THE GREATEST DISCOVERY YET.

W. M. Bepko, editor Tiskawa, Ill., "Chief" says: "We won't keep house without Dr. King's New Discovery for Consumption, Coughs and Colds. Experimented with many others, but never got the true remedy until we used Dr. King's New Discovery. No other remedy can take its place in our home, as it is a certain and sure cure for Coughs, Colds, Whooping Cough, etc." It is able to experiment with other remedies, even if they are urged on you as just as good as Dr. King's New Discovery. They are not as good, because this remedy has a record of cures and besides is guaranteed. It never fails to satisfy. Trial bottles free at A. Waseley's drug store.

THE YOUTH WANTED TO MARRY.

And Made an Unsuccessful Attempt to Murder His Parents.

Lowell, Mass., Dec. 4.—Alfred Howe, a son of Edwin A. Howe, a letter carrier, was arrested here yesterday, charged with murderously assaulting his father and mother. The arrest was the result of an investigation by the police, which disclosed the fact that on Wednesday night Mr. Howe, who had been weakened by some noise, found several of the gun barrels wide open. Later a quantity of silverware which was missing, and which it was thought had been taken, was found hidden under a wood pile in the cellar. Then young Howe was arrested. The police learned that Howe, who is 21 years of age, has been thinking of marriage for some time, but has been unable to carry out his wishes through lack of money. Mr. and Mrs. Howe both carry life insurance.
