## Helpless Against the Advancement of the Great Powers.

### ENGLAND WILL GIVE WARNING.

#### But Will Not at Once Occupy Chinese Territory—Meantime Japan Will Make Vicious Protest Against German Occupation.

London, Dec. 24.—A dispatch to the Daily Chronicle from Rome says it is rumored there that, owing to her obligations to Germany, Italy has declined England's proposal for common action in the Far East, including a joint occupation of China.

According to the same dispatch it is asserted that England has proposed to Russia a conference on the Chinese question, with a view of avoiding dangerous rivalries.

The Shanghai correspondent of the Daily Mail says: "The Chinese government is mobilizing its military forces, and has ordered the least capable generals who conducted the campaign against Japan. The British fleet is at present at sea."

The Daily Chronicle this morning says it has good reason to believe that the government has decided upon a watching policy and will refrain from occupying any Chinese territory for the present, but it will give its moral support to Japan and distinct warnings to China concerning England's action in certain contingencies. It is understood, says the Daily Chronicle, that Japan will protest in the strongest manner against Germany's action, and diplomatic circles ridicule the idea of a Russo-German entente concerning China.

The German press is evidently deeply interested as to the attitude Great Britain and the United States are likely to adopt in the Chinese affair. Every attempt is being made to create ill feeling against England, and to represent her as an insatiable power.

The official newspapers pretend that Japan has acquiesced in the German and Russian moves, and will take no aggressive action. Everything indicates the anxiety that hinges upon the ultimate grouping of the powers. Japan's action in withdrawing her protest with reference to the course of the United States at Hawaii is interpreted as showing a desire to be unnumbered abroad and to have her hands free to deal with the Chinese question.

The Berliner Tageblatt ridicules the idea of an Anglo-Japanese-American alliance, yet seems to fear it. The Kolnische Zeitung thinks America will side with Russia, leaving England in splendid isolation.

The Berlin National Zeitung says: "It is easy to believe that England would welcome active steps on the part of the United States, but it is believed that the United States would adopt a policy of friendship toward England and of hostility toward Russia, contrary to all the traditions, for the sake either of England or China."

**Paxson For Commissioner.**  
Washington, Dec. 24.—It is believed that the president has decided to appoint Judge Paxson, of Pennsylvania, as a member of the interstate commerce commission, in succession to William H. Morrison, whose term will expire in January. The president yesterday informed Senator Deboe, of Kentucky, who called upon him in the interest of Major Todd of Louisville, that the place was promised, and it is thought that Judge Paxson is the man slated for the place.

**The Discovery of the Day.**  
Aug. J. Rogel, the leading druggist of Shreveport, La., says "Dr. King's New Discovery is the only thing that cures cough, and it is the best seller I have." J. F. Campbell, merchant of Safford, Ariz., writes: "Dr. King's New Discovery is all that is claimed for it never fails, and is a sure cure for Consumption, Coughs and Colds. I cannot say enough for its merits." Dr. King's New Discovery for Consumption, Coughs and Colds is not an experiment, it has been tried for a quarter of a century, and today stands at the head. It never disappoints. Free trial bottles at A. W. Wadley's drug store.

**Chronic Tuberculosis Insane.**

C. Evans.

**Declined to Receive Coloured.**  
Louisville, Dec. 24.—Rev. H. M. Hous-ton, who was tried and convicted of bigamy, appeared before the Louisville presbytery and declined to receive the same, and admission that has been prepared for him, declaring that before he would give up his belief he would give up his membership. His action was postponed until the next meeting of the presbytery.

### NOT ALWAYS UNDERSTOOD

A fact often overlooked, or not always understood, is that women suffer as much from distressing kidney and bladder troubles as the men. The womb is situated back and very close to the bladder, and for that reason any distress, disease or inconvenience manifested in the kidney, back, bladder or urinary passage is often, by mistake, attributed to female weakness or womb trouble of some sort. The error is easily made and may be easily avoided by setting urine aside for twenty-four hours; a sediment or settling is evidence that your kidneys and bladder need doctoring. If you have pain or dull aching in the back-passing water too frequently, or scanty supply with smarting or burning—these are also convincing proofs of kidney trouble. If you have a doctor, without benefit, try Dr. Kilmer's Swamp Root, the great kidney remedy. The mild and the extraordinary effect will surprise you. It stands the highest for its wonderful cures. If you take a medicine you should take the best. At druggists fifty cents and one dollar. You may have a sample bottle and pamphlet, both sent free by mail. Mention HERALD and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The proprietors of this paper guarantee the genuineness of this offer.

## A COMMON CASE OF PILES.

### It May Lead to Serious Results.

When people generally understand that all such fatal diseases as piles, ulcer of the rectum, fissure, etc., almost invariably begin in a simple case of Piles, they will learn the wisdom of taking prompt treatment for the first appearance of troubles in this quarter. The Pyramid Pile Cure will certainly cure every form of piles, itching, bleeding, protruding or blind piles, and hundreds of lives have been saved by using this cheap but effective remedy right at the start, because at such a time a single package will effect a cure, while in the old chronic, deep seated cases, several packages are sometimes necessary before a lasting cure is effected.

Physicians are using the Pyramid Pile Cure in preference to surgical operations and with uniform success. For sale by druggists everywhere at 50 cents and \$1 per package.

### ILLINOIS APPOINTMENT.

#### Republican Measure Passes the House by a Narrow Majority.

Springfield, Dec. 24.—A bill to amend certain provisions of the constitution of this state, and to provide for a general election in the year 1906, passed the House yesterday by a vote of 79 yeas to 54 nays. There were but two votes to spare. It was a hairbreadth escape from defeat for the Republican managers. Representative Patrick Meany, of Chicago, saved the bill for the Republican organization. He furnished the 77th vote necessary to pass the measure, and when he ended a speech with the words, "I vote yeas," State Treasurer Henry Hart, a Republican leader, who stood by his side, trembling with anxiety and excitement, flung his arms about Meany's neck and hugged him as though he were a long lost son returning from the front. Representatives Pugh and Keogh, of Chicago, were also present. They voted for the bill, making 79 in all.

The Democrats shouted and jeered, and did their best to make so much noise that business could not be transacted. A score of their loudest tongued men mounted their desks and started a hubbub that was maintained until two calls of the roll were finished. So great was the tumult that everybody in the state house was drawn to the scene and the floor of Representatives' Hall was crowded with excited men, whom neither the speaker's gavel nor the sergeants-at-arms could control. No one should fail to try them. Only 50 cents per bottle at A. Wadley's drug store.

# HOME APPRECIATION.

## Shenandoah Satisfied With the Work Done and Many are Expressing Appreciation.

What is more satisfactory to anyone than the knowledge of work well done and the appreciation of those we do it for. We have a most natural pride of the success achieved in Shenandoah, and the public utterances of the people. So many citizens have frankly acknowledged the benefits obtained, and do not hesitate to express their appreciation. Our representative has investigated some of the cases that have come to our notice, and found the statements correct in every particular. Mrs. W. S. Hudson, lives at 312 Mayberry alley, and by her kind permission we publish what she says:

"I used Doan's Kidney Pills which I procured from Kilmer's Pharmacy, and I had not taken many before I was so much better that I found it necessary to continue with the treatment. I had pain in my back, giddiness when I stooped and an acute lameness across my kidneys. Doan's Kidney Pills certainly proved most satisfactory. My head has pained me less since taking them than it has for many months before. It was my kidneys that were the matter. The remedy also regulated the kidney secretions and relieved me of much annoyance. I can recommend Doan's Kidney Pills as being a most effective preparation to cure disordered kidneys."

Doan's Kidney Pills for sale by all dealers. Price 50 cents. Mailed by Foster-McMillan Co., Buffalo, N. Y., sole agents for the U. S. Remember the name Doan's and take no substitute.

**Robbed the Grave.**  
A startling incident of which Mr. John Oliver Philadelphia, was the subject, is narrated by him as follows: "I was in a dreadful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite, gradually growing weaker day by day. Three physicians had given me up. Fortunately, a friend advised trying Electric Bitters, and to my great joy and surprise, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they saved my life, and robbed the grave of another victim. No one should fail to try them. Only 50 cents per bottle at A. Wadley's drug store."

# EXPLOSION AT

## Twenty-three People Injured, and of Them May Die.

Chicago, Dec. 24.—Five broke out soon after 4 o'clock yesterday afternoon in the basement of the five-story building at 104 Madison street, the first floor and basement of which were occupied by the Tomlin Cafe and Restaurant company and the second floor by the billiard parlor of Frank Munsey. The blast was instantaneous at first, and a crowd of people gathered on the sidewalk in front of the building to watch the work of the firemen. About a dozen policemen were busy engaged in pushing back the throng when a terrific explosion took place. The building was badly wrecked, the windows, window gratings, sidewalk lights and manhole covers were hurled into the air and fell among the crowd. Dozens of people were thrown from their feet and 23 were injured. Only one of them was seriously hurt. He is Captain Thomas O'Connor, who was burned about the head, face and body and may die.

The fire spread through the building with great rapidity after the explosion, and within ten minutes it was blazing furiously. Call after call for additional engines was sent by Chief Sweeney, but the fire could only be reached in the front and rear, and was difficult of access. The severe weather was badly wrecked, the windows, and within an hour the building resembled an iceberg with a furnace in its interior.

The burned building is within 50 feet of the intersection of Dearborn and Madison streets, where the loops of the West Side and North Side cable lines intersect, and from the line the fire broke out, until after midnight traffic was entirely suspended on both lines. The loss is estimated at \$125,000.
