GOVERNOR PINGREE, of Michigan, is a political boss of the practical kind. It is stated that he "has made District the state of the state o a practice of strengthening his political machine by assessing all appointees ten per cent of their salaries," This should furnish a good fund to fight the greedy corporations this good Governor delights to go gunning for.

THE Overman bicycle company, one of the largest concerns of the kind in the country, has failed. It's works were located at Chicopec Falls, Muss. A man in the trade in New York predicts that other concerns will follow early in the new year and that ere long the business will be found in the hands of but six or eight large firms.

A NEWS dispatch from Hazleton says the city, borough and township tax collectors throughout the coal region have prepared lists of allen employes of coal and railroad companies against whom taxes are asance with an act passed two years ago making the employers responsible for the payment of these taxes. The purpose of this law is to prevent the loss of taxes caused by aliens changing their names, thus making it difficult for collectors to find them. As the employers are now responsible to the purposers are now responsible.

MYSTERY OF A CRIME.

Supposed Accidental Death May Have Been a Murder. London, Dec. 30.—Inspector Corry, of the Scotland Yard detective depart-ment, is making inquiries at Oldcastle, County Meath, Ireland, in connection with the death of Peter Doggett, who was cut to pieces in a dough mixing machine in New York city last August.

gett was in the service of the New York Biscutt company, and had a sister in Bisoutt company, and had a sister in that city. Some time after the inquest Miss Doggett, it is understood, received a letter from her mother, who lives in Sideastie, Ireland, in which the writer said that queer stories were writer said that queer stories were affoat in Oldcastle about her boy's death.
