here on St. Jackson Day, Jan. 8. It now transpires that the Democratic state headquarters were kept open for the purpose of getting all the Demo-cratic members in line for what took place yesterday, and ultimately for the defeat of Hanna. Meantime Mr. Kurtz was marshaling every possible Republican in line against Hanna and communicating with the committee on arrangements for St. Jackson Day. The superior organization of the op-

position was shown yesterday, when it secured nearly all of the doubtful votes. The feeling of the Republican members who voted for their caucus nominees is openly expressed against Governor Bushnell more than against Mr. Kurtz or other Republicans who combined with the Democrats. The State Journal, the Republican organ of central Ohio, prints a large picture of the governor with heavy black borders. Some Republican clubs have Direct Private Wires to All Principal Cities, ters here for the inauguration exercises next Monday, and many protests are being received at the state house. Colonel T. W. Moore, of Marietta, another appointee of Governor Bushnell,

yesterday resigned as trustee of the State Insane asylum at Athens. The feeling of revenge was shown even in the routine legislative proceedings. Representative Bramley, of Cleveland, introduced a bill to repeal Representative Bramley, of the 50 year franchise law for street railways, in which Senator Hanna is largely interested. Bramley is a contractor, and has large contracts under the municipal administration of Mayor McKisson. Other members from Cleveland, who are supporting Hanna, are said to have measures ready for changes and investigations at Cleve-

land that would affect Bramley. Representative Jones, of Stark county, a Republican, who is opposing Hanna, has been frequently reminded that the county convention that nomi-nated him adopted strong resolutions instructing him to support Hanna. Mr. Jones was chaigman of the committee on result ions in that county conven-tion and declared himself then for Hanna. Yesterday Mr. Jones offered a very strong Cuban resolution that is and Orange Champagne. in conflict with Senator Hanna's vote on the last Cuban question in the senate.
