Prevention is always better than cure, even when cure is possible. But so many times pneumonia is not cured that prevention becomes the natural act of that instinct of selfpreservation which is "the first law of nature." Pneumonia can be prevented and is often cured by the use of Ayer's Cherry Pectoral.

"Nome years ago I had a severe cold and was threatened with pneumonia i rould neither eat not sleep, and was in a wretched condition. I promped a bottle of Ayon's Cherry Pectural and took it according to the directions, and at the end of fittees days was go well and sound as before the attack. I have recommended it in many cases of pren-monla since, and have never known it to full
