TUESDAY, JANUARY 4, 1898.

THE coal trust may eventually come the lips of the coal trust.

THE past year was prolific of great losses among the world's shipping, \$75,000,000 being the estimated amount.

MR. BRYAN is so well pleased with the hit he made in Mexico that he is coming home to move for a change of venue for the next election.

THE publication of the pension lists can not harm just claimants, and it is to the interest of deserving veterans to search for the other kind.

THE counterfeit silver dollar dated #fgm 1804 has run against the fact that it contains too much silver, and also with notice from the mint that no silver dollars were coined that year.

THREE wire tramways across Chilkoot Pass are planned to be ready by the opening of spring. The argonauts of next year will be gently made crists. wafted over the mountain at reasonable pound rates.

warlike sentiments." They have button of New faded out from the ancestral values Queen, died yesterday, aged 82. and hills where once they echoed, but the college yell is a fair substi-

According to late reports Berlin's servant girls are losing the steady habits of the German Dienstmadchen | was a semi-transparent tumor and must be | Broad Street, Newark, N. J; or Geo. W. and are acquiring the habits of their American sisters, as they only stay in one situation an average of nine months and a half.

Now that the doctors have decided that the human stomach is not a necessary adjunct of life, it only remains for pathological science to de vise some means for men to exist without livers. With both the stomach and the liver out of the way, there would be no such thing as dyspepsia or a dark-brown taste in the mouth.

ILLITERACY among children in Pennsylvania under sixteen years old will be unknown in the year just ushered in, if the new law is observed It will make it necessary for every child between the ages of eight and sixteen years to be able to read and write. This effects both employed and unemployed, and it will be enforced in connection with the Compulsory Education law. In a circular on compulsory attendance, sent out to the principals of schools, Superintendent Brooks states: "After January 1st, 1898, minors under the age of sixteen years employed in any manufacturing establishment, mercantile industry \* \* \* must be able to read and write the English language, or possess a certificate of having attended during the preceding year an evening or a day school for a period of sixteen weeks, duly signed by the teacher or teachers of the school which said minor attended. The compulsory attendance law itself compels all unemployed children under sixteen to attend school, but exempts from attendance those between thirteen and sixteen who are engaged in some useful employment

#### Libel on Little Ruody.

If the New York Sun's editor expects to spend his summer vacation at Newport, R. I., he had better keep his weather eye open or he may be arrested for lese majeste for the publication of the following libel on little Rhody :- When one begins to tell a story, if one is on a train, the story is likely to be finished in another state. When a woman puts out a clothes line she has to be careful lest

one end of it is tied in another county. When a man says he lives in Rhode Island he is not often asked where. There are only a few towns where be could live, and if he doesn't live in town he must live close to one.

Some of the railroad towns are so close together that sometimes the locomotive will be at one station while the rear car of the train will be

If the atmosphere is clear and one can get up a few hundred feet one Prices: can see most of the state in whatever direction one looks.

If a baby runs away he is apt to get into another county before he stops if he is a good runner.

If one goes from Providence, for instance, to Boston, one gets to Boston almost before one gets out of Providence.

You can stand in your own yard in any town in the state, and throw rocks at your neighbor in another

EVENINGHERALD you can hit a man in Massachusetts or Connecticut.

This is the way it seems to a man when he makes his first trip into Rhode Island.

No Polities in New York's Police. New York, Jan. 4,-The police commissioners had all the commanding ofand captains in greater New York before them yesterday. In an address President York said there would be no political proference in the department, and that all laws on the statute books must be rigidly enforced Gambling and lottery laws were especially alluded to. President York said further: "The impression has gone abroad that the incoming of this board meant that there would be an open city There will be none so far as this depart ment is concerned, but we was is in fall at Clinton, made a desperate laws broadly construed and liberally enforced."

#### WHAT DO THE CHILDREN DRINK?

Don't give them ten or coffee. Have you tried the new food drink called Grain O? It is delicious and nourishing and takes the place of coffee. The more Grain-O you give the children the more health you distribute through their systems. Grain-O is made of pure grains, and when properly prepared tastes like the choice grades of coffee but costs Durrant's attorneys will ask the fed- about \( \) as much. All grocers sell it, Ioc and

#### CALIFORNIA.

Personally.Conducted Tour via Pennsylva nia Railroad,

America is a great country. In variety and grandeur of natural scenery it is unrivaled, its wooded heights, its fertile valleys, its grandeur of natural scenery it is unrivaled. Its wooded heights, its fertile valleys, its boundless plains, its regged and rocky mountains, its great lakes, its balmy slopes are the admiration of al. mankind. To traverse this great country, to behold its diversities and its wooders, is a liberal education, a revelation to the immured metropolitan citizen. The Personally conducted Tour to California under the direction of the Pennsylvania Railroad Company which leaves New York on January 8, 1598, affords a most excellent opportunity to view the vast variety and boundless beauty of this marvelous land. The party will travel westward in special Pullman cars, in charge of a Tourist Agent and Chaperon, stopping en route at Omaha, Denver, Colonadio Spriugs, Maniton, Garden of the Gods, Glariwood Spriugs, and Salt Lake City. In California visits will be made to Monterey and the famous Hotel Del Monte, Santa Cruz, San Jose, Los Angeles, San Diego, Riverside, San Bernardino, Redlands, and Pasadenn. The party will return on the "Golden Gate Special," the finest train that crosses the Continent, leaving Los Angeles February 2, and stopping at Tucson, El Paso, and St. Louis, Eighteen days will be spent in California, Reand-trip rate, including all necessary expenses during the entire trip, \$335 from all points on the Pennsylvania Railroad System cast of Pittaburg; \$330 from Pittsburg. For itinerary and full information apply to ticket agents, or address Geo. W. Boyd, Assistant General Passenger Agent, Broad Street Station, Philadelphia.

Mrs. Mary Bird. Harrisburg. Pa., says. "My child is worth millions to me; yet I would have lost her by croup had I not invested twenty-five cents in a buttle of One Minute Cough Cure." It cures coughs, colds and all throat and lung troubles. C. H. Hagenbuch.
