## THE KETCHAM MARRIAGE

### Further Evidence That Ketcham Was Wedded by Proxy.

### THE RELATIVES INDIFFERENT.

### His Lawyer Declares That Even If There Was a Marriage Ceremony, With Ketcham as the Bridegroom, They Will Prove Him Irresponsible.

Chicago, Nov. 18.—Statements made by Tom Riley, the Milwaukee hackman who drove Mrs. Mabel Wallace to the altar, and by Rev. J. P. Roberts, who was married on the morning of Sept. 2 last, tend to strengthen the claim of John B. Ketcham's relatives that he was not the groom on that occasion. According to his story, which is corroborated by Miss Anna, Mabel and Mrs. W. A. Hunzinger, the woman with the dark hair married a man much shorter than she is.

Riley described the groom in the strange affair as a thin, weak-looking fellow, a foot shorter than the woman.

Miss Anna Mierch, who witnessed the ceremony, also declares that the man was much shorter than the woman.

## THEY RIDICULE IT.

### MANY PEOPLE RIDICULE THE IDEA OF AN ABSOLUTE CURE FOR DYSPEPSIA AND STOMACH TROUBLES.

### Ridicule, However, is Not Argument and Facts are Stubborn Things.

### Stomach troubles are so common and in many cases so obstinate to cure that people are apt to look with suspicion on any remedy claiming to be a radical, permanent cure for dyspepsia and indigestion.

### Many such pills themselves on their own merits, never being humbugged, especially on medicine.

### This fear of being humbugged may be carried too far, so far, in fact, that many persons suffer for years with weak digestion and do not risk a little time and money in faithfully testing the claims of a preparation so reliable and universally used as Stuart's Dyspepsia Tablets.

### Now Stuart's Dyspepsia Tablets are vastly different in one important respect from ordinary proprietary medicines for the reason that they are not a secret patent medicine, no secret is made of its ingredients, but analysis shows them to contain the natural digestive ferments, pure aseptic pepsin, the digestive acids, Golden Seal, bismuth, hyaline and iron.

### They are not cathartic, neither do they act powerfully on any organ, but they cure indigestion on the common sense plan of digesting the food eaten promptly, thoroughly before it has time to ferment, sour and cause the mischief. This is the only secret of their success.

### Cathartic pills never have and never can cure indigestion and stomach troubles because they act entirely upon the bowels, whereas the whole trouble is really in the stomach.

### Stuart's Dyspepsia Tablets, taken after meals, digest the food. That is all there is to it. Food not digested or half digested is poison as it creates gas, acidity, headaches, palpitation of the heart, loss of flesh and appetite, and many other troubles which are often called by some other name.
