When the examinations at \$10, except when bodies were exhumed, in which case \$15 was the gobbed about, and his sister cried out: default of \$1,000 bail. He was taken to the Pottsville jail this morning by Policeman Kester.

meeting, the default of \$1,000 bail. He was taken to the envelope and were given me by Mr. Connell; were exhumed, in which case \$10 was the never wrote notes and resolutions, and knew nothing about the transactions of June 6 or 8, Schmidt's hand writing.

Mere exhumed, in which case \$10 was the solution. The may go free, but she is a murder est just the same."

The defense was that the shooting about the transactions of June 6 or 8, Schmidt's hand writing.

tions or notes. and cross-examined by Mr. Marr. The minute book was in the drawer at times and often laid in the drawer. Connell's desk was for a long time without a lock.

The clerks used the seal whenever necessary.

To further questions he said. "I positively The clerks used the seal whenever necessary.

It always stood on Connell's desk, and could be gotten without the asking. He never nor, to my belief, any one connected with the office ever got a penny of this money." out the minutes because it was quieter there and I would not be bothered.

Berner, Esq. He also told of the manner in which papers were or were not filed away. CONNELL ON THE STAND.

missioners. They would instruct me to con-fer with the banks by telephone or otherfer with the banks by telephone or other-wise. Sometimes they would confer with banks at their respective homes. Allen at the woodpile, who may be rooted out before Tamaqua, Rentz at Ashland, and Martin at the thing ends.] Pinegrove.

They negotiated loans with the said banks. They also would instruct me to negotiate were busy with a crowd of people, they would not formally organize, but simply tell me to prepare the resolutions. The type-writer during my time was Mr. Moser. He came in during 1894. At first I wrote out the forms, but after a while he became familiar with the forms and I would simply tell him the amount, time and rate. When prepared he handed me the notes and resolu ns. The originals were used and signed. the carbon copies were filed away; we kept carbon copies of all official business.

It was Mr. Moser's business to file carbon ples. Mr. Moser was the only one ever in structed to write notes and resolutions. Others used the type writer, including Clerks Coogan and Schmidt and myself. I don't know that Clerk Reber never used the The witness then explained the lead pencil

notes on the carbon copies. "T. L." stood for temporary loans and indicated it was to be filed in the temporary lean file.

Mr Schalek called his attention to the carbon copies of Jan. 6, 1896, and he ex-plained the note in ink to be in Clerk

Moser's writing. The "T. L." in pencil was in his handwriting. He identified the handwriting of Moser and himself on other car-bon copies. Moser's writing showed the amount of loan, note, time, rate and bank To the best of his knowledge a carbon copy of every note and resolution was kept on file. They were kept to keep the temporary loan account straight and for reference when a bank demanded payment of a note. We

never had any difficulty with any bank.

When a bank official called us up by felic phone and said a note was due I told Moses o look up the carbon copy and in every case he found it.

BENTZ OUT IN THE COLD.

took notes on a piece of foolscap for reference. During the first year everything was carried out legally, but after that everybody seemed to grow careless, myself included. The Commissioners depended on me to keep every thing straight. It was our practice. What caused the laxity or carleseness

after 1884? A. During 1894 Messra Allen and Martin worked together and Rentz was left out in the cold. During that time he was very par-ticular to have his objections entered on the vantage of the opportunity to speak to ticular to have his objections entered on the counsel about the techni at points raised by minutes, and to keep everything in accord

court about the county indebtedness and After the year 1894 all the Commissioners permission to erect the new buildings at the were more friendly and everybody gradually permission to erect the new aid he held to grew careless. It was our custom to lay all his previous ruling, that the date of April 6, notes and resolutions upon the table or deak

resolution negotiating a temporary loan with the Safe Deposit Bank was adopted." The carbon copies of the note and resolution The witness was asked in reference to several notes and loans, but he invariable ool flow on file in the vaults. This \$15,-000 foan was negotiated in the usual way, answered he could not remember. The original notes of January 8, 1896, and April lution I would deliver them, (the note and
