#### Evening Herald

FRIDAY, JANUARY 7, 1808

A REGULAR advertisement of sufficient size in a reliable paper is better than half a dozen smaller advertisements in weaker papers, truthful says Printers Ink.

The contest in Ohio for the United States Senator between Semator Hanna and his opponents, is developing some bad blood which bodes no soughed off. I was constantly treated good for the Republican party in that state. Unless the difficulty is

with flowers. The curious feature of this distribution of winter is that the snow lies in the southern end of the kingdom and the flowers bloom in the north. Even upon Ben Nevis in the cold. Serve upon Ben Nevi the north. Even upon Ben Nevis in a For years I suffered from a severe the cold "sump" of last week, the case of Catarrh, the many offensive snowy cap was but eight inches in depth. As the per contra of this there is snow in the north of England and a green sward southward, medicines recognized for Catarth. which is consistent to nature's tem-meaded for Catarri, and used various local perament, any way.

This gentlemen who were said to be in terested in the establishment of another news paper in this town have not been heard from within the past two weeks. The newspaper graveyard is nearly filled but new localized graveyard is nearly filled but new localized enough the Newspaper tensetary association will contract for the purchase or additional ground. Lots for sale in any part of the cemetery—Hasleton Plain Speaker.

Schwelkell county, also, has a newspaper tensetary and the first touch of Catarria will save endless suffering by taking the right remedy at the outset. Others who have for years song it relief and found only disappointment in local treatment will find it wise

the "filthy lucre" to successfully conduct a newspaper.

PENSION COMMISSIONER EVANS tells a correspondent that since the proposition to publish the pension gious Blood Poison, Cancer, Scrofula lists has been agitated be has re- and Eczema, which other so-called blood ceived a considerable number of remedies have no effect upon whatever, letters from pensioners asking that teed rolls. In every such case the comful inquiry to ascertain whether or and contains no mercury, potash or not there was fraud in securing the other dangerous mineral.

Books will be mailed free by Swift pension. If they represent honest Specific Company, Atlanta, Georgia. soldiers and were pensioned for the causes covered by the law the fact ROBBER THROWN FROM A TRAIN. should be made known. One of those referred to by Commissioner Evans admits that he never was entitled to a pension and proposes, if who is supposed to have lived at 115 transfer ever able to do so, to pay back to the Fourth avenue, in New York, was government all he has received.

Wm have been called upon to record numerous conflagrations with the thrown from an Illinois Central train ushering in of the New Year, and the Wednesday night after attempting to one that destroyed the Commercial hotel at Mt. Carmel, from which the East St. Louis just as it was pulling guests barely escaped with their out from the depot, and took a sent at lives, should act as a warning to the the back of the smoking car. After the train had passed the vinduct and people of Shenandoah and other towns in the region. Had the hotel men approached a prosperor in question been supplied with fire man who sat about the middle of the escapes, as the laws of the state de. car. They asked him to change a bill mand, the exit of the inmates of the burned building could have made to the problem of the fight that their escape with greater speed and followed betwen the robbers and the less danger to life and limb. The law less danger to life and limb. The law compells owners of large buildings, thrown such as places of public amusement. factories, hotels, etc., to erect fire escapes, but outside of the school buildings and one or two other structures, the act of Assembly is ignored so far as this town is concerned. We should profit by the lesson taught us in the Mt. Carmel fire by compliance | The fice with the law in the erection of fire straine hat H. Hetchers wrapper.

WE fully agree with the Philadel phia Press when it says: "Controller Lloyd of Luzerne county is being criticised in some quarters for the careful scrutiny he is giving the bills presented the county. It seems to be the professions of Dr. Schenk, professomething new to have the accounts sor at the University of Vienna and of certain officials gone over and president of the Embryological Instirigidly examined, but that is what a of exercising an influence over animals controller is for. No honest bills and men so as to fix the sex of offneed suffer from such a system, and spring. the people whose money is involved | Two million Americans suffer the terturing official who has the nerve and intelligence to guard their interest, no matter what the criticism. The controller is comparatively new among the officials of Luzerne and his functions are not fully appreciated, but if the people are sufficiently careful in electing competent and honest men to the office they will find him worth a good deal more than his cost. The indications are that Controller Lloyd will save Luzerne county a good many thousand dollars this
