# Eczema All Her Life.

Mr. E. D. Jenkins, of Lithonia, Ga., says that his daughter, Ida, inherited a severe case of Eczema, which the usual mercury and potash remedies failed to relieve. Year by year she was treated with various medicines, external appli-cations and internal remedies, without result. Her sufferings were intense, and her condition grew steadily worse. and her condition grew steadily worse. All the so-called blood remedies did not

The bundesrath's action is due, it is announced, to a series of vigorous protests from the shippers affected, especially those of Hamburg, on the lower Rhine, and at Emmerich, and still more to the protests of Ambassador White. Its decision forbids the importation only where the fruit is attected by the aspidiotus periniciosus, or San Jose plant bug, which is said to have done enormous damage in the United States. The bundesrath's decree applies to the whole of Germany, and makes matters momentarily better, but it is believed that its future interpretation will largely correspond with Dr. Micquel's decree, Parties in terested here fear that the United States, owing to instruct the united States, owing to instruct the abase of directly on the digestive and nutritive organism.
