Minister Hoshi Leaves San Fran-Francisco For Washington.

JAPAN OPPOSES ANNEXATION.

"There Will Be Serious Trouble if the our Regard to Our Interests There." Says the Oriental Representative.

San Francisco, Dec. 6,-Toru Hoshi, envoy extraordinary and minister plenotentiary from Japan to the United States, was a passenger from the Orient on the steamship City of Pekin. He left last night for Washington, carrying with him important instructions in reference to the Hawalian treaty of annexation, which will be considered by the United States senate. Several months ago he hurriedly left Washing-ton for Japan. Lucigert Will Take the Stand. Chicago, Dec. 6.—Adolph L. Luetgert will take the witnes stand and tell his story regarding the disappearance of his wife on May 1. Attorney Harmon, for the defense, decided on this course last night. Luetgert was very desirous of testifying at the first trial, and the refusal of his counsel to allow it was probably the chief cause for the latter's withdrawal from the case.

case because of his friendship for Gould. He gave to Gould a letter of recommendation, which Gould presented to Telxeira in applying for the position of private secretary. When a detective, posing as the agent of Telxeira, conducted negotiations with Turnbull the latter brought Gould into the case Then the detective inquired at the Spanish consulate concerning Gould. The consul said that he considered Gould eminently fitted to act as secretary to Senor Telxeira.

This was the substance of the letter of recommendation which Gould had presented. The visit of the detective to the consul general's office tended to block the plan to fleece Senor Teixeira, Turnbull said, because the visit had become known to Turnbull and Gould and they were warned to be careful. "The Spanish consul," said Detective Vallely, "notified Gould that I was a detective and Gould warned Turnbuil. Gould admittted that he had told Turnbull about Senor Teixeira, and that the Spanish consul had told him the alleged facts of the inside history of the Brazilian millionaire's life. "Gould told me," said Detective Val-

lely, "that the Spanish consul had told him that Senor Teixeira was mixed up in a scandal in Brazil and that there was an indictment against him. He painted the celebrated picture entitled "The First Communion in America." which took prizes in Paris, Madrid and Chicago. He is a first cousin of Dom Pedro, once emperor of Brazil. Senor Teixeira is reputed to own rich gold mines in the republic of Brazil.

"I know Mr. Gould," he said. "He is an educated, courteous gentleman, and an honor to his country. I know there must be some serious mistake Mr. Gould came to me one day severa months ago and asked my opintor about European art schools. I knew little about art, and told him so, but I gave him a letter of introduction to Senor Teixelra, with whom I happened to be slightly acquainted, and who is very familiar with that subject.
