Prevention is always better than cure, even when cure is possible But so many times pneumonia is not cured that prevention becomes the natural act of that instinct of selfpreservation which is "the first law of nature." Pneumonia can be prevented and is often cured by the use of Ayer's Cherry Pectoral.

"Some years ago I had a severe cold and was throatened with pneumonia. I could neither est nor sleep, and was in a wratched condition. I progreed a bettle of Ayer's Cherry Feetonel and took it according to the directions, and at the end of fifteen dayswas as well and sound as before the attack, bave recommended it in many cases of pasmonin since, and have never known it to fail

in effecting a cura." JOHN HENRY, St. Joseph, La. "I was attacked with a cold that sattled on my langs, and defied the skill of my play-sicians so that they considered me incurable. At last I began to use Ayer's Cherry Pectoral and was entirely cured after having taken
