vote of 24,500 shows less than 20 per cent decrease. The attempt to consolidate the legislative departments of one city in a single chamber was voted down by a majority of about 6,000.

John H. Sullivan, who last year was defeated for councillor by Allen, a colored man, was elected by a substantial majority by Stanley Ruffan, another colored opponent. The election was remarkably quiet.

All but three of the 23 cities and 205 out of 221 towns indicate a Republican plurality in Massachusetts of about 58,000. The total vote for Wolcott, the Republican candidate, will be about 166,000; for Williams (Dem.), 78,000, and Everett (N. D.) 15,000.

SCRAMPTIOUS TRAM TO THE SOUTH.

The Florida Limited, which is the synonym of all that is elegant in modern railway trains, and which during its former service has been a prime favorite for tourists from the North seeking the mild climate of Florida, will be placed in service by the Southern Railway about the first week in January, 1898. With its return to service this train, which will be solid Pullman vestibled from New York, Philadelphia and St. Augustine will present features in the way of luxurious and comfortable appointments not heretofore presented, and which will be destined to add still further to its already well-established popularity.

The Southern Railway is having built for the Florida Limited service three trains, each containing a dining car, two drawing room sleeping cars, a compartment car and a library and observation car, each car equipped in all its appointments and supplied with the very latest devices and appliances for the comfort and convenience of the passengers. IT IS EASY TO TELL

People who fail to look after their health are like the carpenter who neglects to sharpen his tools. People are not apt to get anxious about their health soon enough. If you are "not quite well" or "half sick" have you ever thought that your kidneys may be the cause of your sickness?

It is easy to tell by setting aside your urine for twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys. When urine stains linen it is evidence of kidney trouble. Urine frequent desire to urinate, scanty supply, pain or dull ache in the back is also convincing proof that the kidneys and bladder are out of order.

There is satisfaction in knowing that the great remedy Dr. Kilmer's Swamp-Root, fulfills every wish in relieving weak or diseased kidneys and all forms of bladder and urinary troubles. Not only does Swamp-Root give new life and activity to the kidneys—the cause of trouble, but by treating the kidneys it acts as a tonic for the entire constitution. If you need a medicine take Swamp-Root—it cures. Sold by druggists, price fifty cents and one dollar, or by sending your address and the name of this paper to Dr. Kilmer & Co., Binghamton, N. Y., you may have a sample bottle of this great discovery sent to you free by mail.

Republican Wins in South Dakota. Sioux Falls, S. D., Nov. 3.—Indications are that the Republicans have won in South Dakota. Smith, Republican, is elected judge in the First district by a close vote. In the Second district, Republican is probably elected by 400 majority, overcoming an adverse majority in 1896 of 1,550. Smith, Republican, in the Fourth district, is elected. The election of Campbell, Republican, in the Fifth district, is claimed by 1,300 majority. Gaffey, Republican, is elected in the Sixth. The result in the Third is in doubt. The Populists have probably carried one district, the Eighth, and Wilson, Republican, is leading in the seventh.

Views of London Papers. Editorial Comments on the Result in New York City. London, Nov. 3.—All the morning papers print special telegrams from New York city giving the results of the election. The Times, commenting editorially on the election of Judge Van Wyck as the first mayor of greater New York, says: "It is clear that a majority of the Democrats whom Mr. George would have rallied to his standard drifted back, in the confusion due to his death, to the Tammany camp, while the inability of the Republicans and the reformers to come to terms has practically given the game over to the skilled Tammany machine. If Mr. Low had been elected an interesting experiment would have been tried, though even a stronger man than he might have found himself overpowered by his environment. We know what use Tammany will make of the victory. The merchants and bankers, the wise and cultivated men, the honest and philanthropic citizens will be as impotent under Croker's domination as the Italian or Hungarian patriots were under Metetrion's bungling rule. And who can deny that the people have it to do with?" The Daily Chronicle also attributes Judge Van Wyck's election to the death of Henry George, and to the fact that the Republican party, though nominally hostile to Tammany, "really depends for its existence on a secret working alliance with the machos who follow Croker's lead."

CASTORIA

For Infants and Children. The most perfect of all cathartics. It is pleasant, simple, but safe and effective. Cure for it.

CASTOR OIL OF THE STOMACH. Catharrh of the stomach has long been considered the next thing to incurable. The usual symptoms are a full or bloating sensation after eating, accompanied sometimes with sour or watery risings, a formation of gas, causing pressure on the heart and lungs, and difficult breathing; headach, sickle appetite, nervousness and a general paleness of the face. There is often a foul taste in the mouth, coated tongue and if the interior of the stomach could be seen it would show a slimy, inflamed condition.

The cure for this common and obstinate trouble is found in a treatment which causes the food to be readily, thoroughly digested before it has time to ferment and irritate the delicate mucous surfaces of the stomach. To secure a prompt and healthy digestion is the one necessary thing to do and when normal digestion is secured the catarrhal condition will have disappeared.

According to Dr. Harlandson the safest and best treatment to use after each meal a tablet composed of Diastase, Aseptic Pepsin, a little Nux. Golden Seal and fruit acids. These tablets can now be found at all drug stores under the name of Stuart's Dyspepsia Tablets and not being a patent medicine can be used with perfect safety and assurance that healthy appetite and thorough digestion will follow their regular use after meals.

Dr. M. J. Booher, of 2710 Dearborn St., Chicago, Ill., writes: "Catharrh is a local condition, resulting from a neglected cold in the head, whereby the lining membrane of the nose becomes inflamed and the poisonous discharge therefrom passing backward into the throat, reaches the stomach, thus producing catarrh of the stomach. Medical authorities prescribed for me for three years catharrh of stomach without cure; but today I am the happiest of men after using only one box of Stuart's Dyspepsia Tablets. I cannot find appropriate words to express my good feeling. I have found flesh, appetite and sound rest from their use."

Stuart's Dyspepsia Tablets is the safest preparation as well as the simplest and most convenient remedy for any form of indigestion, catarrh of stomach, biliousness, sour stomach, heartburn and bloating after meals.

Send for little book mailed free on stomach troubles, by addressing Stuart Co., Marshall, Mich. The tablets can be found at all drug stores.

SCRANTON TALK.

About the Little Wonder-Worker—A Personal Interview of Interest. Our representative called on Mrs. Richard T. Roberts at 404 Thirteenth street, and her conversation as given below is but a sample of the Scranion talk that is going on about the "little conqueror."

"Mrs. Roberts, I am glad you have been a sufferer from kidney complaint, how long did you have it?" "For ten years at least."

"Can you tell what brought it on?" "I can't just say how it came, I first noticed a slight pain in the small of my back which gradually grew worse."

"And of late years your trouble has increased?" "Yes it was very bad at times. I had a dull pain in the small of my back with an occasional pain in the abdomen and groin."

"Was the bladder affected?" "Yes I thought so as during passage of urine an awful itching and burning sensation existed while there was a soreness in the abdomen as well."

"Was the passage of urine unnatural?" "Indeed it was sometimes excessive and sometimes scanty, if I caught cold I was always well."

"Were there any other symptoms?" "My stomach constantly gave me trouble."

"I understand you are cured, what has brought this about?" "I took Doan's Kidney Pills; they have cured my kidney complaint and the stomach trouble has disappeared as well. I have been relieved of my headache. I am truly happy to say I am entirely well all now, and I will always find it a pleasure to recommend Doan's Kidney Pills to all who are victims of kidney troubles."

THE INTEREST AT WASHINGTON.

Four Cabinet Members Did Not Go Home to Vote. Washington, Nov. 2.—Great interest was displayed by the citizens of the throughout the country. Early last evening large crowds congregated in front of the newspaper bulletin boards and at various private places where the returns were displayed. In official circles the interest was intense, and many inquiries were made as to the results, particularly in Ohio and Maryland.

In the absence of the president, his secretary and several members of his cabinet there was no gathering at the White House, where the returns usually are received.

Of the members of the cabinet Secretary Sherman, Secretary Bliss and Postmaster General Gary went to their respective homes to vote. Secretary Alger is on a visit to Michigan, while Secretaries Long, Wilson and Clegg and Attorney General McKenna are in the city. They spent the evening either at home or with friends, where they became acquainted with the results of the election. Assistant Secretary Day, Roosevelt and McKeljohn also went to their respective homes to vote.

SILVER WINS IN KENTUCKY.

The Gold Democratic Vote in the state Very Light. Louisville, Ky., Nov. 3.—A conservative estimate places the majority of Charles P. Weaver, Democrat, for mayor over George D. Todd, the present incumbent, at from 3,000 to 3,500. The entire Democratic ticket is undoubtedly elected with him. There is no doubt about the National Democratic amendment carrying in Louisville.

Returns from the state are meager and unofficial at this hour. These show that Shackford, Silver-Democratic nominee for clerk of the court of appeals, is leading Dailey, Republican. The National Democratic vote was very light. Trustworthy figures will be late.

Heart Disease Cured. WHEN a well known minister after suffering for years with heart disease, is cured, it is not surprising that he should publish the fact for the benefit of others. Rev. J. P. Smith, 245 Fulton St., Baltimore, Md., writes: "For years I suffered from a severe form of heart disease. I used Dr. Miles' New Heart Cure and my heart is now in good condition. Recently, other afflictions came upon me. There was burning, painful sensations on top and back of my head. Fifteen minutes reading would make me almost wild; there were pulling and drawing sensations in my legs all the time, so that I could not sit still. In this condition I began taking Dr. Miles' Restorative Nerve and its effect was simply wonderful. I heartily commend your remedies."
