TUESDAY, JANUARY 18, 1888.

WHEN the flowers bloom in the spring next spring will Shenandoah have paved streets? It would meet with popular favor.

HON. JOHN LIESINGER will receive the support of Luzerne county for Governor. This was the result of the primaries in that county on Saturday.

Snyder county has a full without a single inmate and has \$1,000 surplus in its treasury. It is said, too, that colicis grow on the District Attorney's desk.

OUR Democratic friends in the First ward are experiencing a spirited contest over the election of a School Director. That fight has overshadowed the other contests in that ward.

THE "Philadelphia president" may result in a plentiful crop of treasury in the Republican state convention. And it may even extend to this Congressional district. It is contagious.

THE architect has completed the drawings for the new state capitol building, and those who have inspected them say the building will be a great improvement upon the old structure.

WHEN the hour of death comes—that comes to high and low alike—then it's no what we have done for ourselves, but what we have done for others that we think on most pleasantly.—Sir Walter Scott.

It ought not to be a very difficult matter to break the will of the unrepentant Pennsylvania Democrat who left his grandsons \$10,000 each on condition that they should support the Democratic party through life. Never was there a clearer case of unsound mind.

THE primaries in Mahanoy township on Saturday brought forth several surprises, the most startling one being the defeat of our good friend Patrick Welsh. The latter has been invincible for so many years that it was thought he had a life-tenure upon the Supervisorship.

JUDGE YERKES, of Bucks county, is evidently determined to rid that county of housebreakers and evildoers of similar characters. On Friday he sentenced Arnold and his three confederates to terms of imprisonment aggregating ninety-two years. A little of the same medicine, in like doses, would have salutary effect in this county.

A DOLLAR-A-YEAR tax on bachelors, such as is proposed in Virginia, would unquestionably raise a good deal of revenue, for nobody would join the ranks of the benighted for the sake of evading so small a payment. And if the privilege of returning to their bachelor state were granted to all married men who were willing to pay a dollar a year, the revenue problem might be completely solved.

THE Philadelphia Item contained the following political item on Friday: "State Senator Coyle, late of Schuylkill, a tenderfoot in the Twenty-eighth ward, ran out a ticket in Dr. Tom Dugan's division and actually polled for 49 votes. The doctor had 134 votes of the electors for his ticket. The only airs that were whistled in that neighborhood on Tuesday night was, "What Did Dugan do to Him?"

THE "personal expense" bills of the jurors in the now famous Thorne murder trial in New York, will compare favorably with like bills of some of Pennsylvania's legislators. Among the items of a bill of \$2,049 were the following: For wine, \$356.15; for cigars, \$238.40; for billiards, \$52.50. The supervisors took the bill in hand and resolutely cut it down to \$904, a reduction of \$1,145, and claimed that even the amount allowed was outrageously extravagant.

100 Doses in a Bottle
It is peculiar to find two bottles of Hood's Sarsaparilla, and is proof of its superior strength and economy. There is more curative power in a bottle of Hood's Sarsaparilla than in any other. This fact, with its unequalled record of cures, proves the best medicine for all blood diseases is Hood's Sarsaparilla.
The One True Blood Purifier. All druggists, \$1.00. Cure Liver ill; easy to take, easy to operate, 25c.

Woman's Protector

The greatest protection for women is Dr. David Kennedy's Favorite Remedy. No woman can be weak very long after she takes it. Disease must yield when the FAVORITE REMEDY attacks it. There is no female weakness or irregularity which it will not relieve and cure. There is no pain or ache peculiar to women which it will not drive away.

Mrs. D. Ackerly, 263 Varick St., Jersey City, says: "Oh, how I wish I could speak personally with every woman who is in any way troubled with illness common to our sex, for I would advise them to use at once Dr. David Kennedy's Favorite Remedy and be cured, for my case was abandoned by the physicians."

At all drug stores, 25c a bottle, \$1.00 a dozen.

NOT FOR EVERYTHING.

But if you have weak kidneys, bladder trouble or distressing kidney complaint, then Swamp-Root will prove to be just the remedy you need. Too frequent desire to urinate, scanty supply, pain or dull ache in the back, is convincing evidence that your kidneys need doctoring.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in relieving pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold urine and scalding pain in passing it, and leads following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to get up many times during the night to urinate. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists, price fifty cents and one dollar. You may have a sample bottle and pamphlet both sent free by mail. Mention Herald and send your address to Dr. Kilmer & Co., Binghamton, N. Y. Double Crime to Escape Vendicence. Pensacola, Fla., Jan. 18.—The bodies of Herbert Seely and Miss Alice Carr were found near Warrington yesterday. Last Friday night Seely and Miss Carr attended a party at Millerville and about 2 a. m. they left in a launch to return home. Miss Carr and her cousin did not appear at Warrington Saturday. Last evening a searching party was organized and a few hours later they were in a clump of trees, the bodies of the two young men were found, both dead, with pistol wounds in the head. After viewing the bodies and surroundings the coroner's jury were convinced that the young men outraged the young lady and then killed her, and subsequently committed suicide.

PRESIDENT DOLE WELCOMED.

Hawaii's Ruler Says He Has Not Come to Lobby For Annexation.
San Francisco, Jan. 18.—Late yesterday afternoon General Shafter and his staff, in full uniform, made their official call upon President Dole, of Hawaii, at the hotel and were received by Major Imbush, Colonel Fisher and Mr. Day, each of whom was respectful with good looks, prior to being admitted to the presence of the distinguished visitor, who was cordially welcomed by General Shafter on behalf of the government of the United States. The proceedings were entirely formal, and after the usual courtesies the representatives of the government left.

THAT ALLUDED BRIBERY.
The Ohio Legislature Investigates Charges Against Hanna Managers.
Columbus, O., Jan. 18.—Speaker Mason, of the House of Representatives, yesterday afternoon appointed a committee to investigate the alleged attempt to bribe Representative Olin, of Hamilton county, to vote for Marcus A. Hanna for senator. The committee is composed of Representatives Brian of Carroll county, Speller of Hamilton, Boxwell of Warren, Rankin of Fayette and Kenny of Mercer. Speller and Kenny are Democrats, and voted for McKisson for senator. The other three members are Republicans, but Ratan voted for McKisson, making the committee an anti-Hanna committee.

The Infant Boy Murderer.
Philadelphia, Jan. 18.—Emma Henderson, the 15-year-old boy who is charged with the murder of 5-year-old Henry, of the same name, yesterday was held in custody by the magistracy to await the action of the grand jury. There seems little doubt now that Henderson brutally murdered the boy to please and before his wife was put in the hospital. The child was with heavy stones, during the hearing the boy, apparently unconscious of the enormity of his crime, started sobbing at his father and was over and over again told by his father that he was a murderer and that he was in the right mind.

The ancient Greeks believed that the Penates were the gods who attended to the welfare and prosperity of the family. They were worshipped as household gods in every home. The household god of today is Dr. King's New Discovery. For consumption, coughs, colds and all affections of Throat, Chest and Lungs it is invaluable. It has been tried for a quarter of a century and is guaranteed to cure, or money returned. No household should be without this good angel. Fair were filed with the probate court. Total of \$30,000,000, of which it had been estimated, its value is shown by itemized figures to be \$12,228,308.07. The figures are the result of 11 months of examination and research on the part of the appraisers.

Her Health Restored

THE misery of sleeplessness can only be realized by those who have experienced it. Nervousness, indigestion, headaches, neuralgia and that miserable feeling of unrest, can surely be cured by Dr. Miles' Restorative Nervine. So certain is Dr. Miles of this fact that all druggists are authorized to refund price paid for the first bottle tried, providing it does not benefit.

Mrs. Henry Burns, wife of the well known blacksmith at Grand Junction, Iowa, says: "I was troubled with sleeplessness, nervousness, headaches and irregular menstruation, suffering untold misery for years. I used various advertised remedies for female complaints besides being under the care of local physicians, without help. I noticed in Dr. Miles' advertisement the testimonials of a lady cured of nervousness, and I shall never cease to thank that lady. Her testimonial induced me to use Dr. Miles' Restorative Nervine and I never will, which restored me to health. I cannot say enough for Dr. Miles' Restorative Nervine."

SUPPRESSED A MUTINY.

Officers of the Cutter Dallas Placed on Liberty in Irons.
Vinnyard Haven, Jan. 18.—The United States revenue cutter Dallas was called upon to subdue a mutiny yesterday on board the four-masted schooner Viking, Captain DeShazo, from Baltimore for Boston, which anchored here. The mutiny started at the crew had been troublesome since leaving Baltimore, but nothing serious occurred on 11 yesterday, when the greater portion of the crew returned to do their duty. In a scuffle with the captain and mate for the possession of a jackknife, which a sailor refused to give up, the latter's shoulder was badly grazed. Upon the arrival of the officers from the Dallas the ringleader was placed in irons. The remainder of the crew then manifesting a disposition to obey orders, the Viking made sail and proceeded to Boston.

THINKS LILL SHOULD BE PENSIONED
Carter Will Return the Ex-Queen to Her Home in Hawaii.
Honolulu, via San Francisco, Jan. 18.—It is currently rumored here that J. C. Carter, who left here on the 7th inst., ostensibly for the purpose of assisting the anti-annexationists in Washington in their fight, carried a substantial letter of credit which was to be used in defraying the expenses of the native Hawaiian commissioners, who are said to be in financial difficulties in the American capital. It is also said that Mr. Carter, who has information with respect to the Hawaiian situation, will attempt to convince Liliuokalani that she is merely wasting time by remaining in the east, and that she could do more good for the cause she has espoused by returning home while the Hawaiian legislature is in session. The Hawaiian commissioners are of the opinion that the United States senate will do nothing for the ex-queen in a financial way, are of the opinion that her best move would be to make an effort to induce the Hawaiian legislature to grant her a pension. Since Princess Kaiulani is in receipt of money from this government they claim that Liliuokalani can easily succeed in making a suitable arrangement to all concerned.

COMMON SENSE CURE.

Pyramidal Pile Cure Cures Piles Permanently by Curing the Cause.

Remarkable Remedy Which is Bringing Comfort to Thousand of Sufferers.
Probably half the people who see this article suffer from piles. It is one of the commonest diseases and for the most obstinate. People have it for years and just because it is not immediately cured they neglect it. Carelessness causes no end of suffering. Carelessness about something that has often caused death. Hemorrhages occur during surgical treatment, often causing death.

Pyramids are simple in the beginning and easily cured. They can be cured even in the worst stages, without pain or loss of blood, quickly, surely and completely. There is only one remedy that will do it—Pyramid Pile Cure.
It attacks the inflammation immediately, heats the irritated surface and with continued treatment reduces the swelling and puts the membranes into good, sound healthy condition. The cure is thorough and permanent.
Here is a voluntary and unobscured testimonial we have lately received:
Mrs. M. C. Hinkley, 601 Mississippi St., Indianapolis, Ind., says: "I have been a sufferer from the pain and annoyance of piles for fifteen years, the Pyramidal Pile Cure and Pyramidal Pills gave me immediate relief and in a short time a complete cure."
Druggists sell Pyramidal Pile Cure or will get it for you if you asked them to. It is 50 cents per package and is put up only by the Pyramidal Drug Co., Marshall, Mich.
