## "PARTITION OF CHINA."

That Is What the Gathering of the Fleets May Mean.

JOHN BULL'S VIGOROUS PROTEST.

The British Squadron will Make a Demonstration at Chee-Foo as a Warning That China Must Not Be Divided Without Consulting England.

London, Dec. 22.—A dispatch from Berlin, says: The Cologne Gazette maintains the accuracy of its statement that the Russian occupation of Port Arthur was connected with the visit there of the British warships Daphne about a week ago. As proof it points out that there were neither Russian ships nor a Russian consul at Port Arthur at the time the Daphne visited the harbor, and it argues that Russia could only have learned of the visit through China's complaint.

The Paris correspondent of the Cologne Gazette telegraphed his paper that a week ago, in spite of the protests of the Chinese, the British warship Daphne entered the inner harbor at Port Arthur, although she was not invited there. He says that the Russian occupation of the port was connected with the visit.

According to special dispatch from Shanghai the British squadron will make a demonstration at Chee-Foo, on the north coast of the Shan-Tung promontory, as a warning. It is supposed that Great Britain intends to oppose the division of China without consulting her. It is reported there that Russia has offered China a loan to pay off the indemnity of the war with Japan, and it is believed, says the dispatch, that Japan and England are acting in concert to preserve China from disintegration, favoring the idea of a protectorate over central China, with a capital at Nanking.

A German-Chinese commission has been arranged, according to a dispatch from Shanghai to The Daily Mail, to settle the boundaries of the occupied district at Kiao-Chau, and it is evident, therefore, that the occupation will be permanent. The same dispatch says it is rumored in Shanghai that the British intend to occupy Tientsin, south of Port Arthur, in order to guard the Gulf of Pe-Chai-Li.

The Daily Mail's correspondent at Tokio says there is no excitement there over the news from Port Arthur. The press is calm, and the public is indifferent. It is rumored, also, the dispatch alleges, that a large Russian military force is coming from Siberia. A special dispatch from Hanoi says the French cruiser Jean Bart has been ordered to leave Hanoi immediately for China. The Jean Bart is rated as a second class cruiser. She mounts four 6.2 inch quick fire guns, six 5.5 inch guns, and has a large gun. Her crew numbers 322 men.

**Robbed the Grave.**  
A startling incident of which Mr. John Oliver of Philadelphia, was the subject, is related by him as follows: "I was in a most dreadful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in my back, and appetite gradually growing weaker day by day. Three physicians had given me up. Fortunately, I met a man, trying 'Electric Bites,' and to my great joy and surprise, the first bite made a decided improvement. I used them for three weeks, and now I am now a well man. I know they saved my life, and robbed the grave of another victim." No one should fail to try them. Only 50 cents per bottle at A. W. Wastley's drug store.

**Received by Government.**

Aug. 1, 1892, the leading druggist of Shrewsbury, N. J., says: "Dr. King's New Discovery is the only thing that cures my cough, and it is the best I have." J. F. Campbell, merchant of Salford, Ark., writes: "The King's New Discovery is all that is claimed for it. It never fails, and is a sure cure for Consumption, Coughs and Colds. I cannot say enough for its merits." Dr. King's New Discovery for Consumption, Coughs and Colds is not an experiment. It has been tried for a quarter of a century, and to-day stands at the head. It never disappoints. Free trial bottles at A. W. Wastley's drug store.

**Death of Princess Hohenlohe.**  
Berlin, Dec. 22.—Princess Hohenlohe, wife of the imperial chancellor, is dead. She had been suffering from inflammation of the lungs. Princess Hohenlohe, formerly Princess Marie Von Sayn-Wittgenstein-Berleburg. She was married on Feb. 18, 1847 to Prince Von Hohenlohe-Schillingfurst. They had four children, three sons and a daughter.

**Minors vs. Against a Strike.**  
Bismarck, Mich., Dec. 22.—The results of the recent ballot of the mine union, in progress for the last five days, will be overwhelmingly against a strike. The attempts last August and now to get the men to walk out may disrupt the union.

## NO HUMBUG HERE.

Shenandoah Endorsement Is What Counts With the Shenandoah Public.

You can't fool the public all the time. They will find you in time. Every time a man is fooled. Many the remedy that makes the skeptic fail to keep his promises. Doan's Kidney Pills bring renewed faith. They cure the skeptic.

Plenty of proof of this at home. Shenandoah proof for Shenandoah people. Our citizens say they cure backache. Cure sick kidneys. Experience has taught them this is so. Conviction for every sufferer. In the testimony of friends and neighbors. Read this case:

Mr. J. J. Kelly, of 26 South Main street, Merchant, reading about the remarkable success of Doan's Kidney Pills procured them from Kelly's Pharmacy and the following is what he says of his experience. "I am an endorser of Doan's Kidney Pills. I was afflicted with pain in my back which was both annoying and inconvenient when at length I was induced to try them. I had a dull aching across my loins. I had a feeling of languor, a lack of energy and listlessness. Doan's Kidney Pills for sale by all dealers. Price 20 cents. Mailed by Foster-Milburn Co., Buffalo, N. Y., sole agents for the U. S. Remember the name Doan's and take no substitute.

**THE GREAT SURPRISE IN STORE**  
For those who go to-day and get a package of GRAIN-O, it takes the place of coffee at about 1/2 the cost. It is a food drink, full of health, and can be given to the children as well as the adult with great benefit. It is made of pure grains and has a taste like the finest grades of Mocha or Java coffee. It satisfies everyone. A cup of Grain-O is better for the system than a cup of coffee, because its benefit is permanent. What coffee breaks down, Grain-O builds up. Ask your grocer for Grain-O, 10c. and 25c.

**NO EVIDENCE AGAINST SILVER ISSUE.**  
Winchester, N. C., Dec. 22.—Assistant Secretary Spaulding yesterday issued orders for the release of the Silver Issue. This step was taken on a report by the United States attorney that he could obtain no evidence upon which to proceed against the vessel. The master and mate of the vessel appear also to have had no arms or ammunition on board and will be delivered up in Cuba.

**It IS EASY TO TELL.**  
People who fail to look after their health are like the carpenter who neglects to sharpen his tools. People are not apt to get anxious about their health soon enough. If you are "not quite well" or "half sick" have you ever thought that your kidneys may be the cause of your sickness?  
It is easy to tell by setting aside your urine for twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys. When urine stains linen it is evidence of kidney trouble. Too frequent desire to urinate, scanty supply, pain or dull ache in the back is also convincing proof that the kidneys and bladder are out of order. There is satisfaction in knowing that the great remedy Dr. Kilmer's Swamp-Root, dispels every wish in relieving weak, diseased kidneys and all forms of bladder and urinary troubles. Not only does Swamp-Root give new life and activity to the kidneys—the cause of trouble, but by treating the kidneys it acts as a tonic for the entire constitution. If you use our medicine take Swamp-Root—it cures. Sold by druggists, price fifty cents and one dollar, and by sending your address and the name of the paper to Dr. Kilmer & Co., Poughkeepsie, N. Y., you may have a sample bottle of this great discovery sent to you free by mail.

**MINNESOTA'S "PINK LAW" VALID.**  
St. Paul, Dec. 22.—Judge Lochren has decided that the Minnesota "pink law," providing that all oleomargarine or butter made or sold for sale in this state must be colored a bright pink, is constitutional. In 1893 the inspectors of the dairy and food department seized a quantity of oleomargarine from Armour & Co. at Duluth. The Armour people replevined the oleomargarine, and the result was a suit, which found its way to the United States court.

London, Dec. 22.—Charles Holmboe, son of the late Dr. Holmboe, of New York city, the well known patent medicine proprietor, has been locked up and is awaiting trial at Bow street police station on charge of threatening to kill United States Consul Osborne. During the last three weeks he had been hunting the United States consulate, shabbily dressed, and demanding money. He told a story of the seizure of his clothes and effects by the Berlin consul for debt, and declared that Mr. Osborne was responsible for the seizure.

## NO FAITH CURE.

ABOUT STUART'S DYSPEPSIA TABLETS.

They cure Stomach Troubles and Indigestion Anywhere, Whether You Have Faith in Them or Not.

All physicians agree that the element of faith has a great deal to do in the cure of disease. Firm belief and confidence in a family physician or the same confidence and faith in a patent medicine, have produced remarkable cures in all ages. This is especially true in nervous troubles and no field offers so prolific a harvest for the quick and charlatan, as the diseases arising from a weak or run down nervous system. Nevertheless, the most common of all diseases, indigestion and stomach troubles, which in turn cause nervous diseases, head troubles, consumption and loss of flesh, requires some thing besides faith to cure.

More faith will not digest your food for you, will not give you an appetite, will not increase your flesh and strengthen your nerves and heart, but Stuart's Dyspepsia Tablets will do these things, because they are composed of the elements of digestion, they contain the juices, acids and pepsines necessary to the digestion and assimilation of all wholesome food. Stuart's Dyspepsia Tablets will digest food if placed in a jar or bottle in water heated to 98 degrees, and they will do it much more effectively when taken into the stomach after meals, whether you have faith that they will or not.

They invigorate the stomach, make pure blood and strong nerves, in the only way that nature can do it, and that is, from plenty of wholesome food well digested. It is not what we eat, but what we digest that does us good. Stuart's Dyspepsia Tablets are sold by druggists at 50 cents for full sized package. Little book on cause and cure of stomach troubles mailed free by addressing Stuart Co., Marshall, Mich.

## MAYOR QUINCY RE-ELECTED.

The Democrats Win in Boston and at Meriden, Conn.

Boston, Dec. 22.—Mayor Josiah Quincy, Democrat, was re-elected yesterday by a decreased plurality over ex-Mayor Curtis, his opponent of two years ago, although the city went Republican at the state election last month. The receipt of the Democratic vote in the city by vigorous work on the part of Thomas Riley, running as a Silver Democrat, proved fully less than 3,000 voters supporting him at the polls. Notwithstanding the strong effort which was made by the Republicans to get out a heavy vote in the suburban and Back Bay wards, which usually poll heavy Republican majorities, Mayor Quincy made great gains over the vote for Williams at the state election. The usually strong Democratic vote did not show any special gains for the Democratic candidate. The city voted for license by an increased majority.

**Democrats Win in Meriden.**  
Meriden, Conn., Dec. 22.—The city election held here yesterday, resulted in a Democratic victory. Amos Ives, the Democratic candidate, defeated his Republican opponent, Arthur S. Lane, by about 350 majority. Democratic aldermen were elected in three out of four wards.

## "GOLD DUST."

And as a Preliminary Have Captured the Menhaden Fishery.

Providence, R. I., Dec. 22.—The report of a combine of the menhaden interests of the country is true. It was learned today that menhaden fishery steamer from Delaware to Maine have been bought by a syndicate of English and American capitalists. An Englishman named Stanley has invented a new process for cooking menhaden, extracting the oil and drying the remainder. A model of the Stanley machine was brought to the United States last summer, and was shown to the fishermen here. Rather than meet an opposition with so much advantage over them they sold their business and goodwill to the capitalists that own the patent.
