MAHANOY CITY.

Mrs. Peshok, the Lamp Thrower. Held For Murder.

MAHANOY CITY, Nov. 4.—Andrew Peshok, the man who was brutally burned by the explosion of a coal oil lamp thrown at him by his wife last Saturday night died at the Mines' hospital at 1:30 this morning. His wife is in the Pottsville jail and will now be charged with murder. This makes two murder trials this town will have at the next term of court.

The annual meeting of the Board of Health was held last evening and following officers elected: President, E. Barlow; secretary, John C. Coughlin; Health Officer, Enoch Hall; Physician, Dr. H. E. Brecker; Michael J. Houghney, of C. H. Kaiser & Co., will be a Democratic candidate for the Senatorial nomination.

While enrolling a car this morning Robert Wyatt, a brother of Hon. Joseph Wyatt, of Shamondah, stepped upon a nail, which penetrated to the foot. The victim is confined to his home by the injury.

Rev. Fred. Weitzel, pastor of the Reformed church at Hazleton and formerly of this town, is reported dying. He is the son-in-law of Rev. H. H. Keiser, of town.

HER CLOTHING IGNITED.

A Woman Has a Thrilling Experience With Fire.

A Polish woman residing on East Lloyd street had a narrow escape from being burned to death yesterday. Her clothing was set on fire by burning oil. Several neighbors went to the woman's assistance in time to extinguish the flames before she was seriously injured. One of her arms was burned severely. It appears that the kitchen stove in the woman's home was near a window all that was covered with oil from mending clothes and lamps. There was also a bottle of liquid blue on the window sill. This bottle exploded and scattered the burning oil on the woman's clothing when she was attempting to put out the fire, which was started by the heat from the stove.

A Miscellaneous Escape.

William Stanton and his father, of Malenaville, were driving to Girardville last evening, when they were plunged over a steep embankment at West Bear Ridge colliery. Fortunately neither the occupants or the horse were seriously injured. This is a dangerous part of the public highway, and three or four accidents have occurred at this point within as many weeks.

SCHOOL BOARD MEETING.

A Hot Campaign to Be Instituted Against Troublesome Children.

A regular monthly meeting of the School Board was held last evening. A session was a brief one and very little business outside of the routine order was transacted. The Directors in attendance at the meeting were Messrs. Howell, Hains, Blough, Higgins, Ely, Ketter, Sullivan, West, Cunniff, Cochran, Reslin, Rose and James.

The most important business considered related to reports made by Superintendent Cooper and Trust Officer Smith and resulted in power to act being conferred upon the officials who have the treasury affairs in hand.

Among the first matters brought to the attention of the Board was a communication from Henry Cook, janitor of the Lloyd street school building. In consequence of the new heating high school having been established in his building he wanted \$3 per month increase in salary. The schedule now gives him \$12 per month in addition to his salary for day work and the Board, on motion of Mr. Bough, decided to make no increase.

Superintendent J. W. Cooper's report was a lengthy one. The following statistics on last month's attendance were submitted: Monthly enrollment—Boys, 1243; girls, 1184; total, 2427. Average daily attendance—Boys, 1189; girls, 1182; total, 2371. Average percentage of attendance—Boys, 95; girls, 90; total, 92. There were 1,083 pupils present at every session. Visits by citizens, 144; by directors, 413. The night schools opened at the time ordered by the Board and had an enrollment of 489 pupils, aside from the enrollment of 37 in the new night school.

The report then dealt briefly upon the work of the trust officer and recommended that the Board fix Nov. 22nd as the day when all pupils who are not attending a day school or who are not attending a night school, shall be required to attend school.

The officer continued his report by saying that he has been in the night schools and no truant has been detected. An inspection has been made of the rolls and it is found that 484 children between the ages of 8 and 13 whose names appear on the Assessors' rolls have not entered school. On the teachers' rolls there are 787 names of children between the ages of 8 and 13 years that are not on the Assessors' rolls.

M. M. Burke, Esq., solicitor for the Board, was asked for an opinion on the case of the boy referred to by the superintendent and trust officer and he advised that the Board could proceed against the father criminally. Should all efforts of the father fail and the matter rests (as between the father and the school Board), then it will be proper for the Board to become the prosecutor as against the boy.

The Board decided that November 22nd, 1907, be fixed as the day upon which all children within the age limits must enter the schools. It was also decided to leave the case of the troublesome boy in the hands of the superintendent, trust officer, solicitor and compulsory education committee with power to act.

The committee on teachers and salaries made a recommendation that a first grade grammar school be established at Turkey Run and the salary of the teacher, James M. Mullaley, be increased to \$65. Also that eight first grade and three second grade grammar school children residing at Turkey Run and attending school in town be transferred to Mr. Mullaley's school. The recommendations were made in response to a petition from people of Turkey Run, who desired to save their children the walk to town in the winter. The Board adopted the recommendation.

A communication from the Beck-Williams Co., asking the Board to designate the defects arising from the company's heating plant in the new White street school building, was referred to committee.

It was decided to loan one of the portable blackboards in use in the local schools to the Mahanoy City School Board, for use at the Teachers' County Institute.

Director Dove recommended Martin Fry, of Turkey Run, and Mrs. Marshall, of North Jordan street, for exoneration from taxes. Director Sullivan recommended Mrs. Kelley, of the First ward.

A Reporter's Bright Answer.

"Why don't you run a newspaper like that?" a merchant said to a reporter the other day, throwing out a Chicago daily.

"For the same reason you don't run a store like that," the reporter replied turning to a full-page advertisement of a Chicago house showing a twelve-story building. The merchant looked attentively at the picture for a moment and said: "I never looked at it that way before." Of course he didn't.—Ex.

La Grippe Cured

This modern malady has become dreaded not more for its direct fatality than for the weakness of body and mind it leaves behind it. Prolonged debility, permanent prostration, melancholy and suicide follow La Grippe. For this disease there is no remedy superior to Ayer's Cherry Pectoral.

"The best remedy for La Grippe that I know of is Ayer's Cherry Pectoral." Rev. JOHN K. CHARRS, South Hampton, N. H.

"My wife and five children were taken down with the grippe, while the disease was widely prevalent. I doctored them with Ayer's Cherry Pectoral, and before using quite two bottles my family was restored to health. I know of several obstinate cases of the same complaint which were also cured by this remedy." J. PARMENTER, Paletts, Miss.

4 North Main St. PENNSYLVANIA PLURALITIES.

Complete Returns Show That Dr. Swallow Carried Ten Counties.

Philadelphia, Nov. 4.—The following table shows the pluralities by counties for state treasurer, computed from complete returns in nearly all the counties the pluralities being from the official figures. The complete official returns will change but slightly the figures here given.

It will be seen that in the ten counties which gave pluralities for Dr. Swallow (Pro.), the net plurality for Beacom over Brown is 5,528. This makes Beacom's plurality over Brown in the state 123,458. The complete vote of every county in the state, except Greene, gives the following as the total vote for state treasurer: Beacom (Rep.), 364,597; Brown (Dem.), 240,215; Swallow (Pro.), 114,153; Thompson (Ind.), 11,293. The vote for auditor general is: McCauley (Rep.), 400,025; Ritter (Dem.), 260,194; Lathrop (Pro.), 55,382.

It will be seen that Dr. Swallow, the Prohibition candidate for state treasurer, has a plurality in ten counties—Blair, Clearfield, Clinton, Cumberland, Dauphin, Huntingdon, Juniata, Lycoming, Montour and Northumberland.

In Columbia county, which gave a plurality for Brown, Swallow has a larger vote than Beacom, and in each of nine other counties which gave pluralities for Beacom Dr. Swallow's vote is larger than that of the Democratic candidate.

The total vote, with Greene county to be added, is 734,259. Last year the total vote for president was 1,194,368. In 1895 the total vote was 767,607.
