SOCIETY WOMEN USE IT. Mrs. Kester Haines, Prominent New York Hostess, Relieved of Insomnia by Paine's Celery Compound.

There exists among women who are much | failed to do all that I claim for it. In society a form of weariness resulting from overtaxed nerves, more intense and depress-ing than any known to thred nurseles. To may one suffering from any of the His attendant upon continued loss of sleep I can and do hearthy recommend it. Very truly yours. Mayma L. HAINES.

ing than any known to fired muscles. The overcrowded lives of such women make them slaves of arxieties and annoy-ances which they cannot ignore. The following letter from one of New York's busiest bostesses shows how implicitly Paine's colory compound is relied on among Paine's colory compound is relied on among

York's busiest bostesses shows how implicitly faine's colory compound is rolied on among the most intelligent, well-to-do families as well as in the many more humble house noids all over the country. New York City, Cet 9, 1997. Gentiamen-I think it has fair to you that bear testimony to the benchcial results of Paine's celery compound. There is hardly a family one of Paine's celery compound. There is hardly a family of any size where the some bench and for a word of nervous prestration, resulting from overwork, mental and physical. I had best my memory completely, and friends foured i would never wall, my physician prescribed Paine's celery compound, and within a few days there was a decided improvement in my conditor. After the use of three houses I was seenable to the tables and difference of the days there was a decided improvement in my conditor.
