INCREASE YOUR BUSINESS BY ADVERTISING. There is no better way.

GLADSTONE weighs 117 pounds and Salisbury 292, nevertheless Gladstone is by far the bigger man of the two.

The Board of Health of Pottsville proposes giving the people of that town pure milk. Our local health authorities content themselves with giving Shenandoah a luxury in the shape of salaried officials.

MARTIN THORN'S dog, the boon companion of the solitary hours he has spent in a New York cell, is to be gazed at by curious thousands. An enterprising museum manager has purchased it, and it is to be exhibited throughout the country. It is surprising that such an attraction should be thought to be a drawing card, and yet the shrewd enterer to the appetite of the morbidly inclined will probably find crowds to come and gaze on it.

There is some talk about Speaker Thomas B. Reed retiring from Congress at the end of his present term and coming to New York to engage in business pursuits. The Republican party, nor the people at large, can ill afford to have such a brainy man as Reed retire from public life. He is to-day the ideal representative. He has infused popular ideas into the House, and as its presiding officer occupies a place to which he is better fitted than any man who ever occupied it.

**Much Philosophy.**  
Business men, in business hours, attend only to business matters. Social calls are best adapted to the social circle. Make your business known in few words without loss of time.

Let your dealings with a stranger be most carefully considered, and friendship daily appreciated. A mean act will soon recoil, and a man of honor will be esteemed. Leave "tricks of trade" to those whose education was never completed.

Treat all with respect, confide in few, wrong no man. Be never afraid to say no, and always prompt to acknowledge and rectify a wrong. Leave nothing for to-morrow that should be done to-day. Because a friend is polite, do not think that his time is valueless. Have a place for everything and everything in its place.

To preserve long friendship, keep short credit; the way to get credit is to be punctual; the way to preserve it is not to use it much. Settle often, have short accounts. Trust no man's appearance; they are often deceptive, and assumed for the purpose of obtaining credit. Rogues generally dress well. The rich are generally plain men.

Be well satisfied before you give a credit that those to whom you give it are men to be trusted. Attend strictly to your own business.

**Fifty Years Old.**  
The observance of the fiftieth anniversary of the Patriotic Order Sons of America, which occurs on December 10th, will be general throughout the jurisdiction of the organization. Almost every one of the six hundred and sixty camps in this state are making extensive preparations to celebrate in an elaborate and appropriate manner. In the larger towns and cities, having a number of camps, arrangements are being made to hold a joint celebration on an extensive scale.

There are three camps of the order located in Shenandoah, and at least one or two of them will appropriately celebrate this important event. It might not be out of place to suggest the joint celebration in the nature of a public meeting. It would be both entertaining and instructive to the members as well as to those not identified with the organization.

The order has certainly had a history of fifty years of glorious achievement, and practical work well rendered and duty religiously performed. It points with pardonable pride to the proud record it established for itself during the war of the rebellion. Among those who comprised the first five companies of volunteers to reach Washington were many members of the order, and the enlistment continued until almost the entire membership of the order in the entire country were at the front fighting for the preservation of the Union, and many hundreds gave their lives a willing sacrifice upon the altar of their country to save it from being divided.

The general was the enlistment that of all the many camps that maintained its organization.

Many of those who wore the Union blue are still among the most active members of the order.

Greenville, O., Nov. 19.—A dastardly attempt was made to wreck the fast New York and Chicago express on the Erie road at this place. The wreckers had piled iron plates upon the track, but in such a way that the entire train passed over them without being derailed. **DO IT YOURSELF.**

You can tell just as well as a physician whether your kidneys are diseased or healthy. The way to do it is to take a bottle of glass-urine, and fill it with urine. If the sediment is a powder-like substance—at the bottom after standing a day and night, there is something wrong with the kidneys. Another sure sign of disease is a desire to urinate often, and still another sign is pain in the back. If urine stains linen, there is no doubt that the kidneys are affected.  
And any ailment of the kidneys, liver, bladder and the urinary passages and constipation of the bowels is cured by Dr. David Kennedy's Favorite Remedy. There is no question about its being the best and surest medicine in the world for such troubles. It quickly relieves and cures inability to hold urine, and people, young or old, who take it are not compelled to get up a number of times during the night. For patients and to that scalding pain experienced in passing urine, nothing is so good as Dr. David Kennedy's Favorite Remedy. It corrects the bad effects of whiskey and beer; is pleasant to the taste, and does not seem to be medicine at all. Diseases of the kidneys and bladder often require the use of instruments to push the kidney matter so the urine can be voided. In such cases Favorite Remedy should be taken without further delay or the disease may prove fatal. It is sold for one dollar at all drug stores. It is well worth many times its price.

**WHAT IT INDICATES.**  
Nothing so interferes with one's plans or ambition like sickness or poor health. Have you ever thought that your kidneys may be the cause of your sickness? You can easily find out by setting aside your urine for twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys. When urine stains linen it is evidence of kidney trouble. Too frequent desire to urinate or pain in the back, is also convincing proof that the kidneys and bladder are out of order.  
It is a source of comfort to know that Dr. Kilmer's Swamp Root is the great remedy for all kidney and bladder complaints. It relieves pain, stich or dull aching in the back, difficult or painful urination, frequent desire to urinate, scalding or pain in passing it, and quickly overcomes that unpleasant necessity of being compelled to get up many times during the night. The mild and extraordinary effect of Swamp-Root is soon realized. Its action is gentle, yet immediate, the relief speedy and the cures permanent. At druggists fifty cents and one dollar. You may have a sample bottle and pamphlet, both sent free by mail. Mention HERALD and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The proprietors of this paper guarantee the genuineness of this offer.

**TERRIBLE EXPERIENCE AT SEA.**  
**Adrift for Sixty Days, But Eight of Twenty-four Survived.**  
San Francisco, Nov. 20.—From Auckland comes a story of the terrible experiences of 24 shipwrecked Samoans. The party left the island of Tutuila in a large boat for two islands some 60 miles to the eastward. They were blown out of their course and drifted before the wind for 60 days until they made the island of Namunui, which is about 900 miles in a direct line from their starting point. Nearly half the party died in the boat, one was killed in landing and some died on shore, making only eight survivors. They held breathless to catch rain, which fell heavily, and which they stored in boxes. The island they reached is inhabited by people who took all possible care of them, but they were in a very emaciated condition when the steamer picked them up.

**URUGUAYAN TURMOIL.**

The Acting President Assailed in the Chamber of Deputies.  
Montevideo, Nov. 19.—The city is in a panic over the incident at yesterday's session of the chamber of deputies and the report that Dr. Miguel Herrera y Obes, minister of the interior and of justice in the Borda cabinet, had been shot by a dissensionist in the chamber of deputies now seems inevitable.  
In the chamber Dr. Herrera y Obes made a violent attack upon Senor Cuestas, who assumed the presidency of the republic ad interim on the assassination of Senor J. Idiarte Borda, who was shot by Arrendonda during the national fête on Aug. 25 last. On Sept. 29 Senor Cuestas issued a declaration of policy, promising to conduct the administration with strict economy, to purge the public departments, especially the department of customs, and religiously to pay the interest on the public debt. At the time he expected the change in the department of customs would yield at least 5,000,000 francs monthly.  
Yesterday Dr. Herrera Obes called upon him for a more explicit statement as to his program in the event of his election as president. Senor Eduardo de Cuestas, minister of the government, refused to reply, whereupon Dr. Herrera Obes presented a motion demanding the resignation of the president of the republic ad interim. It is said that if this motion is adopted by the deputies Senor Cuestas will dissolve the chamber. All sorts of rumors are being spread, and many citizens have closed their houses and the troops are held in readiness against outbreak.

**FOUR BOXES DID IT.**  
**Remarkable Success of a New Pile Cure.**  
People who have suffered for years or months from the pain and inconvenience of that common disorder, piles, will look with skepticism upon the claims of the makers of the new discovery for cure of all forms of piles, known under the name of Pyramid Pile Cure; nevertheless the extraordinary cures performed by this remedy are such as to warrant the investigation of any sufferer. As a case in point the following letter speaks for itself.

Mr. Henry Thomas of sub-station No. 3 Hosack Ave., Columbus, Ohio, writes as follows:  
Pyramid Drug Co:  
Gentlemen:—I want you to use my name if it will be of any use to you. I was so bad with the Piles that I lost work on that account. Nothing did me any good. I read in Cincinnati of the many cures of piles by the Pyramid Pile Cure and I went to a drug store and asked for it. The drug clerk told me that he had something else that he thought was better, but I told him that I wanted to try the Pyramid first.

The first box helped me so much that I tried another and then to complete the cure used 2 or more boxes, making four in all. I am now completely cured. Have not a trace of piles and I had suffered for four years with the worst form of protruding piles.  
I suffered death from piles, but I have found the Pyramid Pile Cure to be just as represented. I have recommended it to several of my friends and I am thankful to be able to write you what good the remedy has done for me.

Physicians recommend the Pyramid Pile Cure because it contains no opium, cocaine, or mineral poison of any kind, and because it is so safe and pleasant to use, being painless and applied at night. The patient is cured in a surprisingly short time with no inconvenience whatever.  
The Pyramid Pile Cure is sold by druggists at 50 cents per package, and if there is any constipation it is well to use the Pyramid Pills at the same time with the Pile Cure, as constipation is very often the cause of piles and the pills effectually remove the costive condition. Price of pills is 25 cents per package.  
Write to Pyramid Drug Co., Albion, Mich., for little book on cause and cure of piles; sent by mail free.

Vanquished by Dr. Miles' Remedies.  
MRS. SIDLEY, of Torrington, Conn., Suffered from just such a complication of diseases as the extensive experience and investigations of Dr. Miles have proven, result from impairment of the nervous system. Mr. Jas. H. Sidley writes Oct. 25, 1905: "My wife was taken sick with neuralgia of the heart, nervous exhaustion and liver trouble. Although attended by two physicians she grew worse, until she was at death's door. I then began giving her Dr. Miles' Restorative Nervine and Dr. Miles' New Heart Cure, and she improved so wonderfully from the first that I at once dismissed the physicians. She now eats and sleeps well and does her own household work. We have recommended your remedies to a great many in our city, and every one has been very much benefited by them."
