## Evening Herald

SATURDAY, JANUARY S. 1804.

OUR Pottsville contemporaries, the Miners' Journal and Evening Chronfele, are devoting considerable space to the trial of the county officials. and both are biased in their opinibus. Would it not be better to allow the courts to determine the question -We think so.

THE postoffice department at Washington has found it necessary to fssue a notice that the recent consolidation of the cities and towns comprising Greater New York did not change the postal arrangements as affecting the several localities All mail matter should be directed as

THE war is on in this state. The Republican Business Men's League go: What is true and beautiful and of Philadelphia, has acopted resolutions calling for a meeting of Republicans to organize a movement against the re-election of Senator Quay to the United States Senate, and to oppose any selection of a candidate for Governor which may be made by what the League terms (be state machine. The proposed meeting is to be held within two weeks.

General of the state to the county from imperfect action of the kidneys. The duties of mercantile appraisers will other discases be more arduous than they have been in some counties in the past. It is insisted that the appraisers must personally visit every place of business gives notice that the department will bein in passing it, or had effects following us appraiser visited in one continuous trip every place of business assessed.

ONE of the most remarkable wills ever filed in the courts of Pennsyl vanta came up before Judge Archbald while in Towards, presiding over the courts of Bradford county. last week, and is now in his hands George T. Wilcox, late of Franklin township, Bradford county, and among its provisions are that each of his male grandchildren shall receive \$1,000 provided they support the Democratic administration; and to brainvard and Hambers street yester-each granddaughter \$500 apiece in day Thomas Hiley, a laborer, was instantis killed and John Nach, a constants killed and John Nach, a concase they remain single or marry Democrats. The anditor decided that the conditions attached by Wilcox to these legacies should be declared void, as a temptation or bribe for the | Don't give them lea or coffee. Have you tried Archbald will have to dispose of.

# Home Attachments.

When you hear a man or woman deprecating the fact that his or her lot has been cast in a certain locality and not somewhere else, you may justly conclude that there is something wrong-not with the locality, but with the person. A normally constituted mind cannot help dwell ing with pleasure upon the recollertions of childhood. Those scenes will never fade from his memory. brighter and more beautiful as time wears on; and when old age dims the faculties, and robs life of its zest. these scenes remain to soothe and sustain us as we totter down Life's sunny slope.

who cannot form an attachment to of \$125,000 a year for 10 years on the service of Hawaii, and an additional home, and long to forget themselves time for the same length of in the excitement of new scenes and time for the extension of the line to manent removal of the tumors or the small whose names are sufficient guarantee of the unfamiliar things. Let us think our own thoughts occasionally. Who is the secretary of the navy to ascertain the most feasible route is authorized.
