AMERICANS KILLED BY JAPS.

State Department Investigating the Murder of Two Sailors. Washington, Dec. 22.—Further details of the killing of the two American sailors attached to the United States fleet in Japan have been received here and have been brought to the attention of the department of state, which has begun an investigation. Montgomery, it appears, was killed by a Japanese boat in the harbor of Yokohama on Sept. 2. He was not intoxicated, but was murdered by boatmen. Eppes' case was similar, except that he was killed at Nagasaki during the same month. He had been on leave and was returning aboard ship when murdered. The testimony gathered shows that he was perfectly sober, and some sailors on a passing ship, hearing cries for help, looked over the water in time to see him being thrown from his boat. Looking a small boat, they could not see him. His body was found several days later floating in the bay. The Japanese government was appealed to in each case, and while some arrests have been made, the American contingent in Japan feel that the perpetrators of the murders are still at large. It is said that every Japanese boat in the harbor is obliged to register its passengers before carrying them ashore, so that under ordinary conditions it should be easy to find the guilty parties.

At the Japanese legation the officials do not regard the matter as serious. The cases are said to be substantially similar to a number which have occurred in the western states, in which Japanese subjects have been assaulted by mobs. Several of the latter cases are now pending before the state department, complaints having been made by Japan.

Mrs. Mary Bird, Harrisburg, Pa., writes: "My child is worth \$100,000 to me; he would have been lost by a cold that I not in time. I used Dr. King's New Discovery, and he is now a healthy, happy child. He has no cough, no cold, no throat and lung troubles. C. H. Hagenbuch, Harrisburg, Pa."

An Elopement From School. St. Louis, Dec. 22.—Recently Miss Gertrude W. Lewis, a 15-year-old school girl, eloped with Samuel Frazer, and they were married. At the time she was a pupil in the high school in this city. Mrs. Frazer continued going to school as usual until Tuesday, when School Superintendent Spidan informed her that being a married woman, she could no longer continue as a student. She may appeal to the law, as she insists on completing her studies.

Mrs. M. R. Ford, Ruddle's, Ill., suffered from a severe case of dyspepsia and chronic constipation and was finally cured by using Dr. Williams' Pink Pills for Pale People. She writes: "I have used your pills for all stomach and liver troubles. C. H. Hagenbuch, Harrisburg, Pa."

Widow to His Death. Pittsburgh, Dec. 22.—A shocking accident occurred at the machine shop of McIntosh, Humphill & Co. John Clark, a laborer, had been washing windows, and in descending a ladder his blouse was caught by a shaft revolving at the rate of 100 revolutions per minute. His body was so severely struck that he was killed by the instant revolution. When the machinery was stopped nearly every bone in his body was crushed. The neck was broken and the skull crushed. He was killed by the instant revolution.

There is no need of little children being tortured by scald head, eczema and skin eruptions. Dr. Williams' Pink Pills for Pale People is the best medicine for the blood. It is the best medicine for the nerves. It is the best medicine for the stomach. It is the best medicine for the bowels. It is the best medicine for the lungs. It is the best medicine for the kidneys. It is the best medicine for the bladder. It is the best medicine for the prostate. It is the best medicine for the testicles. It is the best medicine for the ovaries. It is the best medicine for the uterus. It is the best medicine for the vagina. It is the best medicine for the cervix. It is the best medicine for the fallopian tubes.

Executed by Barrios' Order. St. Francisco, Dec. 22.—News has reached this city of the shooting in Guatemala of a number of political prisoners, including two men who are known all over the Central American republic. The execution occurred at Huehuetenango. The principal victim was Captain Aureliano Ruiz, brother-in-law of General Daniel Fuentes, now in this city. Another victim was Colonel Francisco Zelaya. He was accused of aiding the revolutionary party, and was executed by order of Barrios. Three other prominent Guatemalans suffered the same fate. There are now in Guatemalan prisons no less than 25 prisoners of the late revolution.

Two Efforts to Save Bartley. Lincoln, Neb., Dec. 22.—Most of the time in yesterday's session of the supreme court was occupied in oral arguments by attorneys for ex-Treasurer Bartley in an effort to save him from a 20 year penitentiary sentence imposed by the district court of Douglas county. A decision is not expected for several weeks. Bartley's attorneys, according to the report of the expert examining, amounts to slightly over \$100,000.

One Man Captured Four Times. Canaan, Conn., Dec. 22.—Four burglars of a gang of five were captured by Martin Reed in Jackson & Eggleston's store here early in the morning. Reed, who sleeps in the store, was awakened by the movements of the men, and by prompt use of his revolver wounded two of the burglars and marched three of them, including one of those who had shot into a room and locked the door. The other wounded man was helpless. The fifth member of the gang escaped. Reed fired his revolver until reinforcements came, and his conveyance was conducted to the lookup. The men are supposed to be tramps, rather than professional criminals.

How's Your Cough? Pan-Tina cures it. At Grubler Bros. drug store.

Reciprocity Negotiations Suspended. Washington, Dec. 22.—The reciprocity negotiations between the United States and Germany are practically suspended. They never got beyond the initial stage. There appears to have been a willingness on the part of both governments to look into the subject, but the inquiry did not develop any prospect of material concessions on either side. The negotiations with France are similarly at a standstill, owing to the course of the French government in raising the duties on lard and other American products.

It is easy to catch a cold and just as easy to get rid of it if you commence to use One Minute Cough Cure. It cures coughs, colds, whooping cough, croup, all throat and lung troubles. It is pleasant to take, safe to use and sure to cure. C. H. Hagenbuch.

DON'T NEGLECT

A COMMON CASE OF PILES.

It May Lead to Serious Results. When people generally understand that all such fatal diseases as piles, slow of the rectum, fissure, etc., almost invariably begin in a simple case of Piles, they will learn the wisdom of taking prompt treatment for the first appearance of troubles in this quarter. The Pyramid Pile Cure will certainly cure every form of piles, itching, bleeding, protruding or blind piles, and hundreds of lives have been saved by using this cheap but effective remedy right at the start, because at such a time a single package will effect a cure, while in advanced chronic, deep seated cases, several packages are sometimes necessary before a lasting cure is effected.

Physicians are using the Pyramid Pile Cure in preference to surgical operations and with uniform success. For sale by druggists everywhere at 50 cents and \$1 per package. Send for free book on cause and cure of piles. Address Pyramid Co., Marshall, Mich., formerly Allison, Mich.

TRAIN STRUCK A CROWDED STAGE

Twenty People Were Injured, and Three of Them May Die. Passaic, N. J., Dec. 22.—Twenty persons were injured, three persons fatally, at a grade crossing on the Delaware, Lackawanna and Western railroad between Passaic and Delaware, N. J., last night. They were in a stage which was struck by the train. That any of them escaped is regarded as marvelous. The victims all reside in Passaic. Those fatally injured were William Moran, head and body badly cut and skull fractured; Charles Bronk, skull fractured, face cut and injured internally.

All the victims are employed in the mill of Worthen & Aldrich, at Delaware, about two miles from Passaic. They ride to and from their work in a big covered stage. There were 36 persons crowded into the stage last night. The party relieved the monotony of the trip by singing, and it was not until the horses were on the tracks that the engine was seen by the driver. The locomotive struck the stage almost in the middle, hurled it several feet ahead, and then struck it again, throwing it from the track. The occupants were scattered in all directions.

Miss Allie Hughes, Norfolk, Va., was rightfully burned on the face and neck. She was instantly relieved by Dr. Williams' Pink Pills for Pale People. She writes: "I have used your pills for all stomach and liver troubles. C. H. Hagenbuch, Harrisburg, Pa."

Robbed the Grave. A startling incident of which Mr. John Oliver of Philadelphia was the subject, is narrated by him as follows: "I was in a most dreadful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually back and sides, no appetite, gradually growing weaker day by day. Three physicians had given me up. Fortunately, a friend advised trying 'Electric Bitters,' and to my great joy and surprise, the first bottle made a decided improvement. I continued their use for three weeks, and an new well man. I know they saved my life and robbed the grave of another victim. No one should fail to try them. Only 50 cents per bottle at A. Waseley's drug store."

Burglars' Shot Proved Faithful. Wilton, Conn., Dec. 22.—David S. R. Lambert, who was shot four times and fatally wounded by masked burglars at his home here last Friday night, is dead. He did not regain consciousness. Mr. Lambert was 47 years old.
