### TOOLE AND WALBORN

(Continued from First Page.) Poor Director, Rowe, 245; Walborn, 95. Jury Commissioner, Austock, 248; Fogarty, 58. LOSCH HAS HIS SAY. Albright carried Schuylkill Haven by 50 votes. Beacom's plurality is 97 and Swallow ran 14 ahead of Brown. The vote: Beacom 224; Brown 150. Sheriff, Albright, 251; Toole, 211. Poor Director, Rowe 180; Walborn 234.

GILBERTON. Gilberton, including the three wards, gave the Democratic state ticket a majority of 130. Swallow received 24 votes in the West ward, 18 in the Middle and 72 in the East. Toole carried it by 184 majority and Walborn by 65.

DELANO. Delano gave Beacom a plurality of 5 votes; Swallow received 30 votes. Albright's majority was 43, and Rowe's 9.

COVLES TOWN DEMOCRATIC. The Swallow vote cut a big swath in the Republican column at Mahanoy City, the home of Senator Goyh. For Sheriff, Toole carried the town by 22 majority over Albright. His vote was 795; Albright, 773. Poor Director, Rowe, 840; Walborn, 719. For State Treasurer, Brown carries the town by 21. Beacom, 681; Brown, 702; Swallow, 213. The county ticket received the following vote by wards:

Table with 5 columns: Ward, Toole, Swallow, Albright, Rowe. Rows: First ward, Second ward, Third ward, Fourth ward, Fifth ward.

"PLATFORM OF 1896"—ULRICH. Tamaqua had little faith in Big John Ulrich's "Platform of 1896," and turned up a Republican majority. The vote, State Treasurer, Beacom 227; Brown, 250. Swallow, 72. Sheriff, Albright, 402; Toole, 273. Poor Director, Rowe, 359; Walborn, 273. The Swallow vote was about equally divided between both parties.

DAN DUFFY'S BAILIWFICK. St. Clair, the town of Republican majorities, has "gone to the dogs," so to speak. Beacom and Toole both receive majorities. Following is the vote:

Table with 2 columns: Ward, Toole, Swallow. Rows: N. Ward, W. Ward, S. Ward, T. Ward.

TOOLE'S NEIGHBORS. Minersville gave its home candidate a nice complimentary vote. Albright received but 184 votes in the borough while Toole got a total of 967. Poor Director, Rowe, 592; Walborn, 237. Beacom carried the town by 12 majority, and Dr. Swallow received 150 votes.

### THE TOWN VOTE.

All the Democratic Candidates Win With Good Margins.

To-day is one of rejoicing for the Democrats of Schuylkill and none of them are more jubilant than those residing in this borough. The election of the entire Democratic county ticket was materially aided by the voters of Shenandoah and many Republicans of the town are entitled to considerable recognition for the result. The Republicans who stood by their ticket have more than one very gratifying source of consolation. The Democrats had figured on from 600 to 800 majority for Toole, but it only reached 478. The Republicans conceded him from 150 to 200 majority yesterday, so the Democrats were much more out of the way in what they secured than the Republicans were in their concession. Another important feature to be considered is that Shenandoah is a strong Democratic town, while Ashland, Mahanoy City, St. Clair and Minersville are Republican boroughs and all gave the Democratic county ticket a good majority. Even Pottsville, the Gibraltar of Republicanism in Schuylkill, turned traitor to the cause and gave an astonishingly reduced majority. Last fall it gave the Republican ticket a majority of over 1,000. This fall it gave 400, a reduction of more than 600. With all the slumping, stay-at-home and cutting Shenandoah gave Toole yesterday a majority which only exceeded that given to Dunn by 161 votes.

There is not much room for comment on the battle fought in this borough. The use aim on the Republican side before and during the election was to hold down the majority of the enemy, and in this the fight was as successful as could be expected. Disaffection and of year indifference were two formidable obstacles in the path of the Republicans of town yesterday, and only those having a knowledge of the internal condition of affairs in the ranks can sufficiently appreciate what those who stood by the ticket had to contend with.

Much comment has been made upon the results in the Second and Third wards, but a comparison of figures show that, in view of all the circumstances, the Democrats have little, if anything, to brag about in connection with those districts. In 1895 Dunn carried the Second ward by 36 majority. Yesterday Toole carried it by 2 majority. In the Dunn campaign Lyon only had a majority of 91 in the Third ward and yesterday the ward gave Toole but 8 more. The ward that made the worse showing for the Republicans yesterday was the Fourth. Dunn was given a majority of 22. Toole carried the ward yesterday by 113.

Little excitement followed the announcement of the returns and after ten o'clock last night there were comparatively few people on the streets. The Republicans went home satisfied that their county ticket was defeated and the Democrats sought rest in peace after a victory following a hard canvass.

Table with 6 columns: Name, Toole, Swallow, Albright, Rowe, Total. Rows: STATE TREASURER, Beacom, Brown, Swallow, Toole, Rowe.

ADDITIONAL GENERAL. McQuay, H., 96; 119; 127; 130; 80; 51. Ritter, D., 260; 97; 162; 200; 251; 1070. Barnum, I., 6; 10; 23; 12; 11; 44. Ritter's majority, 450.

NOTES. The independent vote flew with Swallow. Shenandoah gave Payne 15 votes for Sheriff.

Up to this time it has not snowed. Toole ran 59 votes ahead of his ticket in Shenandoah.

That old-time Republican stronghold, St. Clair, gave Toole a majority of 119, Rowe 75 and Beacom 70.

Schuylkill Haven gave Swallow 14 more votes than Brown.

Tamaqua and Schuylkill Haven usually Democratic, went Republican. Prophets were all off the track this time.

### Bad for Bronchitis

but extremely good for the sufferer from that harassing disease is Dr. Ayer's Cherry Pectoral. No medicine can compare with this great remedy in the prompt and permanent aid it gives in all bronchial affections. It stops the cough, soothes the irritated throat, and induces refreshing sleep.

"I had a bronchial trouble of such a persistent and stubborn character that the doctor pronounced it incurable with ordinary remedies, but recommended me to try Ayer's Cherry Pectoral. One bottle cured me."

J. C. WOODSON, P. M., Forest Hill, W. Va.

"A short time ago I was taken with a severe attack of bronchitis, and neither physicians nor ordinary remedies gave me relief. In despair of finding anything to cure me, I bought a bottle of Ayer's Cherry Pectoral. Less than one bottle entirely cured me."

GEO. R. HUNTER, Altoona, Pa.

### Ayer's Cherry Pectoral

now put up in half-size bottles at half price—50 cents.

Toole's majority was 488 and Rowe's 335. No comment is necessary.

Mahanoy City's Second ward gave Swallow a majority of 3 over Beacom and Brown.

Toole carried Mahanoy City by 23 while Beacom's plurality was 121. Swallow flew off with 313 votes.

William Penn gave Beacom a plurality of 35 and Toole a majority of 3.

Treat Your Child Fairly.

The health of our children is a stubborn question. Some children seem to thrive under every adverse condition. Others with every care are sickly and weak and nothing seems to help them. They are frail, puny, constantly ailing.

Take your child to the great specialist in children's diseases, Dr. Greene, of Nervura Lane, 23 West 14th Street, New York City, or write to him and give the little one the benefit of the best advice. No charge whatever is made for such consultation or advice, whether you call or write. The success of this world-famous doctor in treating children's diseases is phenomenal, and your child should have this chance to be strong and well. Everybody admires healthy children, and no one has done so much to make children healthy as this specialist. Your child is entitled to health and Dr. Greene's advice and treatment will build up and strengthen the weak constitution.

Ephraim Win Their Suit.

The case of the Eber-Bornmanns vs. the Klie church, north of Bloomsburg, was decided in favor of the plaintiffs. The church was erected on land donated by John W. Klie, but before it was completed the split between the Eber-Bornmanns and the Klies occurred. Mr. Klie testified that he had never delivered the deed for the land. The Eber-Bornmanns maintained that although he had not in fact delivered the deed, he had made an implied delivery by allowing them to proceed with the construction of the church.

### RUNAWAY GIRLS.

Good Time on Stolen Money and Then Repentance.

Mary Balunis and Annie McIntyre, aged 14 years, respectively, ran away from their homes in Mahanoy City yesterday with \$40 stolen by the Balunis girl from her parents. Before leaving the town the girls visited several stores and purchased coats, hats, handkerchiefs, shoes, underwear, rings and last but not least a quantity of candy. The pair then left the town on the 3:23 L. V. R. R. train, bound eastward. When the girls reached Delano they left the train and started homeward, the Balunis girl having weakened. Meanwhile the father of the latter had telegraphed along the line for the arrest of the girls. Constable Ed. Hamon arrested the pair at Park Place, as they walked in from Delano. They were taken back to Mahanoy City and given a hearing before Justice May. The girls said they had been ill-treated at home and compelled to carry the "growler," and that was the reason they ran away from home. The Balunis girl said the McIntyre girl induced her to steal the money and run away. The latter was put under \$200 bail for trial at court. No one furnished bail for the Balunis girl and she was taken to jail.
