At Kepchinski's Arcade Cafe, California bean soup to-night.

A Bad Cut.

Prank Laman, a Pole residing on South
Pear alley, entained severe injury at Packer
No. 3 colliery this morning. A lump of
coal he was carrying split in his bands and
one of the pieces cut the radial actury at the
right wrist. Profuse hemorrhage was caused
and the man almost bled to death. Dr. W.
N. Stein secured the sends of the control. . Stein secured the ends of the severed

Was Not Reached.

The case of the West Mahanoy township School Board, with its army of witnesses, was on the calendar at Pottsville to-day, but owing to a pressure of other business the court was musble to call it up for trial.

A Hanath reporter is informed by a local physician that diphtheria is again taking hold in town. Furing the past few days owing to a pressure of other business the court was musble to call it up for trial.

DIED FROM

William Smith Relieved of Intense Suffering by Death.

RESULTED FROM A SHOT WOUND

William Smith, son of Albert Smith, out-de foreman at the Indian Ridge colliery, died yesterday from lockjaw, superinduced by blood poisoning following a pistoi shot wound in the hand.

It was followed by an invocation by Kev. I and M. Gabbe, paster of the Methedist Episcopal church.

The soldress of welcome was made by Prof. W. N. Ehrhari, superintendent of the Mahano (Ity public schools. It was a warm and cordinal greeting to the teachers and expressed the pleasure which the citizens of Mahanoy (Ity felt in having the teachers with them.

The response was reade by Superintendent. R. F. Ditchburn, of Tamaqua, in his usual genial and kindly husnor, and was well be recived. His address was followed by remarks by County Superintendent Weiss, who closed by inviting addresses from others.

E. S. Heinheld, formerly a school teacher in and superintendent of the Mahanoy City public schools, and now cashier of the man was perintendent of the Mahanoy City public schools, and now cashier of the man was perintendent of the Mahanoy City public schools, and now cashier of the man was perintendent of the Mahanoy City public schools, and now cashier of the man was perintendent of the Mahanoy City public schools, and now cashier of the man was perintendent of the Mahanoy City public schools, and now cashier of the man was perintendent of the Mahanoy City public schools, and now cashier of the man was perintendent of the Mahanoy City public schools, and now cashier of the man was perintendent of the Mahanoy City public schools, and now cashier of the man was perintendent of the Mahanoy City public schools, and now cashier of the man was perintendent of the Mahanoy City public schools, and now cashier of the man was perintendent of the Mahanoy City public schools, and now cashier of the schools are copied the invitation and delivered the preliminary exercises and the regular business of the Institute was taken up, commencing with an address by Mrs. Mathide Coffin Ford, of New York City, who is one of the faculty of instructors.

The officers of the Institute are:

President, G. W. F. Kutzer, J. S. Cales was pastor of the schools, and the closer of the faculty of instructors.

The officers of the Institute are: case. Saturday night Smith's condition be came werse and he was unable to take his

medicine. Yesterday morning Drs. Callen and Hamilton performed an operation on the hand, but this failed to have the desired effeet and at 10:20 last night the victim died in terrible agony. He suffered from frequent and severe spasms. The funeral will take place on Wednesday morning. Services will be held in the German Catholic church.

Lithuanian Uses a Cinte and Knife MONETARY

Composed of the President, Secretary of the Treasury and Comptroller of the Currency.

Washington, Nov. 8 .- The monetary commission is receiving, in answer to its invitation, many interesting propositions for reform of the banking and currency systems of the country, and among these is one from John C. Bulof the problem before the con and its provisions in outline are as fol-

That all of the outstanding currency

obligations, ambunting to about \$800.-000,000, shall be taken up and can-celled, being replaced according to business exigencies (under the direction of a currency board composed of the president, secretary of the treasury and comprisier of the ourrency) by 3 per cent bonds. There is to be but one kind of currency, namely, national bank notes, redeemable in gold at the bank of issue and a selected bank of reserve and these notes are to be inreserve, and these notes are to be is sued gradually to replace obligations as the latter are retired. These notes are to be secured by a deposit of 3 per cent of gold in the treasury, by 1 per cent gold in the bank vaults and b first lien upon all of the banks' assets, as well as by a special provision giving the government the right to asse national banks when needed to make good notes of a defaulting bank, the notes of which would then be redeemed by the government. A tax is to be laid upon the banks

to cover the expenses of the currency board and the balance held to secure redempt'on of notes in gold, but if this exceeds \$10,000,000 this surplus may be covered into the treasury to pay in-terest on United States bonds and for general purposes. This tax should be one-half of 1 per cent or 1 per cent per annum, as the commission shall elect. Power should be given to the banks

under permission from the currency board to increase the note issue when demand caused by unusual financial emergencies, such increase to be sub-ject to a tax (to be determined from time to time by the currency board) upon the notes while in circulation, the tax upon the notes to be at a rate which would put a pressure upon the banks to take up the notes when the

government when demanded. These amount to about \$100,000,000.

No note should be issued for less than National banks should be constrained
