Saving Lives.

Doctors declare that cancerous growth cannot be cured. Surgeons say they can cut them out, but that it only postpones the inevitable. The old trouble comes back. The poison is in the blood.

You can't cure it from the outside. Make the blood pure and rich, then the disease can't thrive.

That is exactly what Dr. David Kennedy's Favorite Remedy is good for.

Rev. I. W. Hill, pastor of the M. E. Church at West Almond, N.Y., some years ago suffered with a cancer of long standing on the lip and concluded to have it removed.

After three weeks before the operation he purchased Dr. David Kennedy's Favorite Remedy, and continued taking it for some time after the cancer was removed.

This wonderful medicine acts as a nerve and blood food. It makes permanent cures of Nervous Debility, Sleeplessness, Dyspepsia, Rheumatism and All Women's Weaknesses.

It restores the disordered liver to a healthy condition and cures constipation.

At a bottle at druggists.
